HERE WE GO AGAIN

JUNE MEETINGS

Here we are again with the second issue of our news sheet. This time, it's a little more premeditated and we are including a few more of the features we intend to put in regularly.

Having had a little time to think things over, we are now in a position to give you the score on this sheet, so herewith:

There is no subscription fee for the sheet. However, if any of you good people care to send us a few pennies, stamps, etc. to help cover the cost of putting this out, we'll love you dearly. Exchanges with other fanzines are earnestly solicited. In any case, if you are interested in continuing to receive this bulletin, drop us a card to tell us what you think. Our mailing list is growing by leaps and bounds and we may have to cut down to save money for other things, in which case, we will naturally give preference to those who have shown interest in our sheet.

We will be concerned principally with news of the PSFS but will include other news as space permits.

Conditions permitting, we will publish monthly except the months we put out our full-scale fanzine now in the planning stage.

Drop us a line and let us know what you think of our sheet.

FANZINES RECEIVED.

SPACE TRAILS. Vol 1 No 1 Printed. K. J. Krueger, 123 Edna Place, Buffalo 8, N. Y. 15¢ First issue consists of Planet reprint, PRISON PLANET, by Wilson "Bob" Tucker, (next column)

Due to it being Memorial Day weekend, many of the members were unable to attend the June 1 meeting. Present for the first time was Ralph Rayburn Phillips, Ultra-Wierd Artist, some of whose work has been seen at the Pacificon and in various fanzines. The surprise of the evening was provided by the visit of Don Lockman, Seattle fan, visiting Portland for a few days.

At the June 15 meeting, in response to invitations extended thru Lockman and by mail, Jack Speer drove down from Seattle together with Don Lockman and Paul Hanna. This was the first time Donald Day and Phillips had seen Speer since the Pacificon and a grand gab-fest was indulged in.

The principal business of the meeting was concerned with plans for the fanzine. 2 door prizes of excerpted stories were won by Phillips and Lambert Ashton. Ashton donated a large group of fanzines for next meeting's door prize.

New members Paul and Donna Shaffer, owners of the Portland Book Store and Betty Shreeve were present.

Some of you fans might lean over
here and listen to a pretty reli-
able rumor I heard recently. What
if you did hear about it already?
Maybe the guy in the next block
didn't. It is that Edgar Rice
Burroughs, Inc. of Tarzana, Calif.
are going to reprint 21 of Burr-
ough's most popular titles. So far
the only ones out are LAND OF TER-
ROR, ESCAPE ON VENUS & DEPUTY SHE-
RIFF OF COMANCHE COUNTY. Most of
his TARZAN titles are out in Gros-
set & Dunlap 49¢ reprints. Here's
another tip: Merritt's MOON POOL
is again available at \$2.50. Where
to get them? If you can't find
them anywhere else, I've got them
at the Portland Book Store, Merritt
on near 2nd, 7346 4. -Paul Shaffer
