EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Export of Goods (Control) Order 1992:

- (i) by removing most vaccines from control;
- (ii) by removing fluorine from control;
- (iii) by extending the control on certain accelerometers designed for use in inertial navigation systems or in guidance systems to include specially designed components;
- (iv) by extending the control on certain gyros usable in missiles to include specially designed components;
- (v) by extending the control on certain solid and liquid fuelled rocket engines and rocket stages including specially designed production equipment, production facilities and technology required for their development, production or use.
