## KODAK DC5000 Zoom Digital Camera

TAKES WHAT LIFE DISHES OUT.

*Rugged, durable, and easy-to-use, the KODAK DC5000 will help you get the job done. Whether you're in the construction industry, insurance, or an outdoor enthusiast, the DC5000's weatherproof body will hold up under the toughest circumstances. Two-megapixel resolution provides you with excellent picture quality even on 8" x 10" prints. The 2X optical (30 – 60 mm) and 3X digital zoom let you choose wide angle or telephoto to take pictures in a variety of open spaces. All in all, a practical, intuitive package that is as easy to use as a point and shoot, but tough on the job.*

### **Rugged Design**

Finally, a digital camera you can expect to be as tough as you are. With its rugged design, the DC5000 stands up to the elements. It's so easy to use, perfect for any environment, and any lifestyle.

### **Weatherproof Body**

Weatherproof design keeps moisture out for carefree performance in almost any environment. Use in light rain or mist, dusty and dirty conditions, on the beach, near the pool or while boating.

### **Oversized Controls**

Large controls for better handling – even when wearing gloves. So whether you're out on a cold weather assignment or on a construction site, Kodak makes it easy to get the picture you want. Plus, the intuitive design enables you to point and shoot.

### **2X Optical Zoom**

The 2X optical (30 – 60 mm) and 3X digital zoom let you capture even the smallest details while keeping your image sharp and crisp. And with the wide-angle lens, you can include even the most expansive environments in your pictures! No matter what, you'll get the shot you're looking for.

### **Spectacular 2-Megapixel Resolution**

Two-megapixel resolution delivers excellent picture quality – even on 8" x 10" prints. And with the USB port, you can download, file, and send crisp images in a snap.

## ORDERING INFORMATION

KODAK DC5000 Zoom Digital Camera (US)

KODAK DC5000 Zoom Digital Camera (Canada)

## RECOMMENDED ACCESSORIES

KODAK Battery Charger  
with 4 AA Ni-MH Batteries

16 MB Picture Card

Lens Kit (37 mm threads)

## CAT. NO.

176-6740

171-2967

152-7068

826-6330

157-4193

## SYSTEM REQUIREMENTS

### WINDOWS SYSTEMS

Windows 95/98/NT 4.0/Windows 2000  
(USB supported only with  
Windows 98/2000)

Personal computer with minimum systems  
requirements to run the operating system  
(Pentium 90MHz or greater microprocessor)

16MB RAM minimum or greater

120MB of available hard disk space or greater

CD-ROM Drive for software installation

USB port, serial port, or  
COMPACTFLASH Card Reader

256-color monitor (16-bit color recommended)

### MACINTOSH SYSTEMS

Power Mac required

MAC OS 7.6.1/8.X/9.0/9.0.4/9.1 for serial

MAC OS 8.6/9.0/9.0.4/9.1 for USB

32 RAM minimum or greater

120MB of available hard disk space

CD-ROM drive for software installation

USB port, serial port, or  
COMPACTFLASH Card Reader

256-color monitor (16-bit color recommended)
