

Flexible hiring options while giving back to the community!

Find out more with Wage Subsidy!

Wage Subsidy participants are hired into full-time, 40 hours/week positions with government agencies. Government agencies who partner with the Wage Subsidy program are provided a financial incentive to hire eligible participants in ongoing jobs at no cost to the employer. Contribute to your agency and find greater flexibility in your hiring options with Wage Subsidy!

Benefits of partnering with the Wage Subsidy program through NMDWS:

- No payroll expense – Participants are paid by NMDWS
- No liability – Participants are covered by Medicaid and NMDWS worker's comp
- Train future employees at no cost for up to 12 months
- Tax credit available if participant is hired
- Review participants' resumes and conduct interviews prior to placement
- Request participants with a specific job skill set
- No limit to the number of Wage Subsidy participants
- Diverse pool of Wage Subsidy participants
- Give back to the community as a work site partner
