

MYCOLOGY, BRYOLOGY, LICHENOLOGY, ALGAE, DIATOMS etc

1. **ACTA MYCOLOGICA.** Volumes I and IV. Large octavo, pp 271; [260], a little used, paperbacks, covers a little worn and creased. Warscaw 1965; 1968 £4.00
2. **AEBI, von Bertha.** Untersuchungen uber Discomyceten aus der gruppe Tapesia – Trichobelonium. Illustrated with line drawings in the text, slim octavo, pp (63), paperback. [Cramer reprint from Nova Hedwigia XXIII, 1. Lehre 1972 £6.50
3. **AGARDH, J.G.** De Laminarieis symbolas offert. Square octavo, pp 36, stapled, bound in later plain brown covers, a little worn. Lunds Univ. Arsskrift. Tom.IV. [*The drop-head title has pasted to it a small blue paper – “Reverend M.J. Berkeley, auctore” – it is not clear if this is in Agardh’s hand, but it is a very nice association copy of a rare seminal work.*] 1868 £45.00
4. **AHMADJIAN, Vernon.** The Lichen Symbiosis. Illustrated with photographs, octavo, pp viii, 152, a small closed tear to pages 115/116, otherwise very clean internally, green cloth in very good condition, in a dustwrapper which is slightly worn and fraying. Waltham, Mass 1967 £20.00
5. **AINSWORTH, G.C.** Introduction to the History of Mycology. Illustrated, octavo, pp xii, 359, fore-edge very slightly age-toned, otherwise a very good copy in a sl worn dustwrapper. Cambridge 1976 £30.00
6. **AINSWORTH, G.C.** Ainsworth & Bisby’s Dictionary of the Fungi. Sixth edition, including the lichens. Small octavo, pp 661, a few illus, a very good copy in dustwrapper. Kew 1971 £5.00
7. **AINSWORTH, G.C.** - - another copy, poor dustwrapper.[Signature of S.M. Francis] 1971 £4.00
8. **AINSWORTH, G.C. & SAMPSON, Kathleen.** The British Smut Fungi (Ustilaginales). Illustrated with line drawings, large slim octavo, pp 137, slightly age-toned internally, blue cloth slightly marked. With the signatures of S.M. Francis and S. Mount. Kew 1950 £35.00
9. **AINSWORTH, G.C., SPARROW, Frederick K. & SUSSMAN, Alfred S.** The Fungi – an Advanced Treatise. Volume IVA – A Taxonomic Review with Keys : Ascomycetes and Fungi Imperfecti. Illustrated with photographs and line drawings, large octavo, pp xviii, 621, a very good copy. SCARCE New York and London 1973 £45.00
10. **AINSWORTH, G.C., SPARROW, Frederick K. & SUSSMAN, Alfred S.** The Fungi – an Advanced Treatise. Volume IVB – A Taxonomic Review with Keys : Basidiomycetes and Lower Fungi. Illustrated with photographs and line drawings, large octavo, pp xxii, 504, very clean internally, green cloth very slightly worn. New York & London 1973 £20.00
11. **AINSWORTH, G.C. & WATERHOUSE, Grace M.** British County Foray Lists (up to the end of 1986). Small slim octavo, pp (ii), 36, first and last page age-toned as usual, rather damp-wrinkled in places, paperback. 1989 £2.50
12. **AITCHISON, E.M. & HAWKESWORTH, D.L.** IMI : Retrospect and Prospect – a celebration of the achievements of the International Mycological Institute, 1920-92. Illustrated, slim octavo, pp viii, 164, pictorial boards, a very good copy. Wallingford 1983 £11.50
13. **ALEXOPOULOS, Constantine John.** Introductory Mycology. Illustrated with line drawings and photographs, octavo, pp xiv, 482, very good. [*One of the best works*] New York & London 1952 £15.00
14. **ALLEN, Bruce.** Main Mosses : Sphagnaceae – Timmiaceae. Well illustrated with line drawings throughout, large octavo, pp (8), 419, (i), the lower margins rather damp-wrinkled, green cloth with light staining. New York 2005 £45.00
15. **ALLEN, G.O.** British Stoneworts (Charophyta). Small slender octavo, pp 52, slight foxing at the rear blanks, otherwise extremely clean internally, cloth backed boards with only very slight signs of wear. A tiny ink initial on the front endpaper. Arbroath 1950 £7.50
16. **AMOS, W.B. & DUCKETT, J.G. (editors).** Prokaryotic and Eukaryotic Flagella. Illustrated, octavo, pp viii, 632, fore-edge very slightly marked, green cloth slightly marked and stained, the dustwrapper a little water-stained. [*Symposium XXXV of the Society for Experimental Biology*] Cambridge 1982 £10.00
17. **ANDERSEN, Anne Grethe (et al).** Den Danske Mosflora. Volume 1 – Bladmossier. Illustrated with line drawings, small octavo, pp 356, red soft cloth, a very good copy. Copenhagen 1976 £35.00
18. **ANTONIN, Vladimir & NOORDELOOS, Macheil E.** A Monograph of Marasmius, Collybia and Related Genera in Europe. Part 2 : Collybia, Gymnopus, Rhodocollybia, Crinpellis, Chaetocalanthus,

- and additions to Marasmiellus. Illustrated with 52 line drawings and 46 colour photographs, octavo, pp 256, paperback, a very good copy. [Libri Botanici Volume 17] Munchen 1997 £65.00
19. **ANTONIN, Vladimir & NOORDELOOS, Macheil E.** A Monograph of the Genera Hemimycene, Delicatula, Fayodia, Gamundia, Myxomphalia, Resinomycena, Rickenella and Xeromphalina (Tribus Mycenae sensu Singer, Mycena excluded). Illustrated with colour photographs and line drawings, octavo, pp 279. Pictorial cloth, a very good copy. Eching 2004 £65.00
 20. **APTROOT, Andre.** A Monograph of Didymosphaeria. Illustrated with a few line drawings and photographs, slim octavo, pp 160, very clean internally, paperback, covers showing very slight signs of wear. [Studies in Mycology Number 37] Baarn 1995 £45.00
 21. **APTROOT, Andre.** A Monograph of the Pyrenulaceae (Excluding Anthracothecium and Pyrenula) and the Requienellaceae, with Notes on the Pleomassariaceae, the Trypetheliaceae and Mycomicrothelia (Lichenized and Non-lichenized Ascomycetes). Illustrated with photomicrographs and line drawings, small slim octavo, pp 178, a very bright copy. Berlin & Stuttgart 1991 £50.00
 22. **APTROOT, Andre.** Systematic Studies on Pyrenocarpous Lichens and Related Fungi (Systematisch Onderzoek Aan Pyrenocarpe Korts mossen en Verwante Schimmels). Slim small octavo, pp 48, a very bright clean copy, paperback. SCARCE Heemskerk 1993 £25.00
 23. **APTROOT, Andre.** Korstmossentabel naar Veldkenmerken. Derde druk, 2e plage. Small slim octavo, illustrated, pp 39, paperback, a very good copy. SCARCE. Den Haag 1991 £10.00
 24. **APTROOT, Andre & VAN HERK, Kok.** Veldgids Korstmossen. Well illustrated with colour photographs, very clean internally, pictorial boards, a very good copy. Utrecht 1994 £12.50
 25. **ARENDHOLZ, Wolf-Rudiger.** Morphologisch-Taxonomische Untersuchungen an Blattbewohnenden Ascomyceten aus der Ordnung der Helotiales. Illustrated with 16 plates of photomicrographs, tall quarto, pp 115, paperback, signed by author on cover. [Dissertation for the University of Hamburg] Hamburg 1979 £6.50
 26. **ARESCHOUG, J.E.** Observationes Phycologicae. Particula Tertia – De Algis Nonnullis Scandinavicus et de Coniunctione Phaeo-Zoosporarum Dictyosiphonis Hippuroidis. Particula Quarta et Quinta – De Laminariaceis Nonnullis. With three plain litho plates, quarto, pp 36; 24; 16, uncut and partly unopened, the first part rather foxed, contemporary plain paper covers. Upsala 1875 – 1884 £25.00
 27. **ARNELL, Sigfrid.** Illustrated Moss Flora of Fennoscandia. Volume 1 – Hepaticae, Illustrated with a few line drawings in the text, a small folding map at the rear, a tiny tear to the title page otherwise an immaculate copy bound in blue cloth. [Signature of the Kew botanist Chris Townsend on the front endpaper]. Lund 1956 £30.00
 28. **ARNELL, Sigfrid.** Hepatics from Trista da Cunha. Illustrated with line drawings of simple outlines, slim large octavo, pp 75, partially unopened, paperback, a very good copy. [From the library of the botanist Eric Groves, with his stamp on both covers. Results of the Norwegian Scientific Expedition, 1937 – 1938.] Oslo 1958 £15.00
 29. **ARNOLDS, Eef.** De Stekelzwammen en Pruikzwammen van Nederland en Belgie. Illustrated with colour photographs, slim octavo, pp 96, paperback, a very good copy. [Coolia 46 (3), 2003 supplement]. {Dutch text with English summary and keys to genera and species}. £15.00
 30. **ARNOLDS, Eef.** Standaardlijst van Nederlandse Macrofungi. [together with Supplements 1 & 2]. Octavo, pp 362; 65; 163, paperbacks, very good bright copies. {Ted Batten's copies, with his striking family bookplate in the first volume.} 1984 – 1988 – 1992 £16.50
 31. **ARNOLDS, Eef.** Veranderingen in de Paddestoelenflora (Mycoflora). Illustrated with distribution maps, slim octavo, pp 101, paperback, a very good copy. [Wet. Meded. Kon. Nederl. Natuurhist. Ver., 167.] Hougwood 1985 £5.00
 32. **ARNOLDS, Eef & van OMMERING, G.** Bedreigde en kwetsbare paddestoelen in Nederland. Toelichting op de Rode Lijst. Illustrated with small colour photographs, octavo, pp 119, paperback, a good copy. Waageningen 1996 £8.50
 33. **ARNOLDS, Eef, KUYPER, Th. W.** Overzicht van de Paddestoelen in Nederland. + Supplement 1 – Index. + Supplement 2 Namenlijst. 3 volumes, quarto & octavo, pp 871; 88; 221, the fore-edge of the main volume a little marked, otherwise a very good set. den Haag 1995 – 1996 £30.00
 34. **Von ARX, J.A.** Über einige Ascomycetengattungen mit ungleich zweizelligen Sporen. Six line drawings in the text, pp (22), paperback, sl worn. [Separate from Ber. Schweizer. Bot. Gesell. 62.]

