REPORTS ANALYSIS REFERRAL
TO
OFFICE OF GENERAL COUNSEL

DATE: April 12, 1995

ANALYST: Amy Suzanne Reynolds

I. COMMITTEE:

Republican Party of Harris County
(C00205351)
Bart Standley, Treasurer
(March 4, 1993 - Present)
Edward C.M. Chen, Treasurer
(May 12, 1992 - March 3, 1993)^{1/}
2400 Augusta, Suite 280
Houston, Texas 77057

II. RELEVANT STATUTE:

2 U.S.C. §434(a)(4)(A)(i), (iii), & (iv)
11 CFR §104.5(c)(1)(i) and (iii), and (2)

III. BACKGROUND:

Failure to File the 1993 Mid-Year and Year End Reports and the 1994 April Quarterly, July Quarterly, October Quarterly, 30 Day Post-General and Year End Reports

The Republican Party of Harris County ("the Committee") failed to file the 1993 Mid-Year and Year End and the 1994 April Quarterly, July Quarterly, October Quarterly, 30 Day Post-General and Year End Reports. The Committee was first notified of the filing dates for the 1993 Mid-Year and Year End Reports in the Prior Notice mailed to the Committee on December 28, 1992 (Attachment 4). On July 5, 1993, a Prior Notice was mailed to the Committee notifying it that the filing date for the 1993 Mid-Year Report was July 31, 1993 (Attachment 5).

^{1/} Edward Chen filed a statement of resignation from the Committee along with a request for administrative termination on December 23, 1992 (Attachment 2). This resignation apparently occurred due to an ideological split in the county party. Mr. Standley filed a new Statement of Organization on March 4, 1993 naming himself as treasurer since he was the treasurer of the Advisory Committee overseeing the local party activity (Attachment 3).

960437424/4

On August 26, 1993, a Non-Filer Notice was sent to the Committee for failure to file the 1993 Mid-Year Report (Attachment 6).

The Reports Analysis Division ("RAD") analyst called the Committee on September 21, 1993 and left a message on the answering machine to inform the treasurer that the Committee should file the 1993 Mid-Year Report by September 25 to prevent the matter from being referred to the Office of General Counsel for legal action. The analyst also requested that the treasurer return the phone call (Attachment 7).

Bart Standley, the treasurer of the Committee, telephoned the analyst on September 27, 1993 to explain that he had just received the phone message and wanted to discuss the omission of the 1993 Mid-Year Report. Although Mr. Standley expressed that the Committee did not feel responsible for filing federal reports due to a split in the county party, the analyst stressed that the Committee would have to file reports until it could terminate its status as a federal committee with the Commission. The analyst stated that the best interest of the Committee would be served by filing the omitted report immediately with a written explanation of the Committee's situation (Attachment 8).

Bart Standley called the analyst again on December 16, 1993. When the analyst returned the treasurer's call on December 17, 1993, the two had a lengthy conversation concerning the Committee's problems. The analyst made it clear that the Committee was still required to file reports in the eyes of the Commission. Mr. Standley was again strongly encouraged to file the 1993 Mid-Year Report immediately with a detailed account of the Committee's troubles and to file the 1993 Year End Report by January 31, 1994 (Attachment 9).

On December 27, 1993, the Committee was notified that the 1993 Year End Report was due on January 31, 1994 (Attachment 10).

The Committee filed a written explanation of its predicament on January 3, 1994; however, a 1993 Mid-Year Report was not included (Attachment 11).

The analyst attempted to contact the treasurer on March 21, 1994 but had to leave a message on the answering machine stating that the 1993 Year End Report should be filed immediately to avoid any legal action taken by the Office of General Counsel. The analyst also reminded the Committee that the 1993 Mid-Year Report had not yet been filed either (Attachment 12).

96043742415

A Prior Notice was mailed to the Committee on March 22, 1994 informing it that the 1994 April Quarterly Report was due on April 15, 1994 (Attachment 13).

Originally mailed on February 25, 1994 and returned, a Non-Filer Notice was remailed to the Committee on May 2, 1994 for failure to file the 1993 Year End Report (Attachment 14).

On May 10, 1994, a Non-Filer Notice was mailed to the Committee for failure to file the 1994 April Quarterly Report (Attachment 15).

Again on June 9, 1994, the analyst tried to reach the treasurer of the Committee. The analyst left a message on the answering machine stressing that the Committee should file the 1994 April Quarterly Report immediately to avoid legal action by the Office of General Counsel (Attachment 16).

A Prior Notice was mailed to the Committee on June 21, 1994 informing it that the 1994 July Quarterly Report was due on July 15, 1994 (Attachment 17).

On August 4, 1994, a Non-Filer Notice was mailed to the Committee for failure to file the 1994 July Quarterly Report (Attachment 18).

