

Tater Lesson Idea

Here's a list of all the tater people names I could find from all the tater stories out there that I've seen. I put a character trait with them. You might come up with a devotional using some of these.

- Agie Tater (agitator) – Stirs up trouble
- Ampu Tater (amputator) – Cuts themselves off from church and everything around them.
- Comment Tater (commentator) – Always has to voice their opinion.
- Couch Potato – Lazy.
- Deva Tater – (devastator) – Destroys things by how they speak and act.
- Dic Tater (dictator) – Controlling.
- Facili Tater – (facilitator) – Leads and moves things along.
- Hezzi/Hesi Tater (hesitator) – Never gets anything done or slow in doing it.
- Imma/Emma Tater (imitator) – Tries to be like everyone else.
- Ira Tater (Irritator) – Annoys.
- Ole Ro (rotator) – Faithful one day and not the next.
- Par Tissie (participator) – Joins in and participates.
- Spec/Speck Tater (spectator) – Doesn't join in. Just watches others doing the work or activity.