- Bern 1952 £2.50
35. **Von ARX, J.A. & MULLER, E.** A Re-evaluation of the Bitunicate Ascomycetes with Keys to Families and Genera. Illustrated with line drawings, octavo, pp 159, paperback, covers slightly faded, a signature on the upper cover, otherwise very good. Baarn 1975 £22.50
36. **Von ARX, J.A. & MULLER, E.** Keys to the Genera of Amerospored and Didymospored Pyrenomycetes. (Beitrage zur Kryptogamenflora der Schweiz). Translated by G.B. Butterfill, octavo, pp (2), 53, paperback, a good copy. [*Sheila Francis' copy, with a few neat pencil notes*].
RARE Kew 1969 £25.00
37. [**Von ARX, J.A.**]. Studies in Mycology Number 31 – Memorial Issue Dedicated to J.A. von Arx. Illustrated with photomicrographs and line drawings, octavo, pp 212, with the addendum slip loosely inserted, paperback, a very good copy. [*Compliments slip signed by one of the editors, Walter Gams. This was Sheila Francis' copy, who is credited in the book for her help.*] Baarn 1989 £35.00
38. **ASHWORTH, John Michael and DEE, Jennifer.** The Biology of Slime Moulds. Illustrated, slim octavo, pp 68, paperback, very slight signs of use. London 1975 £11.50
39. **AUGIER, J.** Flore des Bryophytes – morphologie, anatomie, biologie, ecologie, distribution, géographique. Illustrated with 79 black and white photographic plates, many small line drawings, octavo, pp 702, corners of cloth very slightly bruised, otherwise excellent. RARE. Paris 1966 £85.00
40. **AUGIER, J.** another copy, first few pages a little wrinkled, cloth very slightly worn, the spine a little age-toned. [From the library of the bryologist J.C. Gardiner, with his stamp on the front endpaper]. £70.00
41. **AWASTHI, Dharani Dhar.** Catalogue of the Lichens from India, Nepal, Pakistan and Ceylon. Octavo, pp 137, paperback, very slightly marked and worn. {Bookplate of Dr I.D. Pennie} Weinheim 1965 £10.00
42. **BADHAM, Charles David.** A Treatise on the Esculent Funguses of England, containing an account of their classical history, uses, character, development, structure, nutritious properties, modes of cooking and preserving etc. Illustrated with 12 hand coloured plates, octavo, pp xvi, 152, slightly weak internally, some foxing of the tissue guards but plates remain clean if slightly age-toned, original green cloth, gilt decoration on upper cover, a little worn and age-toned, joints a little worn, spine-head pulled, a contemporary signature on the front endpaper. [*From the library of the eminent food historian Alan Davidson, with his bookplate on the front endpaper.*] London 1863 £50.00
43. **BAGNALL, James E.** Handbook of Mosses (*Young Collector Series*). Illustrated with small line drawings in the text, pp viii, 98, small octavo, clean but slightly weak internally, soft cloth, slightly worn. London 1907 £7.50
44. **BALFOUR-BROWNE, Frances L.** Some Himalayan Fungi. A few small line drawings in the text, large slim octavo, pp (19), paperback, covers very slightly worn. (Bulletin of the British Museum (NH), Botany, Volume 1 number 7). SCARCE London 1955 £10.00
45. **BARAL, Otto & KRIEGELSTEINER, German J.** Bausteine zu Einer Askomyzeten-Flora der Bundesrepublik Deutschland: In Suddeutschland Gefundene Inoperculate Diskomyzeten, mit taxonomischen, okologischen, chorologischen Hinweisen und einer Farbtafel. Illustrated with distribution maps and one colour plate, octavo, pp 160, strongly bound in cloth. 1985 £25.00
46. **BARCLAY A.** On the Life History of Puccinia Coronata, var Himalayensis, and Puccinia jasminichrysopogonis. One litho plate, slender quarto, pp [16], unopened, paperback, a very good copy with the bookplate of the South London Botanical Institute. Linnean Society 1891 £12.00
47. **BARCLAY, A.** On the Life History of a Remarkable Uredine on Jasminum grandiflorum (Uromyces cunninghamianus nov. sp.]. With two plain litho plates, slender quarto, pp [11], unopened, paperback, a very good copy with the bookplate of the South London Botanical Institute. Linnean 1891 £15.00
48. **BARKMAN, J.J.** Phytosociology and Ecology of Cryptogamic Epiphytes. Illustrated, large octavo, pp xiv, 628, slightly used internally, red cloth slightly worn, the front hinge a little weak. + SUPPLEMENT containing extra tables, loose in a cloth folder. (I am not certain that all the tables are present). RARE. Assen 1958 £75.00
49. **BARNES, R.S.K. & HUGHES, R.N.** An Introduction to Marine Ecology. Second edition. Illustrated, octavo, pp x, 351, slightly worn, paperback. Oxford 1988 £5.00
50. **BARNETT, H.L.** Illustrated Genera of Imperfect Fungi. Well illustrated with simple line drawings, small quarto, pp (4), 225, slightly age-toned and a little used, ringbound paperback, a little worn.

- Minneapolis 1967 £15.00
51. **BARON, George.** Understanding Lichens. Illustrated with line drawings in the text and photographs, small octavo, pp iv, 92, paperback, a very good copy. SCARCE Slough 1999 £25.00
52. **BARON, George.** Understanding Lichens – a beginner's guide. Illustrated with line drawings in the text, quarto, pp 92, iv, ringbound paperback, covers age-toned, otherwise a good copy. SCARCE South London Botanical Institute 1999 £20.00
53. **BARTON, Ethel Sarel.** A Systematic and Structural Account of the Genus *Turbinaria*, Lamx. With two plain litho plates, slender quarto, pp [11], very clean internally, paperback, a very good copy with the bookplate of the South London Botanical Institute. Linnean Society 1891 £15.00
54. **De BARY, Anton.** Investigations of the Brand Fungi and the Diseases of Plants Caused by Them With Reference to Grain and Other Useful Plants. Illustrated, pp xxii, 93, the preliminary two pages loose, otherwise very good internally, paperback, covers very slightly worn. [*First publication in English of this important paper, originally published in Berlin in 1853. Sir John Burnett's copy, with his signature on the upper cover.*] {Phytopathological Classics Number 11} Wisconsin 1969 £20.00
55. **BAS, C. (et al).** Standaardlijst van Nederlandsche Paddestoelnamen. Octavo, pp 72, paperback, a very good copy. 1983 £5.00
56. **BASSI, Agostino.** Del Mal del Segno (translated by P.J. Yarrow). On the Mark Disease, Calcinaccio or Muscadine, a disease that affects silk worms and on the means of freezing therefrom even the most devastated breeding establishments. Originally published in Lodi, Italy, 1835. Portrait frontispiece, slim octavo, pp xvi, 50, original black cloth, a very good copy. {Phytopathological Classics 10} 1958 £30.00
57. **BATTERS, E.A.L. & MURRAY, John.** Hand-list of the Algae; The Clyde Sea Area, with map. Slim octavo, pp 25, one folding coloured map, good condition internally, the paperback covers chipped, the upper cover nearly detached. RARE. The Committee for the Exploration of the Marine Flora of Western Scotland. Not dated (1891) £15.00
58. **BAUDET, Angel Banares.** Hongos de los Pinares de Tamadaba (Gran Canaria). Illustrated with line drawings and colour photographs, octavo, pp 280, paperback, a very good copy. Tenerife 1988 £15.00
59. **BEEVER, Jessica; ALLISON, K.W. & CHILD, John.** Second edition. The Mosses of New Zealand. Illustrated with line drawings and a few photographs, large octavo, pp x, 214, slightly used internally, fore-edge a little marked & slightly bruised, paperback, covers very slightly worn. Dunedin 1992 £16.00
60. **BEITRAGE ZUR KENNTNIS DER PILZE MITTELEUROPAS.** Volumes V, VII, IX, XI, XII, XIII . Illustrated, octavo, paperbacks, very bright copies. 1989 – 2000 £35.00
61. **BELCHER, Hilary & SWALE, Erica.** An Illustrated Guide to River Phytoplankton. Illustrated with line drawings, small slim octavo, pp 64, paperback, very slightly worn. Cambridge 1979 £6.50
62. **BELCHER, Hilary & SWALE, Erica.** A Beginner's Guide to Freshwater Algae. Illustrated with line drawings, small slim octavo, pp 48, paperback, very slightly worn Cambridge 1970's £6.50
63. **BELLEMERE, Andre.** Contribution a l'Etude du Developpement de l'Apothecie chez les Disco-mycetes Inopercules. Illustrated with line drawings and scanning microscope images, large octavo, pp (538), very good, nicely bound in cloth. (Bulletin de la Société Mycologique de France 83) 1968 £15.00
64. **BENNETT, Alfred W. & MURRAY, George.** A Handbook of Cryptogamic Botany. Illustrated with line drawings in the text, octavo, pp viii, 473, a little age-toned, cloth a little worn, rubbed and knocked. Signature of Alexander Logan Murison on the title page. London 1889 £15.00
65. **BENNETT, F.T.** Outlines of Fungi and Plant Diseases, for students and practitioners of agriculture and horticulture. Illustrated, small octavo, pp xii, 254, slightly age-toned, green cloth, good. 1924 £3.00
66. **BENSON EVANS, K. (et al).** The Natural History of Slapton Ley Nature Reserve. 2 – Preliminary Studies on the Freshwater Algae. Small octavo, pp (26), paperback, covers very slightly worn. [*Contained in the complete issue of Field Studies, Volume 2 number 4.*] 1967 £2.75
67. **BENSON-EVANS, Kathryn & ANTOINE, Rachel.** A Guide to the Freshwater Brackish and Marine Algae of South Wales, UK. Well illustrated with line drawings, quarto, pp viii, 387, fore-edge very slightly marked, paperback a very good copy, virtually as new. Cardiff 1996 £16.50
68. **BERNICCHIA, Annarosa.** Polyporaceae s.l. [Fungi Europaei Volume 10]. Italian text. Very well illustrated with colour photographs and line drawings, large thick octavo, pp 808, very clean internally,

- pictorial cloth with the very slightest signs of use. Alassio 2005 £55.00
69. **BERTHIER, Jacques.** Monographie des Typhula Fr., Pistillaria Fr. et Genres Voisins. Illustrated with line drawings, large octavo, pp 213, paperback, a very good copy. [*Numero Special du Bulletin de la Societe Linneenne de Lyon.*] SCARCE 1976 £45.00
70. **BERKELEY, M.J.** British Fungi. Octavo, pp ii, 386, 32, xv, slight age-toning but otherwise very clean and sound internally, modern brown cloth with red label, a very good copy. [*This work is Volume 5 part II of Sir James Smith's 'The English Flora' OR Volume II of Sir William Hooker's 'British Flora'. This copy also contains the first title page to Berkeley's 'British Fungi : Dried Specimens !.*] London 1836 £40.00
71. **BERKELEY, M.J.** Introduction to Cryptogamic Botany. Illustrated with small line drawings in the text, octavo, pp x, 604, very clean internally, original cloth, re-backed with old spine laid down, new end-papers. A very good copy indeed. London 1857 £45.00
72. **BERKELEY, M.J.** Introduction to Cryptogamic Botany. Illustrated with small line drawings in the text, octavo, pp x, 604, age-toned, rather weak internally, publisher's catalogue bound in at the front (becoming detached), original cloth a bit worn and marked, spine head torn. London 1857 £20.00
73. **BERKELEY, M.J.** Handbook of British Mosses, comprising all that are known to be natives of the British Isles. Illustrated with 1 plain and 23 hand-coloured plates, octavo, pp xxxvi, 324, becoming loose throughout, cloth slightly worn and bleached, the spine pulled at head and tail, the upper joint splitting at the top. [*With the tiny book label of the bryologist Robert Clayton-Browne. The plates are excellent and very clean*] 1863 £28.50
74. **BERKELEY, M.J.** Outlines of British Fungology; containing characters of above a thousand species of fungi, and a complete list of all that have been described as natives of the British Isles. Illustrated with 1 plain and 23 hand-coloured plates, octavo, pp xviii, 442, + 16 page publisher's catalogue, very clean internally, plain green cloth (possibly not original), the spine slightly pulled at head and tail, otherwise a very bright copy. London 1860 £75.00
75. **BERKELEY, M.J. & BROOME, C.E.** List of Fungi from Queensland and other parts of Australia, with descriptions of new species – Part III. With one litho plate, slender quarto, pp [7], very clean internally, paperback, covers detached but otherwise good, with the bookplate of the South London Botanical Institute. Linnean Society 1887 £8.50
76. **BERKELEY, M.J. & SMITH, Worthington G.** Outlines of British Fungology; containing characters of above a thousand species of fungi, and a complete list of all that have been described as natives of the British Isles. Illustrated with 1 plain and 23 hand-coloured plates, octavo, pp xviii, 442, the frontispiece a bit loose, otherwise a very bright copy in green publishers' cloth. TOGETHER WITH Supplement. Octavo, pp xii, 386 + 18 page publisher's catalogue, pages slightly age-toned, very small owner's pencil notes, original brown cloth, very slightly worn. London 1860 – 1891 £125.00
77. **BERKELEY, M.J.** Observations Botanical and Physiological on the Potato Murrain. Together with Selections from Berkeley's Vegetable Pathology. {*Originally published 1846.*} Illustrated with a portrait frontispiece and five plates, octavo, pp 108, paperback, a very good copy. [*Phytopathological Classics Number 8. Sir John Burnett's copy, with his signature on the upper cover.*] Michigan 1948 £30.00
78. **BEYER, Wolfgang.** Pilzflora von Bayreuth und Umgebung. Illustrated with plates of line drawings and colour photographs, large octavo, pp 288, paperback, very slightly worn. Eching 1992 £45.00
79. **BIBLIOGRAPHY OF SYSTEMATIC MYCOLOGY, Compiled from World Literature.** The issues for 1947 to 1970, neatly bound in three volumes, cloth; then a jump to Volume 6 in 10 parts, Volume 7 parts 1 – 3; Volume 9 parts 5 – 10; Volume 11 parts 4 -7. A broken run in good condition. £50.00
80. **BIELCZYK, Urszula (et al).** Atlas of the Geographical Distribution of Lichens in Poland, PART 4. . Illustrated with distribution maps, slim quarto, pp 112, very clean internally, paperback, covers very slightly worn and curled. Krakow 2004 £10.00
81. **BINSTEAD, Charles Herbert.** Mosses of Herefordshire. Small slim octavo, pp 34, paperback, a very bright copy. SCARCE. [*From the library of the botanist Eric Groves, with his stamp on both covers; inscribed "from the writer" on the title page.*] Hereford 1940 £10.00
82. **BLACKWELL, E.; MANTLE, R.J. & PREECE, T.F.** A Checklist of Fungi for the County (Shropshire). Tall quarto, pp 71, paperback, lower cover and last two pages with a corner fold, otherwise a very good copy. 1997 £10.00
83. **BLAKESLEE, Albert Francis.** Sexual Reproduction in the Mucorineae. Illustrated with 4 plates,