A Prior Notice was mailed to the Committee on September 21, 1994 informing it that the 1994 October Quarterly Report was due on October 15, 1994 (Attachment 19).

A Prior Notice was mailed to the Committee on October 3, 1994 informing it that the filing date for the 1994 30 Day Post-General Report was December 8, 1994 (Attachment 20).

On November 4, 1994, a Non-Filer Notice was mailed to the Committee for failure to file the 1994 October Quarterly Report (Attachment 21).

The analyst telephoned the Committee on November 28, 1994 and left a message urging that the 1994 October Quarterly Report be filed by December 4, 1994 in order to avoid referral to the Office of General Counsel. The analyst also reminded the Committee that the Commission had still received no reports covering 1993 and 1994 activity (Attachment 22).

A Prior Notice was mailed to the Committee on December 28, 1994 informing it that the 1994 Year End Report was due on January 31, 1995 (Attachment 23).

960437424/6

On January 4, 1995, a Non-Filer Notice was mailed to the Committee for failure to file the 1994 30 Day Post-General Report (Attachment 24).

On February 17, 1995, a Non-Filer Notice was mailed to the Committee for failure to file the 1994 Year End Report (Attachment 25).

On March 23, 1995 the analyst called the treasurer again and discovered the Committee's telephone number had been disconnected. Over the next few days the analyst attempted to contact the Committee using Directory Assistance. Although a telephone number was found for the treasurer Bart Standley, the analyst was unsuccessful in reaching him (Attachment 26).

To date, no reports have been filed covering any activity in 1993 and 1994.

March 1, 1992

Dear Amy,

Enclosed is a photo copy of the debts that the former Chairman Betsy Lake and the former Treasurer Edward Chen filed with the Federal Election Commission on December 1, 1992. As we understand it, the F.E.C. regulations state in article 11 CFR ss102.3(a), no organization can terminate unless arrangements have been made in regards to their debts.

As the F.E.C. Form 3X shows, the above named officials left the Republican Party of Harris County with debts totaling \$25,526.71; the actual amount they were in debt is considerably higher. This is shown in the photo copying of several checks. These other debts reflect payments not made on office equipment, taxes, and other miscellaneous outstanding debts.

The current leadership of the Republican Party of Harris County, under the direction of its Advisory Committee which is chaired by Dr. Steven Hotze, has either paid off all of these debts in full or negotiated a settlement. Letters have been enclosed with the corresponding checks with regards to those debts in which a negotiated settlement was reached and agreed to by both parties.

The current leadership has decided, in light of the fact that we have made good on the outstanding debts, that we will continue to operate under the same Federal Identification Number, C002351 and name; The Republican Party of Harris County.

Enclosed you will find a Statement of Organization filled out that reflects any needed changes. We appreciate your assistance in getting these matters taken care of. Please notify us if there is anything which needs to be brought to our attention.

Sincerely,

Bart Standley

SUBJECT: Non-Filing of 1993 Mid-Year Report

The analyst called the Committee and left a message on their answering machine to inform the treasurer, Bart Standley, that the Committee needed to file the 1993 Mid-Year Report by September 25 or have the matter referred to the Office of General Counsel for legal action. The analyst also requested that the treasurer return the phone call.

SUBJECT: Non-Filing of 1993 Mid-Year Report

Mr. Standley, the treasurer of the Committee, telephoned the analyst to explain that he had only retrieved the analyst's message that day. He requested the forms necessary to change the address of the Committee. He acknowledged the Committee's delinquency in filing their 1993 Mid-Year Report but insisted that the omission resulted from a split in the party. Mr. Standley inquired about possible sanctions to be taken by the Office of General Counsel. The analyst simply stressed that it would be in the best interest of the Committee to file immediately explaining their situation and that a note of the phone contact would be made.

TELECOM**ANALYST:** Amy Suzanne Reynolds**COMMITTEE:** The Republican Party of Harris County**CONTACT:** Bart Standley, Treasurer**DATE:** December 17, 1993**SUBJECT:** Non-Filing of 1993 Reports

Mr. Standley called the analyst on December 16, 1993. When the analyst returned his call on December 17, 1993, the treasurer and the analyst went over the Committee's problems again in detail. Mr. Standley stated that he was serving as the treasurer of the Advisory Committee for the Republican Party of Harris County since the departure of the elected county chairperson and treasurer following a rift in the Committee. From his point of view, the Committee was not required to file FEC reports because they were only taking care of local business. Mr. Standley reiterated that it was the feeling of the Advisory Committee that the former treasurer and chairperson of the Committee (who have started a new registered committee) were responsible for filing any federal reports required of the party. He also asked if the FEC would be taking action against Betsy Lake and Ed Chen since they left the Committee very much in debt.

