

PLACEMENT EXAMINATION INFORMATION

All placement exams (except English) are completed online through ChetNet. Follow these instructions to access ChetNet:

Website: <https://chetnet.manchester.edu>
Username: fmlastname2026 (first initial, middle initial, full last name)2026
Password: FMMSSSSmu (F = first initial of first name capitalized; MM = birth month; SSSS = last four digits of student's social security number)mu

Should you have any problems accessing ChetNet, please contact your Admissions Counselor via email at admitinfo@manchester.edu or by calling the Office of Admissions at 800-852-3648.

CHEMISTRY PLACEMENT EXAM

Students intending to study any of these areas – biology, chemistry, biology-chemistry, environmental studies, exercise science, athletic training, medical technology, nursing or pre-pharmacy are required to take this placement exam. There are three parts of 20 questions each: 1) general mathematics, 2) general chemical information, 3) specific chemical knowledge.

MUSIC THEORY PLACEMENT EXAM

Students interested in either a music major or music minor must take the Music Theory placement exam. The exam is for placement purposes only and will not affect admission to the Music Department or scholarship awards. This test is intended to help determine whether students will need to take the Music Fundamentals course during their first semester at Manchester.

SPANISH PLACEMENT EXAM

Students who have taken Spanish in high school and are interested in taking Spanish courses in college must take this placement exam.

ENGLISH PLACEMENT EXAM

Select students must submit an English writing sample. Students required to do this will be provided information by the Office of Admissions. The writing sample will be used in conjunction with high school records to determine the course that best meets academic needs and background.