- octavo, pp (114), disbound and slightly worn. [*Contributions from the Cryptogamic Laboratory of Harvard University – LVIII*] 1904 £6.50
84. **BLOCKEEL, T.L. & LONG, D.G.** A Check-list and Census Catalogue of British and Irish Bryophytes. Octavo, pp 208, slightly used throughout, fore-edge thumbled, paperback, covers a little creased. [*Initials of DH on the title page.*] Cardiff 1998 £7.00
85. **BODDY, L.; WATLING, R. & LYON, A.J.E.** Fungi and Ecological Disturbance. Large octavo, pp xii, 188, paperback, a very good clean copy. [*Royal Society of Edinburgh, Proceedings Section B, Volume 94.*] 1988 £25.00
86. **BOISTEL, A.** Nouvelle Flore des Lichens, pour la determination facile des especes. Illustrated with over 1000 tiny drawings within the text, 12mo, pp xlvi, 164, age-toned, neatly bound in red cloth. [*With the signature of Eileen Sparshott.*] Paris, not dated (c.1900 ?) £7.50
87. **BOLETS DE CATALUNYA.** VI Col·leccio. 50 colour photographic plates in a card folder, very good. (*Catala-Castella text*). Societat Catalana de Micologia 1987 £10.00
88. **BON, Marcel.** The Mushrooms and Toadstools of Britain and North-western Europe. Well illustrated with colour plates from watercolours, 12mo, pp 352, very clean internally, paperback, covers slightly age-toned. SCARCE London 1987 £45.00
89. **BON, Marcel.** The Mushrooms and Toadstools of Britain and North-western Europe. Well illustrated with colour plates from watercolours, 12mo, pp 352, very clean internally, hardback in pictorial boards, the spine slightly age-toned, otherwise virtually as new. SCARCE London 1987 £60.00
90. **BON, Marcel.** Flore Heliophile des Macromycetes de la Zone Maritime Picarde. Illustrated with 4 colour plates and a few line drawings in the text, octavo, pp (134),(4), very clean internally, paperback, a very good copy. [*A doctoral thesis. Offprint from Bulletin de la Societe Mycologique de France, tome LXXXVI numero 1.*] SCARCE 1970 £30.00
91. **BORRER, W; BABINGTON, C.C.; BERKELEY, M.J. & WILSON, W.** Supplement to English Botany, Volume IV parts 72, 73, 75 & 76. Slim octavo, with 15 hand-coloured plates by J.W. Salter, [includes several mosses and lichens], and text, uncut in original blue paper covers, sewn. [*It is uncommon to find original parts of Sowerby's botany.*] London [1848-1849 ?] £20.00
92. **BOSE, S.R.** Polyporaceae of Bengal, Part XI. Illustrated with 4 plates, octavo, pp (34), paperback, covers slightly worn. [Contained in the complete issue of Calcutta University Journal of the Department of Science, New Series Volume II number 1.] 1946 £4.00
93. **BOUDIER, Emile.** Histoire et Classification des Discomycetes d'Europe. (1907). Facsimile reprint. Octavo, pp viii, 232, very clean internally, cloth very slightly worn. Dehra Dun 1984 £20.00
94. **BOULY DE LESDAIN, M.** Ecologie (phanerogames – mousses – lichens) de Quelques Sites de Paris. Large slim octavo, pp 88, age-toned, paperback, covers very slightly worn. Paris 1948 £6.50
95. **BOURDOT, H. & GALZIN, A.** Hymenomycetes de France. First edition. A few small text illustrations, quarto, pp iv, 761, age-toned, hinge at page 280/281 weak, front hinge cracking a little, grey cloth slightly worn, the spine frayed at the head, wrinkled. [*Sheila Francis' copy with her signature on the front endpaper.*] Sceaux 1927 £35.00
96. **BOURDOT, H. & GALZIN, A.** Hymenomycetes de France. A few small text illustrations, small quarto, pp vi, 761, edges uncut, a very bright paperback copy of the Cramer reprint. Lehre 1969 £45.00
97. **BOURELLY, P.** Les Algues d'Eau Douces – Algues Jaunes et Brunes; Algues Bleues et Rouges; Algues Vertes. Three volumes, well illustrated with plates, line drawings and some photographic, large octavo, pp 438; 512; 511; exceptionally clean internally, brown, blue and green cloth in very good condition. [*From the library of the marine botanist Dr Mary Parke, with signed presentation message from the author in two volumes. The third volume is signed by Mary Parke, with an inscription to John C. Green*] Paris 1966; 1968; 1970 £250.00
98. **BOURELLY, P.** Recherches sur les Chrysophycees – Morphologie, Phylogenie, Systematique. Illustrated with 11 plates of line drawings, several text drawings, large octavo, pp 409, slightly used and age-toned internally, with dog-eared corners, the original paper covers were very worn and have been sealed to a stiff card binding, however this is now firm but very age-toned. RARE. [*A thesis for the Doctorate of Science from l'Universite de Paris. From the library of the marine botanist Dr Mary Parke, with her signature and some neat manuscript notes throughout.*] [Paris 1957] £50.00

99. **BRAITHWAITE, R.** The Sphagnaceae or Peat-Mosses of Europe and North America. Illustrated with 29 plain lithographic plates, large octavo, pp (4), 92, a little age-toned, slightly weak internally, green cloth, slightly faded but overall a good sound copy. London 1880 £25.00
100. **BRAITHWAITE, R.** The British Moss-Flora. Three volumes. Small quarto, illustrated with 128 plain lithographic plates, pp xi, 287; 255; 274, a small stain to the fore-edge of volume 3 which very slightly affects the margins of a few plates, otherwise this is an exceptionally fine clean set in the original green cloth. [*Possibly a late issue ? The plates are printed on much brighter paper than the text*]. 1887-1905 £85.00
101. **BRAITHWAITE, R.** The British Moss-Flora. Bound in five volumes. Small quarto, illustrated with 128 plain lithographic plates, the text is in three volumes, interleaved with blanks, the plates are bound together in two volumes, dark maroon half calf bound by Wood of London, top edges gilt, marbled endpapers, a little rubbed and very slightly worn. [*An early issue, as the title pages in the text volumes all show "Published by the Author" as the imprint.*] [1887-1905] £120.00
102. **BRAMLEY, W.G.** A Fungus Flora of Yorkshire. Portrait frontispiece but no other illustrations, small octavo, pp xii, 277, red cloth, a very hood copy in dustwrapper. 1985 £10.00
103. **BREITENBACH, J. & KRANZLIN, F.** Fungi of Switzerland: A Contribution to the Knowledge of the Fungal Flora of Switzerland. A complete set of six volumes. Very well illustrated, quarto, very clean internally, pictorial boards with slight signs of use in general. Additionally the lower edges of the binding are shelf-rubbed, the upper cover of Volume 6 is scuffed, and the spine-head of Volume 2 is pulled. Lucerne 1984-2005 £750.00
104. **BREITENBACH, J. & KRANZLIN, F.** Pilze der Schweiz. Band 1 – Ascomyceten. Very well illustrated, quarto, pp 313, very clean internally, pictorial boards, the spine-head very slightly worn. Luzerne 1981 £60.00
105. **BRIGHTMAN, Frank H. & NICHOLSON, B.E.** The Oxford Book of Flowerless Plants. Well illustrated, large octavo, pp viii, 208, signature of front endpaper but a good copy in dustwrapper. 1974 or 79 £7.50
106. **BRITISH BRYOLOGICAL SOCIETY.** Transactions. Volumes 1 – 6 (the first five volumes being clothbound). 1947 – 1971. *CONTINUED AS* Journal of Bryology Volumes 7 – 19 part 2 complete. 1972-1996. In parts, as issued, good condition. [*Please note – it will probably not be possible to send these overseas*] £150.00
107. **BRITISH BRYOLOGICAL SOCIETY.** Bulletins 28 – 81 (lacking two parts – 30 and 33. Small octavo, paperbacks, good condition. 1976 – 2003 £25.00
108. **BRITISH BRYOLOGICAL SOCIETY.** Bulletins. We have available various spare copies, between 1982 and 1996. Please enquire.
109. **BRITISH CHECK LISTS.** A volume with this title, containing WAKEFIELD'S List of Hyphomycetes. BISBY & MASON List of Pyrenomycetes. RAMSBOTTOM List of Discomycetes. With several other short papers, bound together, green cloth slightly worn. [*Sheila Francis' copy, with some underlining*] 1941 – 1951 £10.00
110. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 2 – Coprinaceae: Coprinus.** Illustrated with line drawings, octavo, pp 149, paperback, a very good new copy. 1979 £12.50
111. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 3 - Bolbitiaceae: Agrocybe, Bolbitius & Conocybe.** Illustrated with line drawings, octavo, pp 139, paperback, a very good copy. 1982 £12.50
112. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 4 - Pluteaceae: Pluteus & Volvariella.** Illustrated with line drawings, octavo, pp 99, paperback, a very good new copy. 1986 £12.50
113. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 5 - Strophariaceae & Coprinaceae p.p. - Hypholoma, Mekanotus, Psilocybe, Stropharia, Lacrymaria & Panaeolus.** Illustrated with line drawings, octavo, pp 121, paperback, a very good new copy. 1987 £12.50
114. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 6 : Crepitodaceae, Pleurotaceae and other pleurotiod agarics.** A few line drawings, octavo, pp 157, paperback, a very good new copy. 1989 £12.50
115. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 7 - Cortinariaceae p.p. : Galerina, Gymnopilus, Leucocortinarius, Phaeocollybia, Phaeogalera, Phaeolepiota, Phaeomarasmius, Pleuroflammula, Rozitea & Stagnicola.** Illustrated with line drawings, octavo, pp 131, paperback, a