The analyst explained to Mr. Standley that the Committee is required to file reports with the Commission until its termination when it will no longer be registered with the Commission. Because the Committee had debts at the end of 1992, the analyst further explained that the Committee must file reports to disclose the sources of the funds used to retire these obligations. Mr. Standley voiced some concern about the permissibility of the monies received by the Committee. The analyst stated that the Committee must file reports and then work to correct any discrepancies that might be disclosed. In addition, the analyst stressed that even if the Committee filed its 1993 Mid-Year Report, the matter would still be referred over to the Office of General Counsel. The analyst strongly encouraged the Committee to file an explanation of the situation with their 1993 Mid-Year Report and to file the 1993 Year End Report immediately.

Mr. Standley was very concerned about exploring all of the options available to the Committee. The analyst said that she would be leaving for vacation, but offered to call her supervisor from home on the following Monday and discuss his problem. Mr. Standley said he would be grateful. (The analyst did discuss the situation, and the supervisor placed a call to Mr. Standley which was not returned.)

**Amy Suzanne Reynolds
Report Analyst

Dear Amy:

This letter is to inform you of the status of the Republican Party of Harris County Advisory Committee. In November 1992, the Republican Party of Harris County Executive Committee (Precinct Chairmen) elected the present Advisory Committee with Dr. Steven F. Hotze being elected Chairman. At that time the bylaws were also modified giving the Advisory Committee certain administrative duties and responsibilities which prior to that time were vested in the elected Party Chairman (Betsy Lake). Because of a disagreement in Party philosophy, Betsy Lake chose to discontinue her physical affiliation with a majority of the Executive Committee leaving the Advisory Committee to handle administrative duties for the remaining party members.

As a result, the Advisory Committee solicited contributions and has attempted to handle the local party matters as best as possible. It has never been the intent of the Advisory Committee to get involved in those duties which are strictly the responsibility of the elected Party Chairman. In this regard we have operated an administrative account for the purpose of financing the local office, but have not been involved with any federal election issues. These duties and accounting for such are still the responsibility of the elected Party Chairman.

We have therefore, not filed with the Federal Election Commission for 1993. We have assumed that all FEC filings have been handled by Betsy Lake. We certainly want to assist the FEC and the local party in every way possible and at the same time follow all appropriate rules and regulation. This entire issue has been confusing to us and we certainly want to see this matter resolved. We will be happy to open our records for review and work in any way possible to assist the FEC in bringing this matter to a close.

The analyst tried to call the Committee on March 23, 1995 with the number previously used. She found that the number had been disconnected. Over the next few days, the analyst tried to reach the Committee through Directory Assistance. Unfortunately the phone number she was given apparently belonged to the other Republican Party in Harris County, and she was unable to address the non-filing problem with them. Although the analyst did get a phone number from the operator for Mr. Standley, the treasurer, she was unable to reach him.

RE: MUR 4298

Dear Mr. Standley:

On January 23, 1996, the Federal Election Commission found that there is reason to believe the Republican Party of Harris County and you, as treasurer, violated 2 U.S.C. § 434(a)(4)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), by failing to file required reports with the Commission. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Please note that the Commission has considered the circumstances surrounding the Republican Party of Harris County expressed in your letters dated March 1, 1992 and December 28, 1993 and communicated by you to Commission staff. Among other issues, you indicated that under its current leadership, which began its tenure in early 1993, the Republican Party of Harris County handles only local activity, and that the current leadership paid or negotiated a settlement of the "considerably higher" than \$25,526.71 debt owed by the Committee during the tenure of the former leadership. Notwithstanding these circumstances, as treasurer of the Committee, you are legally responsible for filing reports with the Commission pursuant to 2 U.S.C. § 434(a)(4)(A) until the Committee terminates its status as a federal political committee. Inasmuch as the Committee owed debts reflected as \$25,526.71 at the end of 1992, the reports must reflect the source of the funds used to pay the Committee's debts. Report forms are enclosed for your convenience. The following reports must still be submitted:

- o 1993 Mid-Year Report
- o 1993 Year End Report
- o 1994 April Quarterly
- o 1994 July Quarterly
- o 1994 October Quarterly
- o 1994 Post-General Election Report
- o 1994 Year End Report

Celebrating the Commission's 20th Anniversary

YESTERDAY TODAY AND TOMORROW
DEDICATED TO KEEPING THE PUBLIC INFORMED

96043742518

In addition, you must also submit the 1995 Mid-Year and Year End Reports, which became due subsequent to the initiation of this matter.

You may submit any additional factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit all of the requested materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath. In the absence of the submission of the requested materials, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have enclosed a brief description of the Commission's procedures for handling possible violations of the Act. Please contact Tracey L. Ligon, the attorney assigned to this matter, at (202) 219-3690, to discuss this matter further.

