Invertebrate Literature Library
(updated 9 May 2012, 4056 entries)

(1958-1959). Proceedings of the salt marsh conference held at the Marine Institute of the University of Georgia, Apollo Island, Georgia March 25-28, 1958. Salt Marsh Conference, The Marine Institute, University of Georgia, Sapelo Island, Georgia, Marine Institute of the University of Georgia.

(1975). Phylum Arthropoda: Crustacea, Amphipoda: Caprellidea. *Light's Manual: Intertidal Invertebrates of the Central California Coast*. R. I. Smith and J. T. Carlton, University of California Press.

(1975). Phylum Arthropoda: Crustacea, Amphipoda: Gammaridea. *Light's Manual: Intertidal Invertebrates of the Central California Coast*. R. I. Smith and J. T. Carlton, University of California Press.

(1981). Stomatopods. FAO species identification sheets for fishery purposes. Eastern Central Atlantic; fishing areas 34,47 (in part). Canada Funds-in Trust. Ottawa, Department of Fisheries and Oceans Canada, by arrangement with the Food and Agriculture Organization of the United Nations, vols. 1-7. W. Fischer, G. Bianchi and W. B. Scott.

(1984). Taxonomic guide to the polychaetes of the northern Gulf of Mexico. Volume II. Final report to the Minerals Management Service. J. M. Uebelacker and P. G. Johnson. Mobile, AL, Barry A. Vittor & Associates, Inc.

(1984). Taxonomic guide to the polychaetes of the northern Gulf of Mexico. Volume III. Final report to the Minerals Management Service. J. M. Uebelacker and P. G. Johnson. Mobile, AL, Barry A. Vittor & Associates, Inc.

(1984). Taxonomic guide to the polychaetes of the northern Gulf of Mexico. Volume IV. Final report to the Minerals Management Service. J. M. Uebelacker and P. G. Johnson. Mobile, AL, Barry A. Vittor & Associates, Inc.

(1984). Taxonomic guide to the polychaetes of the northern Gulf of Mexico. Volume V. Final report to the Minerals Management Service. J. M. Uebelacker and P. G. Johnson. Mobile, AL, Barry A. Vittor & Associates, Inc.

(1984). Taxonomic guide to the polychaetes of the northern Gulf of Mexico. Volume VI. Final report to the Minerals Management Service. J. M. Uebelacker and P. G. Johnson.

Mobile, AL, Barry A. Vittor & Associates, Inc.

(1984). Taxonomic guide to the polychaetes of the northern Gulf of Mexico. Volume VII. Final report to the Minerals Management Service. J. M. Uebelacker and P. G. Johnson. Mobile, AL, Barry A. Vittor & Associates, Inc.

(1986). The Littorinid Molluscs of Mangrove Forests in the Indo-Pacific region: The genus *Littoraria*, British Museum (Natural History).

(2007). An illustrated guide to Cumacea (Crustacea: Malacostraca: Peracarida) from Florida coastal and shelf waters to depths of 100 m. R. W. Heard, D. Roccatagliata and I. Petrescu. Tallahassee, FL, Department of Environmental Protection, State of Florida: 175 pp.

(ERC), E. R. C., Ed. (2007). A synopsis of the literature on the turtle barnacles (Cirripedia: Balanomorpha: Coronuloidea) 1758-2007. Epibiont Research Cooperative Special Publication.

Abbott, R. T., Ed. (1974). American seashells: The marine Mollusca of the Atlantic and Pacific coasts of North America. New York, NY, Van Nostrand Reinhold Company.

Abele, L. G. (1972). "A reevaluation of the *Neopanope texana-sayi* complex with notes on *N. packardii* (Crustacea: Decapoda: Xanthidae) in the northwestern Atlantic." *Chesapeake Science* **13**(4): 263-271.

Abele, L. G. (1973). "Taxonomy, distribution and ecology of the genus *Sesarma* (Crustacea, Decapoda, Grapsidae) in eastern North America, with special reference to Florida." *The American Midland Naturalist* **90**(2): 375-386.

Abele, L. G. (1974). "Species diversity of decapod crustaceans in marine habitats." *Ecology* **55**: 156-161.