- very good new copy. 1993 £12.50
116. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 8 - Cantharellaceae, Gomphaceae and Amyloid-Spored and Xeruloid Members of Tricholomataceae (excl. Mycena).** A few line drawings, octavo, pp iv, 189, paperback, a very good new copy. 1998 £12.50
117. **BRITISH FUNGUS FLORA [AGARICS AND BOLETI]. Part 9 : Russulaceae : Lactarius.** A few line drawings, octavo, pp iv, 203, paperback, a very good new copy. 2005 £12.50
118. **BRITISH MYCOLOGICAL SOCIETY.** Bulletins Volume 9 parts 1 & 2, Volume 12 parts 1 & 2 and Volume 13 parts 1 & 2. Paperbacks, good condition. 1975, 1978, 1979 £7.50
119. **BROAD, K.** Lichens in Southern England. Illustrated with colour photographs and line drawings, large horizontal slim octavo, pp 48, paperback, very good. SCARCE London 1989 £15.00
120. **van den BROEKE, Emmy Macelova & SKOPAL, Josef.** Tsjechisch-Nederlands Woordenboek: Cesko-nizozemsky slovník. Large octavo, pp 476, a leaf of errata loosely inserted, very clean internally, brown decorated cloth in very good condition, in a very good dustwrapper. [*A Dutch/Czech dictionary of technical and scientific words.*] Prague 1990 £25.00
121. **BROOKE, A.J.; KUFFERATH, H.; ROSS, R. & SIMS, Patricia A.** A Bibliography of African Freshwater Algae. Not illustrated, slim octavo, pp [31], stapled, unbound, a good copy. Extracted from La Revue Algologique number 4. [*From the library of the botanist Eric Groves, with his stamp on the half-title.*] [Paris?] 1957 £6.00
122. **BROOKE, A.J. & WILLIAMSON, D.B.** A Check-list of Desmids of the British Isles. Small slim octavo, pp 40, paperback, a very good clean copy. Ambleside 1991 £10.00
123. **BRUCHET, G.** Contribution a l'Etude du Genre Hebeloma (Fr.) Kummer; Partie Speciale. Illustrated with line drawings, octavo, pp 132, paperback, a very good copy. SCARCE. [*Ted Batten's copy, with his signature on the title page.*] Bulletin Mensuel de la Societe Linneenne de Lyon. 1970 £20.00
124. **van BRUMMELEN, J.** A World-monograph of the Genus Pseudombrophila (Pezizales, Ascomycotina). Well illustrated with 4 colour plates, microscopic plates and line drawings, octavo, pp 96, paperback, a very good copy. [*Presentation copy from the author to Sheila Francis*] Munchen 1995 £40.00
125. **van BRUMMELEN, J.** A World-monograph of the Genus Pseudombrophila (Pezizales, Ascomycotina). Well illustrated with 4 colour plates, microscopic plates and line drawings, octavo, pp 96, paperback, a very good copy. [*With postcard from the author to Sheila Francis.*] Munchen 1991 £38.00
126. **van BRUMMELEN, J.** A World-monograph of the Genera Ascobolus and Saccobolus (Ascomycetes, Pezizales). Illustrated with 17 plates (one folding), line drawings in the text, large octavo, pp 260, very clean internally, paperback, covers slightly worn & torn, the spine creased. [*Persoonia Supplement 1*]. RARE Leiden 1967 £50.00
127. **van BRUMMELEN, J.** A World-monograph of the Genera Ascobolus and Saccobolus (Ascomycetes, Pezizales). Illustrated with 17 plates (one folding), line drawings in the text, large octavo, pp 260, very clean internally, brown cloth, a superb copy. [*Persoonia Supplement 1*]. {*Ted Batten's copy, with his signature on the half-title.*} RARE Leiden 1967 £65.00
128. **BUCHWALD, N.F. & HESTEHAVE, R.** Hagerups Svampetavler I – Spiselige Svampe. Comprises a very impressive large folding coloured plate showing 38 species, with brief text. Paper covers, slightly worn. [*With presentation inscription from the first author to John Ramsbottom*] Copenhagen 1946 £30.00
129. **BUCKNALL, Cedric.** The Fungi of the Bristol District. Illustrated with 4 coloured litho plates, (slightly creased), 11 plain plates, small octavo, pp (98), 55, green cloth, the spine slightly faded. VERY SCARCE. [*Reprinted from Bristol Naturalists' Society Proceedings. From the library of Sheila Francis, with the signature on the front endpaper and also that of the botanist W.R. Ivimey Cook.*] Bristol 1878-1890 £40.00
130. **BUZACKI, Stefan.** Fungi of Britain and Europe. Well illustrated in colour throughout, small octavo, pp 320, hardback, a very good copy. London 1989 £15.00
131. **BUZACKI, Stefan.** Fungi of Britain and Europe. Well illustrated in colour throughout, small octavo, pp 320, paperback, a very good copy. London 1989 £4.00
132. **BULLER, A.H. Reginald.** Researches on Fungi, Volume III – The Production and Liberation of Spores in Hymenomycetes and Uredineae. Illustrated, large octavo, pp xii, 611, very clean internally, green cloth, binding leaning slightly, but a good copy. [*A duplicate from the Royal Horticultural Society Lindley Library with their label on the front endpaper and a stamp on the title page.*] 1924 £35.00

133. **BULLER, A.H. Reginald.** Researches on Fungi, Volume IV – Further Observations on the Coprini together with some investigations on social organization and sex in the Hymenomycetes. Illustrated, large octavo, pp xiv, 329, very clean internally, green cloth, binding leaning slightly, but a good copy in a very poor dustwrapper. [A duplicate from the Royal Horticultural Society Lindley Library with their label on the front endpaper and a stamp on the title page.] 1931 £35.00
134. **BULLETIN OF THE BRITISH MYCOLOGICAL SOCIETY.** Volumes 1-20, continued as The Mycologist, Volumes 1-7. A good run in parts as issued, good condition. [Preceded by the Newsletter numbers 11-26]. 1958 – 1993 £30.00
135. **BULLETIN TRIMESTRIAL DE LA FEDERATION MYCOLOGIQUE DAUPHINE-SAVOIE.** Numbers 100 – 162, small octavo, in parts as issued. 1986 – 2001 £35.00
136. **BURGEFF, H.** Genetische Studien an Marchantia – einfuehrung einer neuen pflanzenfamilie in diw genetische wissenschaft. Illustrated with many text illustrations, large octavo, pp viii, 296, edges untrimmed, very clean internally, paperback, covers slightly worn and frayed. [From the library of Sir John Burnett, with his signature on the upper cover.] Jena 1943 £8.50
137. **BURKE, Antje (et al).** Let's Look at Seaweeds. Illustrated, small slim octavo, pp 98, paperback, a very good copy. Swakopmund, Namibia 1995 £7.50
138. **CALONGE, Francisco de Diego.** Setas de Madrid (y alrededores) – 2. Gasteromycetes. Very well illus, pp 159, horizontal octavo, paperback, a very good copy. Madrid 1999 £25.00
139. **CAMPBELL, Douglas Houghton.** The Structure and Development of Mosses and Ferns. Third edition, revised and enlarged. Octavo, illustrated with line drawings and diagrams, pp x, 708, a few neat manuscript marginal notes, otherwise a good hardback copy. New York & London 1918 £27.50
140. **CANNON, P.F.** A Revision of Phyllachora and Some Similar Genera of the Host Family Leguminosae. Illustrated with line drawings and photomicrographs, large octavo, pp vi, 302, paperback, a very bright copy. SCARCE C-A-B- International, Wallingford 1991 £35.00
141. **CANNON, P.F.; HAWKSWORTH, D.L. & SHERWOOD-PIKE, M.A.** The British Ascomycotina – an annotated checklist. Large octavo, pp viii, 302, a very good copy in a slightly worn and torn dust-wrapper. Farnham Royal 1985 £35.00
142. **CAPPELLI, A.** Agaricus (Psalliota Fr.) [Fungi Europaei Volume 1]. Illustrate with 70 colour plates, large thick octavo, pp 558, very clean internally, pictorial boards, a very good copy. Saronno 1984 £50.00
143. **CARPENTER, Steven E.** Monograph of Crocicreas (Ascomycetes, Helotiales, Leotiaceae). Illustrated with a few line drawings, large octavo, pp 290, smartly bound in cloth, the original paperback covers bound in. [Memoirs of the New York Botanical Garden, Volume 33] 1981 £35.00
144. **CARTER, J.R. (& McLAUGHLIN).** Fossil Freshwater Diatomaceous Earth from the Gordon Road site (conclusion). Observations on the Diatom Pinnularia acoricola Hustedt. Two short articles contained in Microscopy: The Journal of the Quekett Microscopical Club Vol 32 part 5. 1972 £1.50
145. **CARTWRIGHT, K.St.G. & FINDLAY, W.P.K.** Decay of Timber and Its Prevention. Illustrated, large octavo, pp vi, 294, clean internally, green cloth spine slightly wrinkled. Sheila Francis' copy, with her signature on the front endpaper. 1946 £6.50
146. **CARTWRIGHT, K.St. G. & FINDLAY, W.P.K.** Decay of Timber and Its Prevention. Illustrated, large octavo, pp vi, 294, the hinge after the title page badly cracked, green cloth slightly worn. [David Hawksworth's copy with his blind stamp on the title page.] 1948 £3.00
147. **CARY, Lewis R.** Studies on the Coral Reefs of Tutuila, American Samoa, with special reference to the Alcyonaria. Illustrated with seven photographic plates, a folding map, and several text figures, quarto, pp [44], rather creased throughout, paperback, the covers slightly worn. Papers From Tortugas Laboratory of Carnegie Institution Vol XXVII num III. [Presentation copy to the marine biologist and broadcaster Geoffrey Tandy, signed by author.] Washington 1931 £15.00
148. **CASAS DE PUIG, C. (et al).** Notulae Bryologicae parts I – XX (in 4 volumes). A few illustrations, small slim octavo, paperbacks, very clean. [Acta Phytotaxonomica Barcinonensia Volumes 6, 10, 15 & 21]. Barcelona 1970 – 1976 £15.00
149. **CARDONA, M. Angeles.** Observaciones, Sobre Dinamica de Algunas Comunidades de la Serie Evolutiva del Encinar. Slim octavo, pp 15, paperback, a very good copy. [Acta Geobotanica