Sincerely,

Lee Ann Elliott

MUR: 4298

This matter was generated based on information ascertained by the Federal Election Commission ("the Commission") in the normal course of carrying out its supervisory responsibilities. See 2 U.S.C. § 437g(a)(2).

A. THE LAW

The Federal Election Campaign Act of 1971, as amended ("the Act"), requires all political committees other than authorized committees of a candidate to file either quarterly or monthly reports. The relevant provisions for quarterly report filing are as follows. In a calendar year in which a regularly scheduled general election is held, quarterly reports must be filed no later than the 15th day after the last day of each calendar quarter, except the report for the quarter ending on December 31 of such calendar year shall be filed no later than January 31 of the following calendar year. 2 U.S.C. § 434(a)(4)(A)(i). The Act also requires the committee to file a post-general election report no later than the 30th day after the general election which shall be complete as of the 20th day after the general election. 2 U.S.C. § 434(a)(4)(A)(iii). In any other calendar year, reports covering the period beginning January 1 and ending June 30, must be filed no later than July 31, and reports covering the period beginning July 1 and ending December 31, must be filed no later than January 31 of the following calendar year. 2 U.S.C. § 434(a)(4)(A)(iv).

Pursuant to Section 434(a)(1), the treasurer of a political committee shall file reports of receipts and disbursements in accordance with the provisions of that subsection.

B. THE FACTS

The Republican Party of Harris County ("the Committee") is a political committee that is not an authorized committee of a candidate. The Committee filed reports on a quarterly basis.

Pursuant to the above-referenced provisions of the Act, the respondents were required to file the 1993 Mid-Year Report no later than July 31, 1993; the 1993 Year End Report no later than January 31, 1994; and the 1994 Year End Report no later than January 31, 1995. Respondents were also required to file the 1994 April Quarterly Report no later than April 15, 1994; the 1994 July Quarterly Report no later than July 15, 1994; and the October Quarterly Report no later than October 15, 1994. In addition, respondents were required to file the 1994 Post-General Election Report no later than December 8, 1994.

Prior notices were mailed to the committee informing it of the due dates for filing each of the reports at issue (Referral Attachments 4, 5, 10, 13, 17, 19, 20, and 23). In addition, shortly following the passage of each of the due dates, separate non-filer notices for each of the reports were mailed to the committee informing it that it had failed to file the reports at issue and advising it to file the reports immediately (Referral Attachments 6, 14, 15, 18, 21, 24, and 25). In addition to written notices, staff of the Reports Analysis Division (RAD) made several attempts by telephone to notify the Committee regarding the missing reports, leaving messages on the committee's answering machine. To date, the committee has not filed any of the reports at issue.

During the course of communications with RAD staff (Referral Attachment 9), Mr. Bart Standley, the committee treasurer, expressed his belief that he is not responsible for filing the federal reports of the committee; but rather that the former treasurer bears that responsibility.¹

¹ The record reflects the following: Mr. Edward Chen, the former treasurer of the Committee, filed a statement of

96043742522

Pursuant to Section 434(a)(1), the treasurer of a political committee shall file reports of receipts and disbursement in accordance with the provisions of that subsection. The record reflects that Mr. Standley became treasurer of the Committee on March 4, 1993. As the treasurer of the committee, Mr. Standley is required to file the reports at issue.

Based on the foregoing factual and legal information, there is reason to believe that the Republican Party of Harris County and Bart Standley, as treasurer, violated 2 U.S.C. § 434(a)(4)(A).

resignation as treasurer of the Committee on December 23, 1992. This resignation apparently occurred due to an ideological split in the county party. Mr. Standley, the current treasurer of the Committee, filed an amended Statement of Organization on March 4, 1993 naming himself as treasurer since he was the treasurer of the Advisory Committee overseeing the local party activity.

RE: MUR 4298

Dear Mr. Standley:

On February 1, 1996, you were mailed a notification that the Federal Election Commission found that there is reason to believe the Republican Party of Harris County and you, as treasurer, violated 2 U.S.C. § 434(a)(4)(A), a provision of the Federal Election Campaign Act of 1971, as amended, by failing to file required reports with the Commission.

During our telephone conversation yesterday, you confirmed that you received the February 1, 1996 notification. You also stated that you are taking steps to have the required reports prepared and will contact me on Tuesday, March 5, 1996 to inform me of how soon you will be able to file the reports. Please be mindful that your response to the Commission's reason to believe finding was due in this Office on February 28, 1996. Ordinarily this Office does not grant requests for extensions of time that were not made at least five days prior to the due date. However, in order to accommodate your need for additional time to prepare the reports, this Office has granted you until Wednesday, March 13, 1996, to file the reports and any additional information that you believe is relevant to the Commission's consideration of this matter.

