

KODAK EasyShare DX3215

Zoom Digital Camera and Camera Dock

Kodak
Share Moments. Share Life.™

- 1.3MP CCD resolution (1280x960 picture resolution)
- 4X zoom (2X optical and 2X digital)
- One-touch picture transfer
- 8MB internal memory

Making digital photography simple.

Great pictures made easy

Want to get into digital with ease? You've found your camera. Introducing the KODAK EasyShare DX3215. This camera gets you started with 1.3MP CCD resolution (1280x960 picture resolution) for great prints up to 5" x 7". A 4X zoom (2X optical and 2X digital) lets you get closer to the fun. It's the perfect camera to get you into digital picture-taking.

Picture-taking made simple

It's true, all you have to do is press a button. That's how easy it is. And what's even easier is how quickly you'll be able to capture your favorite moments. With 8MB of internal memory, you'll never miss a shot. And with the DX3215's MultiMedia Card/Secure Digital™ memory card (MMC/SD) expansion slot, you'll have plenty of memory to keep on shooting with optional MMC/SD memory cards.

Share with ease

If you use the KODAK EasyShare Camera Dock, sharing is just as easy. Simply place your DX3215 in the dock, touch the button, and pictures are automatically sent to your computer ready for e-mailing and printing. The Camera Dock will also recharge your camera's battery pack, so you'll always be ready to take more pictures.

The EasyShare System

Shoot a picture, touch the button, and share pictures with your world.