- Barcinonensia Volume 7* Barcelona 1973 £3.50
150. **CASPER, S. Jost.** Grundzuge eines natuerlichen Systems der Mikroorganismen. Illustrated with line drawings, large octavo, pp 232, upper corners slightly bruised, with two folding charts loosely inserted, very clean internally, paperback. Jena 1974 £5.00
151. **CAVERS, Frank.** The Inter-Relationships of the Bryophyta. Illustrated with line drawings, octavo, pp viii, 203, clean internally, red cloth marked on the upper cover, a little worn. *[From the library of the bryologist J.C. Gardiner, with his stamp on the front endpaper].* Cambridge at the Botany School 1911 £20.00
152. **CHADEFAUD, M.** Traite de Botanique Systematique. Tome 1 – Les Vegetaux non Vasculaires (Cryptogamie). Illustrated with many line drawings, very large thick octavo, pp xvi, 1018, front and rear hinges a little weak, otherwise very clean internally, red cloth slightly bumped at the corners, the spine and parts of the covers faded. VERY SCARCE Paris 1960 £85.00
153. **CHAMBERLAIN, Yvonne M.** Marine Algae of Gough Island. Illustrated with 4 black and white photographic plates and several small line drawings in the text, large octavo, pp (57), paperback, a very good copy. *[Initialed by the author on the upper cover.]* London 1965 £10.00
154. **CHAMPION, C.L. & PINTO, L. Sanchez.** Catalogo Preliminar de los Liquenes de las Islas Canarias. Large slim octavo, pp 38, paperback, a very good copy. Santa Cruz (n.d. – c.1980?) £10.00
155. **CHAPMAN, V.J.** The Algae. Illustrated with line drawings, octavo, pp viii, 472, dustwrapper, a very good copy indeed. London 1962 £15.00
156. **CHAPMAN, V.J.** Seaweeds and Their Uses. Second edition. Illustrated, large octavo, pp xiv, 304, slightly marked internally, an ex-library copy with stamp on both sides of the title page, lacking the front endpaper, green cloth very good, in a torn and slightly worn dustwrapper. London 1970 £10.00
157. **CHAPMAN, V.J.** The Marine Algae of New Zealand. Illustrated with 26 photographic plates of herbarium specimens, large octavo, pp (168), paperback, covers slightly worn and faded, otherwise a good copy. *[Journal of the Linnean Society, Botany, Volume LV number 360]* 1956 £20.00
158. **CHOISY, Maurice.** Catalogue des Lichens de la Region Lyonnaise (*Classification Phyletique*). Large octavo, pp 184, uncut and unopened, age-toned but otherwise very good, paperback. Paris 1954 £25.00
159. **CHRETIENNOT-DINET, Marie-Josephe.** Atlas du Phytoplancton Marin, Volume 3 : Chlorarachnio-phycees, Chlorophycees, Chrysophycees, Cryptophycees, Euglenophycees, Eustigmatophycees, Prasinophycees, Prymnesiophycees, Rhodophycees, Tribophycees. Illustrated, quarto, pp 261, paperback, a very good copy. VERY SCARCE Paris 1990 £125.00
160. **CHRISTENSEN, Tyge.** Systematik Botanik nr 2 – Alger. First edition, illustrated, pp 178, paperback in poor covers, a very worn working cop only. Copenhagen 1962 £4.00
161. **CHRISTENSEN, Tyge.** Systematik Botanik nr 2 – Alger. Second edition, illustrated, pp 180, paperback, the covers have been permanently sealed in plastic, otherwise a good copy. 1966 £15.00
162. **CHRISTENSEN, Tyge.** Algae – a Taxonomic Survey. Two volumes, octavo, pp (2), 472, very clean, paperback, very good. *[From the library of the marine botanist Dr Mary Parke, with her signature on the front endpaper.]* Odense 1980 – 1994 £50.00
163. **CLARK, M.C.** A Fungus Flora of Warwickshire. Large octavo, pp (6), 272, paperback, covers slightly worn and faded. London 1980 £4.50
164. **CLARK, M.C.** A Fungus Flora of Warwickshire. Large octavo, pp (6), 272, paperback, covers slightly more worn and faded. London 1980 £4.00
165. **CLARK, M.C.** A Fungus Flora of Warwickshire. Large octavo, pp (6), 272, paperback, covers slightly worn and faded. *[Compliments slip from author on front endpaper and Ted Batten's ownership stamp on title page]* London 1980 £6.00
166. **CLARK, Malcolm C.** Non-lichenized Discomycetes Recorded in Britain in Recent Years. Small octavo, pp (32), paperback, very good. *[Reprinted from Bull. Br. Myc. Soc. Vol 14]* 1980 £3.50
167. **CLARKE, G.C.S.** Type Specimens in Manchester Museum Herbarium : Musci. Not illustrated, slender quarto, pp 20, paperback, very good. *[From the library of the botanist Eric Groves, with his stamp on both covers.]* Manchester 1973 £10.00
168. **CLARKE, G.C.S. & DUCKETT, J.G. (editors).** Bryophyte Systematics. A few illustrations, large octavo, pp xii, 582, errata slip pasted to front, extremely clean and bright internally, green cloth in

- excellent condition, the dustwrapper is just worn. Systematics Association 1979 £30.00
169. **CLARKE, Louisa Lane.** The Common Seaweeds of the British Coast and Channel Islands, with some insight into the microscopic beauties of their structure and fructification. Illustrated with 10 tinted plates, 12mo, pp 140, slightly used internally, a signature and date opposite the half-title, original blue beveled cloth, gilt decorated, a little dull and worn, a tear to the spine-head. London (1865?) £30.00
170. **CLEGG, C.J.** Lower Plants – anatomy and activities of non-flowering plants and their allies. Well illustrated, quarto, pp 96, a school stamp on the title page, otherwise a very good copy. 1984 £7.50
171. **CMI.** Descriptions of Pathogenic Fungi and Bacteria, Sets 1 – 80. Large slender octavo, 10 loose plates in each folders, (so a total of 800 plain plates). Paperback, very good. A rare set of all the earlier issues. Kew 1983 – 1984 £125.00
172. **CMI.** Plant Pathologist's Pocketbook. 12mo, pp (4), 267, green cloth, good copy. [*With the name and address of the pathologist D.A. Benigno at the front, and also the bookplate of Alan Titchmarsh*] 1968 £3.50
173. **CONRAD, Walter & KUFFERATH, Hubert.** Recherches sur les Eaux Saumâtres des Environs de Lilloo. Part II – Partie Descriptive, Algues et Protistes – Considerations Ecologiques. Illustrated with 14 plates and 27 charts, large quarto, pp 346, rather dog-eared, paperback, the edges very worn and frayed, the spine creased and wrinkled. Bruxelles 1954 £20.00
174. **CONSTANTINESCU, O.** An Annotated List of Peronospora Names. Small octavo, pp 110, paperback, a very good copy. [*Sheila Francis' copy, with her name on the cover*]. Uppsala 1991 £15.00
175. **COOKE, M.C.** A Plain and Easy Account of British Fungi, with especial reference to the esculent and economic species. Sixth edition, revised. Illustrated with 20 colour plates, small octavo, pp viii, 166, slightly age-toned, the upper corner a little bumped throughout, front and rear hinges cracking but sound, brown decorated cloth, a little bruised and rubbed. London 1898 £25.00
176. **COOKE, M.C.** Rust, Smut, Mildew & Mould – An Introduction to the Study of Microscopic Fungi. Fifth edition, revised and enlarged, 12mo, pp (4), 262, illustrated with 16 coloured or tinted plates, a little foxing and browning throughout, endpapers slightly discoloured, brown decorated cloth, slightly rubbed. London 1886 £30.00
177. **COOKE, M.C.** Edible and Poisonous Mushrooms: what to eat and what to avoid. Illustrated with 16 colour plates. Small octavo, pp 126, a signature on the front endpaper, otherwise clean and sound internally, pictorial decorated cloth, very slightly worn. SCARCE London 1894 £50.00
178. **COOKE, M.C.** Fungoid Pests of Cultivated Plants. Illustrated with 24 coloured plates, large octavo, pp 278, a clean ex-library copy from Royal College of Science with stamp and numbers on the title page but otherwise very clean, half calf rubbed and faded. [*Reprinted from the Journal of the Royal Horticultural Society, Volumes XXVII – XXIX*]. London 1906 £10.00
179. **COOKE, M.C.** Handbook of the British Hepaticae, containing descriptions and figures of the indigenous species of Marchantia, Jungermannia, Riccia and Anthoceros. Illustrated with 7 plates of outline drawings and many tiny text figures, small octavo, pp viii, 310, very clean internally, green cloth in very good condition. Edinburgh 1907 £7.50
180. **COOKE, M.C.** Handbook of British Fungi, with full descriptions of all the species, and illustrations of the genera. Two volumes bound in one, with one coloured plate, several tinted outline plates and many small text figures, pp (2), 981, marbled edges, bound in a recent green cloth. [*Sheila Francis' copy, with her maiden name signature, Sheila Mount, on the front blank*] London 1871 £125.00
181. **COOKE, M.C.** Handbook of British Fungi – Volume 1 only. Octavo, pp (2), 488, a very poor ex-library copy, loose in covers. A working copy only. London 1871 £4.00
182. **COOKE, M.C.** Introduction to the Study of Fungi : their organography, classification and distribution, for the use of collectors. Illustrated with many small text figures, large octavo, pp x, 360, untrimmed, front hinge cracking slightly but no weakness, a neat contemporary signature and date on the title page, green cloth very slightly worn, spine faded. 1895 £10.00
183. **COOKE, M.C.** Catalogue and Field-Book of British Basidiomycetes up to and inclusive of the year 1908. Very tall upright octavo, c. 100 pages, printed one side only, disbound and very weak. [*Still a very desirable copy, extensively annotated by an obviously highly accomplished botanist; sadly I have not identified the owner.*] £15.00
184. **COOKE, M.C.** Freaks and Marvels of Plant Life; or, Curiosities of Vegetation. Illustrated with line drawings in the text, small octavo, pp viii, 463, very clean internally, green decorated cloth, slightly

- worn, the spine slightly frayed at head and foot. London n.d. (c.1890 ?) £20.00
185. **COOKE, M.C.** Hardwicke's Science-Gossip Easy Guide to the British Hepaticae: or, scale-mosses, liverworts and crystalworts with figures and descriptions of every species. Illustrated with small line drawings in the text, large slim octavo, pp 28, poor condition with every page detached, worn, browned and frayed at the margins. SCARCE. Not dated (c.1866 ?) £10.00
186. **COOL, Cath. & VAN DER LEK, H.A.A.** Paddestoelenboek. Derde druk. 279. **ERWIN, D.C.; Bartnicki-Garcia, S. & Tsao, P.H. (eds).** Phytophthora – its history, taxonomy, ecology and pathology. Well illustrated, quarto, pp viii, 392, with correction slip for pages 306 and 307 loosely inserted, very clean internally, brown and green cloth very slightly worn. St Paul 1983 £30.00
280. **ESAU, Katherine.** Anatomical and Cytological Studies of Beet Mosaic. Illustrated, small slim octavo, pp (20), paperback, very good. Washington 1944 £2.50
281. **ETTL, Hanus.** Grundriss der Allgemeinen Algologie. Well illustrated, octavo, pp 549, very clean internally, green cloth, a slight crease at the base of the spine otherwise a very good copy in dustwrapper. [*Signed by author on the title page*] Jena 1980 £14.00
282. **EVANS, Alexander W.** The American Species of Marchantia. Illustrated with a few simple line drawings, octavo, pp (107), uncut and unopened, a little dusty internally, paperback, covers very worn. A duplicate Birmingham Botanical Garden with their stamp on the title page and shelf label on the upper cover. RARE New Haven 1917 £30.00
283. **EVANS, Alexander W.** The Classification of the Hepaticae. Small slim octavo, pp (47), unbound, very slightly worn. [*From the library of the botanist Eric Groves, with his stamp at front and rear. Reprinted from Botanical Review.*] Yale 1939 £3.50
284. **EVANS, H.C.** The Genus Mycosphaerella and its Anamorphs Cercoseptoria, Dothistroma and Lecanosticta on Pines. Well illustrated with photo-micrographs, large octavo, pp 102, very slightly folded at the upper corner throughout otherwise very clean internally, paperback, covers showing the slightest signs of use. [*Mycological Papers Number 153*] Kew 1984 £12.50
285. **FALINSKI, J.B. & MULENKO, W. (editors).** Cryptogamous Plants in the Forest Communities of Bialowieza National Park – Ecological Atlas. With 1380 colour distribution maps, quarto, pp 521, very clean internally, explanation sheet loosely inserted, pictorial boards, slightly worn, corners bruised and bumped. Warszawa 1997 £50.00
286. **FARR, Marie L.** A Checklist of Jamaican Slime-Moulds (Myxomycetes). Illustrated with two plates and a map, small octavo, pp 67, the upper corner very slightly bruised, otherwise a very good copy, paperback. Jamaica 1957 £15.00