As you requested, I have enclosed a copy of the Amended Statement of Organization dated March 4, 1993, naming you as the treasurer of the Republican Party of Harris County, along with its accompanying cover letter.

If you have any questions, please contact me at (202) 219-3690.

Dear Amy,

Enclosed is a photo copy of the debts that the former Chairman Betsy Lake and the former Treasurer Edward Chen filed with the Federal Election Commission on December 1, 1992. As we understand it, the F.E.C. regulations state in article 11 CFR ss102.3(a), no organization can terminate unless arrangements have been made in regards to their debts.

As the F.E.C. Form 3X shows, the above named officials left the Republican Party of Harris County with debts totaling \$25,526.71; the actual amount they were in debt is considerably higher. This is shown in the photo copying of several checks. These other debts reflect payments not made on office equipment, taxes, and other miscellaneous outstanding debts.

The current leadership of the Republican Party of Harris County, under the direction of its Advisory Committee which is chaired by Dr. Steven Hotze, has either paid off all of these debts in full or negotiated a settlement. Letters have been enclosed with the corresponding checks with regards to those debts in which a negotiated settlement was reached and agreed to by both parties.

The current leadership has decided, in light of the fact that we have made good on the outstanding debts, that we will continue to operate under the same Federal Identification Number, C002351 and name; The Republican Party of Harris County.

Enclosed you will find a Statement of Organization filled out that reflects any needed changes. We appreciate your assistance in getting these matters taken care of. Please notify us if there is anything which needs to be brought to our attention.

Re: The Republican Party of Harris County
MUR 4298

Dear Ms. Ligon:

I certainly appreciate your understanding and assistance in providing documents relative to the above referenced issue. As we discussed, in order to accurately complete the reporting documents I will need to communicate with present members of the Republican Party here in Harris County, as well as those individuals who worked in the headquarters back in 1993. One of these key individuals, Mr. Paul McClintock, now resides in Washington State. Reconstructing the events necessary to complete the reports which are outlined in the February 1, 1996 communication will require coordinating of all the individuals involved and therefore, I respectfully request an extension of time of 48 days or until May 1, 1996.

Your assistance in this matter is greatly appreciated.

Sincerely,

Bart C. Standley

RE: MUR 4298

Dear Mr. Standley:

This is in response to your letter dated March 6, 1996, wherein you requested an extension of time of 48 days or until May 1, 1996, to file a response to the Federal Election Commission's finding that there is reason to believe that the Republican Party of Harris County and you, as treasurer, violated 2 U.S.C. § 434(a)(4)(A). Please be advised that the Office of the General Counsel has denied the requested extension. However, after considering the circumstances presented in your letter, this Office has extended the response period until the close of business on April 5, 1996.

If you have any questions, please contact me at (202) 219-3690.

Sincerely,

Dear Ms. Ligon:

I appreciate your patients in working with me to allow an extension of time to provide the required FEC filings. I am presently waiting on some bank documentation which has not yet been provided to me. In speaking with bank personnel yesterday I was informed that the requested information will not be available until sometime late next week at the earliest. I need this information to verify the accuracy of our records and to complete the filings. Subsequently, I respectfully request an extension of time of 15 days or until April 20, 1996.

It is my sincere desire to complete this transaction as soon as possible. If the requested documentation becomes available sooner than expected I will be able to submit the filings before the April 20, 1996 date. Your assistance in this matter is again greatly appreciated.

Sincerely,

Bart C. Standley

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

April 10, 1996

VIA FACSIMILE AND U.S. MAIL

Bart Standley, Treasurer
Republican Party of Harris County
10555 Westoffice Drive
Houston, TX 77042

RE: MUR 4298

Dear Mr. Standley:

This is in response to your letter dated March 28, 1996, requesting an extension of 15 days or until April 20, 1996 to file a response to the Federal Election Commission's finding that there is reason to believe that the Republican Party of Harris County and you, as treasurer, violated 2 U.S.C. § 434(a)(4)(A) by failing to file required reports with the Commission. After considering the circumstances presented in your letter, the Federal Election Commission has granted the requested extension. Accordingly, your response is due by the close of business on April 20, 1996. Please be advised that no further extensions of time will be granted.

This Office has received your letter, also dated March 28, 1996, enclosing the Committee's reports for 1994-present. Thus, your response should include the Committee's 1993 reports and any additional information that you believe is relevant to the Commission's consideration of this matter. If you have any questions, please contact me at (202) 219-3690.

