PRODUCT DISCONTINUED – FOR INFORMATION ONLY

Mini-sized portability and functionality.

Kingston's DataTraveler® Mini — Migo® Edition is a colorful, mini-sized, USB 2.0 Flash drive that gives you the freedom to work on multiple PCs. Migo allows you to use your own Microsoft Outlook® Express/Mozilla Thunderbird® email contents, Microsoft Internet Explorer/Mozilla Firefox® settings, favorites, cookies and history, plus your files, folders and icons. Take DataTraveler Mini — Migo Edition anywhere you go — your field office, home office, Internet café, or school computer lab — virtually anywhere you have access to a PC with the applications you use. When you return to your PC, Migo synchronizes your data to keep you current.

As you work, the on-board Migo meter keeps track of available capacity and tells you how much space you need for selected files and settings. Migo works on Windows Vista**, Windows XP SP1 and 2000 SP3 (and above) system and is designed to match the language of the guest operating system.

Compact and easy to use, DataTraveler Mini — Migo Edition is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.

DataTraveler Mini — Migo Edition is available in multiple colors, based on capacity.