287. **FERGUS, Charles L.** Illustrated Genera of Wood Decay Fungi. Fourth printing. Illustrated with black and white photographs, small quarto, pp vi, 132, ringbound, a bit used throughout, paperback, covers edge-worn and a little marked. Minneapolis 1966 £15.00
288. **De FERRY DE LA BELLONE, C.** La Truffe – Etude sur Les Truffes et Les Truffieres. Frontispiece, pp viii, 312 + bookseller's catalogue of 16 pages (the last page of which is incomplete), 12mo, a very poor copy, pages chipped, lacking the lower cover, pages detached, the sewing is broken so the book is completely loose and needs complete rebinding. [*With the signature of Sheila Mount (=Francis) on the half-title.*] RARE. Paris 1888 £80.00
289. **FINK, Bruce.** The Lichens of Minnesota. First edition. Illustrated with black and white photographs and line drawings, octavo, pp viii, 270, (8), remarkably clean and bright internally, a duplicate from the Chelsea Physick Garden with their bookplate on the front endpaper, very smartly bound in green cloth. A very good copy indeed. Washington 1910 £45.00
290. **FINLAY, B.J.; ROGERSON, A. & COWLING, A.J.** A Beginner's Guide to the Collection, Isolation, Cultivation and Identification of Freshwater Protozoa. Illustrated with line drawings, small slim octavo, pp 78, very clean internally, paperback, a very good copy. RARE CCAP Ambleside 1988 £25.00
291. **FISCHER, Alfred & SMITH, Erwin F. (edited by C. Lee Campbell).** The Fischer-Smith Controversy: Are There Bacterial Diseases of Plants. Illustrated with 11 black and white plates, slim octavo, pp xviii, 65, paperback, a very bright copy, almost as new. [*Phytopathological Classics 13*]. St Paul 1981 £15.00
292. **FITZPATRICK, Harry Morton.** The Lower Fungi – Phycomycetes. First edition, fourth impression. Illustrated with line drawings, octavo, pp xii, 331, very slightly used internally, cloth a little rubbed. [*Sheila Francis' copy, with her signature on the front endpaper.*] New York 1930 £6.50
293. **FLAMMER, R.** Differentialdiagnose der Pilzvergiftungen. Illustrated with 8 pages of colour photographs, small slim octavo, pp x, 92, paperback, a very good copy. Stuttgart & NY 1980 £10.00
294. **FLETCHER, Michael.** Moss Grower's Handbook – an illustrated beginner's guide to finding, naming and growing over 100 common British species. Illustrated with small simple line drawings, small octavo, pp (2), 115, (3), very slightly used internally, a neat address inside the front cover, paperback, covers slightly faded and very slightly worn. SCARCE Reading 1991 £15.00
295. **FLORA OF AUSTRALIA.** Volume 51 – Mosses 1. Illustrated with line drawings and colour photographs, large octavo, pp xx, 450, paperback, a duplicate from the Royal Horticultural Society Library, with labels on front endpaper and half-title, a stamp on the title-page and a shelf number on the spine, but otherwise a remarkably bright copy, almost as new. Collingwood 2006 £50.00
296. **FLORA OF AUSTRALIA.** Volume 54: Lichens – Introduction and Lecanorales Part 1. Illustrated with colour and black and white photographic plates, large octavo, pp xviii, 349, very clean internally, brown cloth in excellent condition, a very good copy in dustwrapper. [*From the library of the RHS botanist Alan Leslie, with his bookplate opposite the half-title.*] Collingwood 1992 £65.00
297. **FLORA OF AUSTRALIA.** Volume 54: Lichens – Introduction and Lecanorales Part 1. Illustrated with colour and black and white photographic plates, large octavo, pp xviii, 349, very slightly age-toned, otherwise very clean internally, brown cloth in excellent condition, a very good copy in dustwrapper. [*From the library of the Royal Horticultural Society Lindley Library, with their label on the half-title, a stamp on the title page and a shelf number on the spine.*] Collingwood 1992 £60.00
298. **FLORA OF AUSTRALIA.** Volume 54: Lichens – Lecanorales part 2 & Parmeliaceae. Illustrated with colour and black and white photographic plates, large octavo, pp xviii, 360, very clean internally, brown cloth in excellent condition, a very good copy in dustwrapper. [*From the library of the RHS botanist Alan Leslie, with his bookplate opposite the half-title.*] Collingwood 1994 £48.50
299. **FLORA OF AUSTRALIA.** Volume 54: Lichens – Lecanorales part 2 & Parmeliaceae. Illustrated with colour and black and white photographic plates, large octavo, pp xviii, 360, very slightly age-toned, otherwise very clean internally, brown cloth in excellent condition, a very good copy in a slightly wrinkled dustwrapper. [*From the library of the Royal Horticultural Society Lindley Library, with their label on the half-title, a stamp on the title page, a faint stamp on all three edges and a shelf number on the spine.*] Collingwood 1994 £40.00
300. **FLORA OF AUSTRALIA.** Volume 58A – Lichens part 3. Illustrated with colour and black and white photographs, large octavo, pp xviii, 242, paperback, a very good copy. [*From the library of the Royal Horticultural Society Lindley Library with labels on the first blank, a stamp on the half-title and title page, and a shelf number on the spine.*] Collingwood 2001 £75.00

301. **FLORA OF BRITISH FUNGI.** Colour Identification Chart (British Fungus Flora). One sheet, folded twice, showing 84 colour patches, slight signs of wear or marking, but a good sound copy. 1969 £4.50
302. **FLORA TSINLINGENSIS.** Tomus III – Bryophyta (Pars 1). Illustrated with line drawings and a few small black and white photographs, large octavo, pp vi, 329, age-toned but otherwise clean and sound, boards rubbed and a bit warped. [*Chinese text with Latin names*] Pekin 1978 £40.00
303. **FLOWERS, Seville (edited by Arthur Holmgren).** Mosses: Utah and the West. Well illustrated with large line drawings throughout, large octavo, pp xii, 567, very clean internally, pictorial boards, corners slightly bruised, spine faded. [*From the library of the bryologist William Derek Foster, with his small book-plate on the front endpaper.*] Provo, Utah 1973 £25.00
304. **FONTANA, Felice.** Observations on the Rust of Grain (1757) – a translation by Pascal Pompey Pirone. Illustrated with a portrait frontispiece and one plate, slim small octavo, pp 40, paperback, a very good copy. [*Phytopathological Classics Number 2*] Washington 1932 £15.00
305. **FOSTER-SMITH, Judy.** The Marine Fauna and Flora of the Cullercoats District – marine species records for the North East coast of England. Two volumes, quarto, pp xiv, 545; xiv, 559, not illustrated, very clean internally, laminated boards with very slight signs of use, one corner bumped. Sunderland 2000 £50.00
306. **FOTT, Bohuslav.** Algenkunde. Illustrated with line drawings throughout, large octavo, pp viii, 482, a little used internally, a repair to the last page of the index, cloth-backed boards slightly worn, corners bruised, hinges slightly weak, an ink initial on the title page. [*From the library of the marine botanist Dr Mary Parke, with her signature on the front endpaper.*] Jena 1959 £8.50
307. **FRAHM, Jan-Peter & FREY, Wolfgang.** Moosflora. Illustrated with small line drawings throughout, small octavo, pp 522, errata slip loosely inserted, very clean internally, paperback, a slight tear to the spine head, otherwise a very good copy. Stuttgart 1983 £17.50
308. **FRANCIS, Sheila M. & WATERHOUSE, Grace M.** List of Peronosporaceae Reported From the British Isles. Large octavo, pp 62, stapled, paperback, very good. [Offprint from Trans. Br. Mycol. Soc. Vol 91. 1988 £5.00
309. **von FRIEDEN, Lucius.** Mushrooms of the World. Illustrated with 186 colour plates by Laura Maggiora, octavo, pp 439, very clean internally, brown cloth in very good condition, the dustwrapper is just very slightly worn, still a very good copy in the original slipcase. USA 1969 £17.50
310. **FREY, W.; FRAHM, J.-P.; FISCHER, E. & LOBIN, W.** The Liverworts, Mosses and Ferns of Europe. English edition, revised by T.L. Blockeel. Illustrated with line drawings, small thick octavo, pp xvi, 512, very clean internally, pictorial boards, the lower corners slightly bruised, otherwise an excellent copy. [*From the library of the Kew botanist Peter Taylor, with his bookplate.*] Colchester 2006 £55.00
311. **FRIES, Elias.** Hymenomyces Europaei Sive Epicriseos Systematis Mycologici. Editio Altera. Octavo, pp (2), 755, (i), top edge gilt, the other edges untrimmed, rather age-toned and with the occasional foxing, quarter-morocco and cloth, the spine slightly faded and slightly worn at the head and foot, still a good sound copy of this rare monograph, with the original paper covers bound in. Upsaliae 1874 £95.00
312. **FRISVOLL, Arne A.** A Taxonomic Revision of the Racomitrium Heterostichum Group (Bryophyta, Grimmiales) in N. & C. America, N. Africa, Europa and Asia. Illustrated with maps and line drawings of sections, large octavo, pp 289, very clean internally, paperback with very slight wear to the covers. [*Gunneria Volume 59*] Trondheim 1988 £45.00
313. **FRITSCH, F.E.** Freshwater Algae Collected in the South Orkneys by Mr R.M. Rudmose Brown of the Scottish National Antarctic Expedition, 1902-04. Illustrated with two plates, large octavo, pp (46), uncut and unopened, paperback, covers slightly worn. [*Contained in the complete Journal of the Linnean Society, Botany, Vol xl number 276; it also contains Sarah Baker's "On the Brown Seaweeds of the Salt Marsh", with 18 pages and two plates.*] London 1912
314. **FRITSCH, F.E.** The Structure and Reproduction of the Algae. Two volumes, octavo, illustrated with line drawings throughout, pp xviii, 791; xiv, 939, with two folding maps at the rear of the second volume, clean internally and lightly used, green cloth slightly worn and a bit bumped and bruised. [*SIGNED BY AUTHOR IN BOTH VOLUMES. From the library of the marine bryologist Mary Parke with her signature, and also the signature of J.C. Green*] Cambridge 1935 – 1945 £30.00
315. **FRITSCH, F.E.** The Structure and Reproduction of the Algae. Volume 1 only. Illustrated with line drawings throughout, pp xviii, 791, clean internally, cloth dull and slightly worn. [*With the signature of*