Sincerely,

Tracey L. Ligon
Attorney

Re: The Republican Party of Harris County
MUR 4298

Dear Ms. Ligon:

I have completed and am transmitting herewith the following reports:

- o 1993 Mid-Year Report
- o 1993 Year End Report

To the best of my knowledge we received and disbursed funds from 1993 until 1996 for basic operations and local issues. We never participated in any federal elections nor contributed to any federal candidates and therefore did not until now file any FEC reports. We originally amended the Statement of Organization in accordance with conversations with Ms. Amy Suzanne Reynolds, Report Analyst with the Analyst Division for the sole purpose of assisting the local party in paying its outstanding debt.

I appreciate your patients and assistance in this matter.

Sincerely,

Bart C. Standley

SENSITIVE

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On January 23, 1996, the Commission found that there was reason to believe that the Republican Party of Harris County and Bart Standley, as treasurer (the Committee), violated 2 U.S.C. § 434(a)(4)(A) by failing to file required reports with the Commission from 1993-1994. Given the desire to clarify changes that occurred at the Committee and to examine the nature of the Committee's activity, the Commission declined to enter into pre-probable cause conciliation negotiations. Instead, the Commission instructed the respondents to file the missing reports for the Commission's review.

II. DISCUSSION

A. Review of Committee Changes and Reports Filed

Prior to December 1992, the Committee engaged in both federal and non-federal election activities, had both a federal and a non-federal account, and properly filed its required reports with the Commission. In December 1992, the former treasurer and chairperson of the Committee broke away from the Committee apparently due to ideological differences, and simultaneously closed the Committee's "FEC account" held at the River Oaks Bank, and filed a request for administrative termination. The Committee's request for administrative termination was not effectuated due to

96043742606

the Committee's outstanding debt. On March 4, 1993, Bart Standley filed an amended Statement of Organization with the Commission, naming himself as treasurer of the Committee. Mr. Standley stated that he was the treasurer of the Advisory Committee responsible for overseeing the Committee's local activity, and that he assumed the office of treasurer of the Committee to handle local and administrative matters, and to assist the Committee in paying its outstanding debts. Mr. Standley maintained that the former treasurer and chairperson of the Committee were responsible for filing any federal reports required of the Committee and that the Committee was not responsible for doing so because it handled only local business. He stated that the current leadership paid or negotiated a settlement of the \$25,526.71 debt incurred by the Committee during the tenure of the former leadership.

Pursuant to the Commission's instructions, the respondents filed the missing 1993-94 reports as well as reports that became due pending the Commission's consideration of this matter. The Committee's reports for 1994 through the present confirm Mr. Standley's assertion that the Committee has not engaged in any federal election activity under the new leadership. In fact, the 1994 April, July, and October Quarterly Reports, 1994 Post Election Report, 1994 Year End Report, 1995 Mid-Year and Year End Reports, and 1996 April Quarterly Report all reflect no receipts, and disbursements only for the payment of bank charges. The Committee's latest report also reflects that the Committee has no debts and no cash on hand.

However, the 1993 reports, while they contain no indication that the Committee engaged in other than local and administrative activities, reflect that during the calendar year, Eugene J. Fontenot, M.D.,¹ contributed a total of \$35,000 to the Committee, and two corporations, Amstill Corporation and HARHTA, contributed \$250.00 and \$6,000, respectively, to the Committee. In addition, the record reflects that in 1993 the Committee negotiated settlements of three debts owed

¹ In 1994, Eugene J. Fontenot was a candidate for the House of Representatives in the 25th Congressional District of Texas. He lost the primary with 44.98% of the vote. In 1996, Fontenot ran in the primary in the 8th Congressional District of Texas, and subsequently lost a runoff election with 46.6% of the vote.

96043742607

by the Committee to three corporate vendors, Synhorst & Schraad, Inc., Strategy & Communications, Inc., and Campaign Services Group, Inc., without complying with the debt settlement procedures found at 11 C.F.R. § 116.4. The Committee then paid these negotiated settlements out of its non-federal account.

B. Analysis

A party that is active in both Federal and non-Federal elections and that has qualified as a political committee has two options: 1) to establish an account for federal activity, which will be subject to the prohibitions and limitations of the Act, and a second account used exclusively for State and local activity or 2) to conduct both federal and non-federal activity from one account in which all contributions are subject to the prohibitions and limitations of the Act (regardless of whether the funds are ultimately used for federal or non-federal elections). 2 U.S.C. § 102.5(a)(1). Party committees that make disbursements in connection with federal elections shall make those disbursements entirely from funds subject to the prohibitions and limitations of the Act. 11 C.F.R. § 106.5(a).

Given that the Committee's federal account was closed in December 1992, it appears that thereafter it operated exclusively out of its non-federal account held at the Charter Bank in Houston, Texas. However, inasmuch as the Committee used funds from this account to pay debts incurred in connection with federal election activity (albeit incurred under the Committee's former leadership), all contributions to that account would be subject to the prohibitions and limitations of the Act. See 11 C.F.R. § 102.5(a)(1); 11 C.F.R. § 106.5(a).²

² We note that under Texas state law, there are no limitations on the amount that an individual may contribute to a state or county party committee, and corporations may contribute to political parties without limitation.

96043742608

Regarding Dr. Fontenot's 1993 contributions to the Committee totaling \$35,000,³ the Act prohibits a person from making contributions to political committees which are not established and maintained by a national political party and which are not the authorized political committees of any candidate, in any calendar year which, in the aggregate, exceed \$5,000. 2 U.S.C § 441a(1)(C). In addition, individuals are prohibited from making contributions aggregating more than \$25,000 in any calendar year. 2 U.S.C. § 441a(a)(3). Inasmuch as Dr. Fontenot made contributions to the Committee totaling \$35,000 in 1993, we recommend that the Commission find reason to believe that Eugene J. Fontenot violated 2 U.S.C. § 441a(a).⁴ In addition, we recommend that the Commission find reason to believe that the Republican Party of Harris County and Bart Standley, as treasurer, violated 2 U.S.C. § 441a(f) by knowingly accepting a contribution which is in violation of the foregoing provisions.

Regarding the corporate contributions made by Amstill Corporation and HARHTA, the Act makes it unlawful for any corporation to make a contribution in connection with any federal election to any political office. 2 U.S.C. § 441b(a). Accordingly, we recommend that the Commission find reason to believe that HARHTA violated 2 U.S.C. § 441b.⁵

³ The record reflects the following contributions received by the Committee from Gene Fontenot, M.D.

1/19/93	\$ 5,000
1/12/93	\$10,000
2/16/93	\$10,000
07/93 - 12/93	<u>\$10,000</u>
Total	\$35,000

⁴ We note that FEC contributor indices reflect that Dr. Fontenot made one other contribution to federal political committees in 1993 - a contribution of \$1,000 to the Wright for Senate Committee on January 20, 1993.

⁵ In light of the de minimus amount of \$250 contributed by Amstill Corporation, we decline to recommend that the Commission make a finding against this corporation.

96043742609

We note the following in regard to the negotiated settlements paid by the Committee without complying with debt settlement procedures.⁶ A corporation is prohibited from forgiving or settling a debt incurred by a political committee for less than the entire amount owed on the debt unless the amount forgiven is exempted from the definition of contribution pursuant to 11 C.F.R. § 100.7(b), or the corporation has treated the debt in a commercially reasonable manner and the requirements of Section 116.7, which include the filing of a debt settlement plan with the Commission, have been met. 11 C.F.R. § 116.4(b). The regulations likewise prohibit a committee from settling its debts without meeting the foregoing requirements and undertaking all reasonable efforts to satisfy the outstanding debt. 11 C.F.R. § 116.4(c). Here, the amount forgiven by the corporations is not exempted from the definition of contribution pursuant to Section 100.7(b), and a debt settlement plan was not filed with the Commission. Therefore, we recommend that the Commission find reason to believe that Synhorst & Schraad, Inc., Strategy & Communications, Inc., and Campaign Services Group, Inc., and the Republican Party of Harris Count and Bart Standley, as treasurer, violated 2 U.S.C. § 441b.

However, based on the following considerations, this Office recommends that the Commission issue admonishments and take no further action against the respondents. Relevant to the corporate contributions made by HARHTA and the excessive contributions of Dr. Fontenot, the record clearly reflects that under its new leadership, the Committee perceived itself to be functioning only in the non-federal realm; thus, the Committee probably would not have solicited

⁶ The record reflects that the Committee negotiated settlement of three of its debts as follows:

Creditor:	Strategy & Communications, Inc.	Creditor:	Synhorst & Schraad, Inc.
Nature of Debt:	Consulting Contract	Nature of Debt:	Telemarketing
Debt Owed:	\$2,989.84	Debt Owed:	\$9,816.86
Settlement Paid:	\$2,000.00	Settlement Paid:	\$2,475.15
Creditor:	Campaign Services Group, Inc.		
Nature of Debt:	Direct Mail		
Debt Owed:	\$10,935.56		
Settlement Paid:	\$4,500.00

contributions expressly stating that they would be used in connection with federal elections. Indeed, the Committee may have solicited the contributions with express notice that the contributions would not be used for federal election purposes. In addition, the record supports the treasurer's assertion that, following the departure of the former treasurer, he assumed the office of treasurer of the Committee only to handle local activities and to assist the Committee in paying its outstanding debts. The Committee's 1993 reports reflect that it did precisely that in 1993, the year that the treasurer assumed the office. Subsequent to 1993, the Committee was virtually inactive, reporting no receipts, and expenditures for bank charges only from 1994 to the present. In addition, the amount of debts settled by the Committee without compliance with the Commission's regulations and the amount of HARHTA's corporate contributions are relatively small. Finally, the Committee has requested termination. In light of the foregoing considerations, this Office recommends that the Commission issue an admonishment to the respondents but take no further action and close the file in this matter.