- Sheila Mount (= Francis) on the front endpaper.]* Cambridge 1935 £6.00
316. **FRITSCH, F.E.** The Structure and Reproduction of the Algae. Volume 1 only. Illustrated with line drawings throughout, pp xviii, 791, a bit used internally, several signatures on the front endpaper (which is nearly detached), front and rear hinges cracking, cloth faded and a little worn, corners bumped. Cambridge 1935 £4.00
317. **FRY, Edward.** British Mosses. First edition. Small slim octavo, pp 71, becoming weak internally, a cracked hinge at page 31/32, title page slightly foxed but otherwise clean internally, decorated maroon cloth, the spine faded and slightly worn. [*The author's copy, with his bookplate on the front endpaper, notes on the final blank leaf and various short marginal notes in the text.*] London 1892 £30.00
318. **FRY, Edward.** British Mosses. Second edition. Illustrated with line drawings in the text, 12mo, pp (8), 72, slightly weak internally, a tiny neat signature on the front endpaper, cloth-backed boards slightly worn. London 1908 £8.50
319. **FRY, Edward & FRY, Agnes.** The Liverworts – British and Foreign. Illustrated with line drawings within the text, 12mo, pp viii, 74, clean internally, a neat ownership inscription on the front endpaper, green cloth slightly worn and faded, binding leaning slightly. London 1911 £5.00
320. **FRYE, T.C. & CLARK, Lois.** Hepaticae of North America. Five volumes, large octavo, pp 1013, illustrated with line drawings throughout the text, very slightly used internally, the upper corners slightly bumped, paperback, covers very slightly worn, the spines of two volumes a little frayed at the head and foot. [*Complete with the 1937 Provisional List of Citations Pertaining to Part 1.*] Seattle 1937 – 1947 £95.00
321. **FUHRER, Bruce.** A Field Companion to Australian Fungi. Well illustrated with colour photographs, small octavo, pp 162, pictorial boards, a good copy. Hawthorn 1985 or 1993 £15.00
322. **FUHRER, Bruce & ROBINSON, Richard.** Rainforest Fungi of Tasmania and South-East Australia. Illustrated with colour photographs, small slim octavo, pp 95, very clean internally, paperback, covers a little faded, otherwise a very good copy. SCARCE East Melbourne 1992 £25.00
323. **FULFORD, Margaret H.** Manual of the Leafy Hepaticae of Latin America – Part IV. Illustrated with outline drawings throughout the text, large octavo, pp (142), very clean internally, paperback, covers slightly age-toned. [*Memoirs of the New York Botanical Garden Volume 11 number 4*] 1976 £35.00
324. **FURTADO, Joao S.** Taxonomy of Amauroderma (Basidiomycetes, Polyporaceae). Illustrated with black and white photographs and line drawings, large slim octavo, pp 109, very clean internally, paperback, covers very slightly rubbed. [*Memoirs New York Botanical garden, Vol 34*] 1981 £35.00
325. **GADD, Geoffrey Michael; WATKINSON, Sarah C. & DYER, Paul S. (editors).** Fungi in the Environment. A few illustrations, large octavo, pp xx, 386, very clean internally, pictorial laminated boards, a very good copy, as new. Cambridge 2007 £75.00
326. **le GAL, M.** Promenades Mycologiques - Guide Pratique du Chercheur de Champignons. Illustrated with 8 colour plates and many line drawings, small octavo, pp 390, slightly used and very slightly weak internally, corners a little bruised, paperback, covers a little worn, in a dustwrapper which is rubbed and creased, lacking the top 15mm of the spine. Paris 1957 £6.75
327. **GALLOWAY, David J.** Studies in Pseudocyphellaria (lichens) I – The New Zealand species. Illustrated with black and white photographs and distribution maps, large octavo, pp 267, paperback, a very good copy. [*Bulletin of the British Museum, Natural History, Botany series Vol 17.*] 1988 £40.00
328. **GALLOWAY, David J.** Erik Acharius and His Influence on English Lichenology. Illustrated in black and white, large slim octavo, pp (45), the cover and the first couple of pages a little creased, paperback. [*Bulletin of the British Museum, Natural History, Botany Vol 18 number 2*] 1988 £10.00
329. **GALLOWAY, David J.** A Bibliography of New Zealand Lichenology. Small slender octavo, pp [25], unbound, stapled with cloth tape spine, very good. {*Offprint from New Zealand Journal of Botany.*} [*From the library of the botanist Eric Groves, with his stamps, and signed by author*] 1974 £3.00
330. **GAMS, W.** Het Systeem van de Fungi – table voor de hoofdgroepen en verwijzing naar de determinatiewerken. Illustrated with line drawings in the text, small square octavo, pp 113, fore-edge very lightly foxed, paperback, covers very slightly faded. Leiden ? 1979 £5.00
331. **GAMS, W., van der AA, H.A.; van der PLANTS-NITERINK; SAMSON, R.A. & STALPERS, J.A.** CBS Course of Mycology. Illustrated with line drawings throughout, large octavo, pp (2), 136, pictorial

- boards, very slightly faded, otherwise an excellent clean copy. Baarn 1987 £10.00
332. **GAMUNDI, Irma J.** Flora Criptogamica de Tierra del Fuego. Tomo x, fasciculo 3 – Fungi Ascomycetes - Pezizales. Illustrated with line drawn plates, octavo, pp 184, (2), the lengthy errata slip tipped in to page 13, bookseller's stamp on the title page, very clean internally, very smartly bound in blue cloth, the original upper cover bound in. [*Tiny stamp of the mycologist Raitelhuber on the title page.*] Buenos Aires 1973 £30.00
333. **GAMUNDI, Irma J.** Flora Criptogamica de Tierra del Fuego. Tomo x, fasciculo 4 – Fungi, Ascomycetes, Cyttariales, Helotiales: Geoglossaceae Dermateaceae. Illustrated with line drawn plates, octavo, pp 126, very clean internally, very smartly bound in blue cloth, the original upper cover bound in. Buenos Aires 1986 £25.00
334. **GARRETT, S.D.** Soil Fungi and Soil Fertility. A few illustrations, small octavo, pp viii, 165, paperback, covers slightly worn. Oxford and New York 1963 £2.50
335. **GAUMANN, Ernst.** Beitrage zu Einer Monographie der Gattung Peronospora Corda. Illustrated with simple line drawings throughout the text, large octavo, pp 360, the spine is broken, the pages loose, paperback, covers worn, lacking the spine. A poor copy. Zurich 1923 £12.00
336. **GAYRAL, Paulette & COSSON, Joel.** Connaitre et Reconnaître les Algues Marines. Well illustrated with colour photographs, octavo, pp 220, (2), clean internally, pictorial boards slightly worn, the spine head slightly torn. [Dr Peter Moore's copy, with his small label on the upper cover; signed by the second author opposite the title page.] 1986 £15.00
337. **GEIDER, Richard J. & OSBORNE, Bruce A.** Algal Photosynthesis: the measurement of algal gas exchange. Illustrated with a few charts, octavo, pp xvi, 256, pictorial boards, virtually as new. New York & London 1992 £35.00
338. **GIER, L.J.** A Preliminary Study of the Thuidiaceae of Latin America. A 58 page article contained in the complete issue of Journal of Bryology, Volume 11 part 2, paperback. 1980 £4.00
339. **GIBSON, R.J. Harvey & AULD, Helen P.** Codium. Illustrated with three plain litho plates, slim octavo, pp viii, 18, endpapers age-toned, otherwise clean and sound internally, signature of William S Lacey on the front endpaper, cloth-backed boards marked but sound. [*L.M.B.C. Memoirs on Typical British Marine Plants and Animals, Number IV.*] Liverpool 1900 £15.00
340. **GILBERT, Oliver.** Lichens. Well illustrated with colour and black and white photographs, octavo, pp 288, a slight mark on the front endpaper, and a corresponding one inside the dustwrapper, very clean internally otherwise, the dustwrapper is not price-clipped and shows slight signs of use. [*Collins New Naturalist series*] 2000 £65.00
341. **GILMAN, Joseph C.** A Manual of Soil Fungi. Illustrated with small line drawings in the text, octavo, pp xiv, 392, very clean internally, blue cloth just very slightly worn. [*Sheila Mount {=Francis} copy, with her signature on the front endpaper*] Aimes, Iowa 1950 £5.00
342. **GIMINGHAM, C.H. & LEWIN SMITH, R.I.** Bryophyte and Lichen Communities in the Maritime Antarctic. Small octavo, pp 32, unbound, stapled, very slightly worn. [*An offprint from Holdgate's Antarctic Ecology*] [1970] £1.50
343. **GOW, N.A.R.; ROBSON, G.D. & GADD, G.M. (eds).** The Fungal Colony – Symposium of the BMS, London, September 1997. A few illustrations, octavo, pp x, 332, an inscription on the front endpaper, otherwise very clean internally, laminated boards, a very good copy. Cambridge 1999 £25.00
344. **GRAY, Peter.** The Microtomist's Formulary and Guide. Illustrated with a few line drawings within the text, large octavo, pp xiv, 794, slightly age-toned and very slightly worn internally, blue cloth a little rubbed and worn, spine slightly pulled at head and foot. [*With the signature on the front endpaper of the biologist K.W. Dent.*] London 1954 £20.00
345. **GREEN, J.C. & LEADBETER, B.S.C.(ed).** The Haptophyte Algae. A few illustrations, large octavo, pp xii, 446, pictorial boards, a very bright copy. [*Systematics Association, Special Volume 51*] Oxford 1994 £150.00
346. **GREGORY, P.H.** The Fungi of Hertfordshire. Small slim octavo, pp (70), paperback, covers a little faded. [*Transactions of the Hertfordshire Natural History Society and Field Club, Vol XXIII part 4*] Hertford 1951 £15.00
347. **GREIG, B.J.W.** Decay Fungi in Conifers. Illustrated in colour, small slender octavo, pp 21, paperback,

- a good copy. [*Forestry Commission Leaflet 79*] 1981 £3.50
348. **GRELET, I-J.** Les Discomycetes de France, d'après la classification de Boudier. Second edition. Large thick octavo, a few small line drawings within the text, pp (2), 709, extremely clean internally, pale brown cloth, lower corners very slightly bumped otherwise very good, the dustwrapper is just very slightly worn. [*Ted Batten's copy, with his signature*] Saint-Sulpice-de-Royan 1979 £55.00
349. **GRESLEBIN, Alina G.** Fungi, Basidiomycota Aphyllophorales: Coniophoraceae, Corticiaceae, Gomphaceae, Hymenochaetaceae, Lachnocladiaceae, Stereaceae, Thelephoraceae. Tulasnellales: Tulasnellaceae. Illustrated with plates of line drawings, large octavo, pp 212, lower corner slightly bruised, otherwise very clean internally, paperback, covers slightly worn, the spine head a little torn. [*Flora Criptogamica de Tierra del Fuego, Tomo XI fasc 4*] Buenos Aires 2002 £35.00
350. **GREVEN, Henk C.** *Grimmia* Hedw. (Grimmiaceae, Musci) in Europe. Illustrated with line drawings and eight pages of colour photographs, octavo, pp 160, clean internally, pictorial boards slightly worn and slightly bowed. Leiden 1995 £16.50
351. **GRIFFIN, D.M.** Ecology of Soil Fungi. A few illustrations, octavo, pp x, 193, a clean ex-library copy. a stamp on verso of title page, stamps and labels on the front endpaper, brown cloth a little marked with sellotape residue. 1972 £2.00
352. **GRIFFITHS, D.A.** Hong Kong Fungi. Well illustrated with colour photographs, small octavo, pp viii, 129, very slightly used internally, paperback, covers very slightly worn. Hong Kong 1977 £15.00
353. **GROVE, W.B.** The British Rust Fungi (Uredinales) – their biology and classification. Illustrated with small line drawings throughout, octavo, pp xii, 412, a little age-toned, two closed tears to the upper margins of pages 9 – 12, otherwise clean and sound internally, red cloth very slightly worn, the spine faded, a slight stain to both covers. [*Sheila Francis' copy, with her signature on the front endpaper.*] Cambridge 1913 £100.00
354. **GROVES, James & STEPHENS, Edith L.** New and Noteworthy South African Charophyta. Illustrated with 4 plain litho plates (foxed), large slim octavo, pp (13), a little worn throughout, paperback, covers aged and creased, the spine a little torn. [*Signed by first author on the cover. Reprinted from Transactions of the Royal Society of South Africa, Vol XIII part 2.*] 1926 £5.00
355. **GRUMMANN, Vitus.** Catalogus Lichenum Germaniae - Ein systematisch-floristischer Katalog der Flechten Deutschlands. Octavo, a folding map at the rear, pp viii, 207, green cloth, slightly faded. [*David Hawksworth's copy, with his tiny stamp on the front endpaper, his blindstamp on the title page, and a few neat annotations.*] Stuttgart 1963 £8.50
356. **GUBERLET, Muriel Lewin.** Seaweeds at Ebb Tide. Illustrated with drawings by Elizabeth L. Curtis, octavo, pp xvi, 182, very slightly used internally, paperback, covers slightly worn and age-toned. Seattle 1956 £7.50
357. **GUIDA ALLE CITTA DEL TARTUFO – sulle strade del tartufo, tra natura arte e gastronomia.** Well illustrated, small tall octavo, pp 131, stiff pictorial card covers, slight damage to the base of the first three pages, otherwise a very good copy, with the blind-stamp of Patricia A. Taylor on the title page. [*A guide to the truffle cities of Northern Italy.*] Touring Club Italiano 2000 £10.00
358. **GUSTAVSSON, Arne.** Studies on Nordic Peronosporas. I – Taxonomic Revision. Large octavo, pp 271, not illustrated, very clean internally, paperback, margins of covers slightly frayed. [*This study of the downy mildews is arranged by the plant families affected – the major commercial families from Liliaceae through to Compositae.*] Stockholm 1959 £20.00
359. **GUZMAN, Gaston & GUZMAN-DAVALOS, Laura.** A Checklist of the Lepiotaceous Fungi - with information on its synonymy, distribution, edibility and bibliography. Quarto, pp vi, 216, red cloth, a very good copy, BRAND NEW. Champaign, Illinois 1992 £45.00
360. **GWYNNE-VAUGHAN, Helen.** Fungi – Ascomycetes, Ustilaginales, Uredinales. Well illustrated with line drawings throughout, small quarto, pp xii, 232, very clean internally, decorated cloth, slightly bruised. Cambridge 1922 £20.00
361. **HAAS, Hans.** The Young Specialist Looks at Fungi. Illustrated with 80 colour plates by Gabriele Gossner, octavo, pp 240, very clean, a very good copy in dustwrapper. 1969 £5.00
362. **HALE, Mason E.** The Biology of Lichens. Illustrated, octavo, pp viii, 176, some ink lining in the margins, slightly used, paperback, covers a little worn, faded and creased. [*David Hawksworth's copy, with his small stamp on the front endpaper and blind stamp on the title page.*] 1967 £5.00