We further recommend that the Commission administratively terminate the Republican Party of Harris County pursuant to 11 C.F.R. § 102.4, which permits the Commission to terminate a political committee's reporting obligation on the basis of factors including, *inter alia*, the following: the committee's aggregate reported financial activity in one year is less than \$5,000; the committee's reports disclose no receipt of contributions for the previous year; the committee's last report disclosed minimal expenditures; and the committee's last report disclosed that the committee does not have substantial outstanding accounts receivable. See 2 U.S.C. § 433(d). Each of these factors applies to the Republican Party of Harris County.

RE: MUR 4298

Dear Mr. Standley:

On July 30, 1996, the Federal Election Commission found reason to believe that the Republican Party of Harris County ("Committee") and you, as treasurer, violated 2 U.S.C. §§ 441b and 441a(f), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). However, after considering the circumstances of this matter, the Commission also determined to take no further action, close the file and administratively terminate the Committee. The General Counsel's Report, which formed a basis for the Commission's finding, is attached for your information.

The Commission reminds you that when a political committee uses funds from a non-federal account (an account established to handle only state and local activity) to pay debts incurred in connection with federal election activity, all contributions to that account would be subject to the prohibitions and limitations of the Act. See 11 C.F.R. § 102.5(a)(1); 11 C.F.R. § 106.5(a). Under the Act, it is unlawful for any political committee to knowingly accept contributions from any corporation in connection with any federal election.

In addition, the Commission's regulations prohibit a committee from settling debts owed to a corporation for less than the entire amount owed on the debt unless the amount forgiven is exempted from the definition of contribution pursuant to 11 C.F.R. § 100.7(b), or the political committee has undertaken all reasonable efforts to satisfy the outstanding debt and the requirements of Section 116.7, which include the filing of a debt settlement plan with the Commission, have been met. 11 C.F.R. § 116.4(b).

Finally, the Act prohibits political committees, which are not established and maintained by a national political party and which are not the authorized political committees of any candidate, from accepting from an individual contributions in any calendar year which, in the aggregate, exceed \$5,000. 2 U.S.C. § 441a(f); 2 U.S.C. § 441a(a)(1)(c). The Act also prohibits individuals from making contributions aggregating more than \$25,000 in any calendar year, 2 U.S.C. § 441a(a)(3), and correspondingly prohibits political committees from accepting such contributions, 2 U.S.C. § 441a(f). You should take steps to ensure that this activity does not occur in the future.

Dear Mr. Fontenot:

RE: MUR 4298

Dear Registered Agent:

On July 30, 1996, the Federal Election Commission found reason to believe that HARHTA violated 2 U.S.C. § 441b, a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). However, after considering the circumstances of this matter, the Commission also determined to take no further action and closed its file. The General Counsel's Report, which formed a basis for the Commission's finding, is attached for your information.

The Commission reminds you that it is unlawful for any corporation to make contributions in connection with any federal election. You should take steps to ensure that this activity does not occur in the future.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

If you have any questions, please contact Tracey Ligon, the attorney assigned to this matter, at (202) 219-3400.

MEMORANDUM

SENSITIVE

TO: The Commission
FROM: Lawrence M. Noble
General Counsel
BY: Lois G. Lerner *LL*
Associate General Counsel
SUBJECT: MUR 4298
Request for Extension of Time

By letter dated March 28, 1996, the respondent, Mr. Bart C. Standley, treasurer of the Republican Party of Harris County, requested an additional extension of 15 days to respond to the Commission's reason to believe finding in this matter. The respondents' response was originally due on February 21, 1996. This Office has already granted the respondents' extensions totally 45 days, or until April 5, 1996.

As requested by the Commission, the respondents will be filing the committee's nine missing reports along with their response. The respondents' letter explains that the extension is necessary so that the respondents may obtain bank documentation needed to verify the accuracy of the committee's records. The respondents assert that the bank documentation will not be available until late in the week of April 2-5, 1996 at the earliest.

Given the importance of the accuracy of the financial information provided in the committee's reports to the resolution of this matter, and the relatively short additional extension of time requested, the Office of the General Counsel recommends that the Commission grant the requested extension. However, in order to avoid any further delays, we recommend that the Commission also advise the respondents that no further extensions of time will be granted in this matter.

960437430/4

RECOMMENDATIONS

1. Grant the extension of time until April 20, 1996, to the Republican Party of Harris County, and Bart C. Standley, as treasurer, and advise the respondents that no further extensions of time will be granted.

2. Approve the appropriate letter.