363. **HALE, Mason E.** The Biology of Lichens. Second edition. Illustrated, octavo, pp viii, 181, very clean internally, paperback, covers faded at the spine but otherwise only slightly worn. 1974 £8.50
364. **HALE, Mason E.** The Biology of Lichens. Second edition. Illustrated, octavo, pp viii, 181, very clean internally, brown cloth in very good condition, the dustwrapper is partially faded, but otherwise only very slightly used. 1974 £15.00
365. **HALE, Mason E.** The Biology of Lichens. Third edition. Illustrated, octavo, pp (4), 190, very clean internally, paperback, covers slightly faded, binding leaning slightly. 1983 £20.00
366. **HALLINGBACK, Tomas, & HOLMASEN, Ingmar.** Mossor – en Faithandbok. Well illustrated with colour photographs, tall octavo, pp 288, very clean internally, pictorial boards, a very good copy. Stockholm 1981 £25.00
367. **HAFELLNER, J.** Karschia. Revision einer Sammelgattung an der Grenze von lichenisierten und nichtlichenisierten Ascomyceten. Illustrated with line drawings in the text, large octavo, pp 248, very clean internally, grey cloth slightly bowed. (*Beihefte zur Nova Hedwigia - Heft 62*). Vaduz 1979 £65.00
368. **HANSEN, Lise & KNUDSEN, Henning. (editors).** Nordic Macromycetes. Three volumes, large octavo, pp 379; 474; 444, the fore-edge is thumbed on the last two volumes and the contents are a bit used, the first volume is better, paperback, covers a bit worn and creased. Copenhagen 200 – 1992 – 1997 £135.00
369. **HARDING, J.P. & TEBBLE, Norman (editors).** Speciation in the Sea. Illustrated with a few line drawings and maps, small octavo, pp 199, upper corner very slightly bumped, paperback, a good copy. [*Systematics Association, Publication 3*] 1963 £4.00
370. **HARDING, Patrick; LYON, Tony & TOMBLIN, Gill.** How to Identify Edible Mushrooms. Well illustrated in colour, octavo, pp 192, title page and facing page a little stained from a stored piece of paper, otherwise very clean internally, paperback, very good with removable plastic cover for use in the field. 2007 £22.50
371. **HARDY, Alistair.** The Open Sea – The World of Plankton. Second edition. Illustrated with colour plates, black and white photographs and line drawings in the text, octavo, pp xvi, 335, very clean internally, green cloth in very good condition, the dustwrapper is not price-clipped but it is very lightly marked on its lower cover and has a tiny nick at the head of the spine. New Naturalist 1970 £25.00
372. **HARDY, Alistair.** The Open Sea – The World of Plankton. Third reprint, Illustrated with colour plates, black and white photographs and line drawings in the text, octavo, pp xvi, 335, fore-edge slightly foxed, otherwise clean internally, cloth very slightly worn, a crease on both sides. [*With the signature of the marine biologist Ivor Griffiths on the front endpaper.*] New Naturalist 1964 £10.00
373. **HARDY, Alistair.** The Open Sea – The World of Plankton. First edition. Illustrated with colour plates, black and white photographs and line drawings in the text, octavo, pp xvi, 335, a bit used and foxed internally, a young child's drawing and inscription on the front endpaper, cloth slightly worn and marked. New Naturalist 1956 £6.50
374. **HARDY, A.C. & GUNTHER, E.R.** The Plankton of the South Georgia Whaling Grounds and Adjacent Waters, 1926-1927. Illustrated with maps and charts, large thick quarto, pp iv, 456, very slight age-toning and slightly worn, paperback, covers very slightly worn, the spine wrinkled, the spine head slightly torn. [Discovery Reports Volume XI] Cambridge 1935 £85.00
375. **HARLEY, J.L.** Mycorrhiza. Illustrated, large slender octavo, pp 16, paperback, covers very slightly worn. [*Oxford Biology Readers 12*] Oxford 1971 £2.50
376. **HARLEY, J.L. & SMITH, S.E.** Mycorrhizal Symbiosis. A very few illustrations, octavo, pp x, 481, a neat name on the front endpaper, otherwise clean internally, brown cloth very slightly rubbed and faded. London & New York 1983 £45.00
377. **HARMAJA, Harri.** The Genus Clitocybe (Agaricales) in Fennoscandia. Illustrated with black and white photographs and line drawings, large octavo, pp 121, very slightly bruised at the corners otherwise very clean internally, paperback, covers very slightly worn. [*A presentation inscription from the author to Ted Batten on the upper cover.*] Helsinki 1969 £75.00
378. **HARTIG, Robert.** Important Diseases of Forest Trees; contributions to mycology and phytopathology for botanists and foresters. Illustrated with six folding plates, octavo, pp (20), 120, very clean internally, green cloth unevenly faded. [*A new English translation, by Merrill, Lambert and Liese, of Hartig's German work of 1874. Phytopathological Classics Number 12*] St Paul 1975 £30.00

379. **HARWERTH, Willi.** Das Kleine Pilzbuch. Illustrated with 36 plates from watercolours, 12mo, pp 54, slightly used and age-toned internally, decorated boards, slightly worn. not dated 1950 ? £4.00
380. **HAWKSWORTH, D.L.** The Natural History of Slapton Ley Nature Reserve. Part X – Fungi. Large slim octavo, pp (39), paperback, slightly worn. (*Offprint from Field Studies, Volume 4, number 3.*) 1976 £3.75
381. **HAWKSWORTH, D.L.** Mycologist's Handbook – an introduction to the principles of taxonomy and nomenclature in the fungi and lichens. Large octavo, pp 231, very clean internally, a very good copy in a very slightly worn dustwrapper. Kew 1974 £15.00
382. **HAWKSWORTH, D.L.** Mycologist's Handbook – an introduction to the principles of taxonomy and nomenclature in the fungi and lichens. Large octavo, pp 231, very slightly age-toned, blue cloth slightly worn and creased. Kew 1974 £12.00
383. **HAWKSWORTH, D.L.** Some Advances in the Study of Lichens since the time of E.M. Holmes. A 30 page article contained in Botanical Journal of the Linnean Society Volume 67 number 1. [*This volume also contains Watson's Studies of Bryophyte Distribution, and Price's Advances in the Study of Benthic Marine Algae, both of them since E.M. Holmes time.*] 1973 £6.50
384. **HAWKSWORTH, D.L.** A Key to the Lichen-forming, Parasitic, Parasymbiotic and Saprophytic Fungi Occurring on Lichens in the British Isles. Illustrated with three plates of line drawings, octavo, pp 44, paperback, very slight wear to the covers. [Originally published in Lichenologist 15] 1983 £8.50
385. **HAWKSWORTH, D.L.** A Revision of the Genus Ascotricha Berk. Illustrated with 5 black and white plates, plus line drawings in the text, slim octavo, pp 28, paperback, a very good copy. [*Mycological Papers, number 126.*] Kew 1971 £6.00
386. **HAWKSWORTH, D.L. & BOOTH, C.** A Revision of the Genus Zopfia Rabenh. Illustrated with black and white photographs and line drawings in the text, slim octavo, pp 38, paperback, a very good copy. [*Mycological Papers number 135*] Kew 1974 £6.50
387. **HAWKSWORTH, D.L.; JAMES, P.W. & COPPINS, B.J.** Checklist of British Lichen-forming, Lichenicolous and Allied Fungi. Octavo, pp115, one inner hinge cracked and several pages becoming loose, otherwise very clean internally, paperback, the title hand-written on the spine. 1980 £2.50
388. **HAWKSWORTH, D.L. JAMES, P.W. & COPPINS, B.J.** Checklist of British Lichen-forming, Lichenicolous and Allied Fungi. Octavo, pp115, sound internally, paperback, covers slightly worn and faded. [*David Hawksworth's copy, with his stamp and label on the upper cover; a few annotations throughout*] 1980 £4.00
389. **HAWKSWORTH, D.L.; REID, D.G. & SEAWARD, M.R.D.** A Preliminary Bibliography of British Lichens. Tall quarto, pp 99, typed, xeroxed and stapled, very clean internally, paperback, covers very slightly faded. [*Presentation copy from the first author to Gren {Lucas}*] Kew 1976 £5.00
390. **HAWKSWORTH, D.L.; REID, D.G. & SEAWARD, M.R.D.** A Preliminary Bibliography of British Lichens. Tall quarto, pp 99, typed, xeroxed and stapled, very clean internally, paperback, covers very slightly faded. [Sheila Francis' copy, with her signature on the upper cover] Kew 1976 £5.00
391. **HAWKSWORTH, D.L. & ROSE Francis.** Lichens as Pollution Monitors. Small slim octavo, pp 60, not illustrated, paperback, a good copy. 1976 £8.75
392. **HAWKSWORTH, D.L. & SEAWARD, M.R.D.** Lichenology in the British Isles, 1568-1975; an historical and bibliographical survey. Illustrated with 11 black and white plates and a few text illustrations, large octavo, pp x, 231, very clean internally, red cloth, a very good copy. Richmond 1977 £13.50
393. **HAWKSWORTH, D.L.; SUTTON, B.C. & AINSWORTH, G.C.** Ainsworth & Bisby's Dictionary of the Fungi. Seventh edition. Illustrated with 16 plates, octavo, pp xii, 412, a very good copy in a very slightly worn dustwrapper. Kew 1983 £7.50
394. **HAWKSWORTH, D.L.; SUTTON, B.C. & AINSWORTH, G.C.** Ainsworth & Bisby's Dictionary of the Fungi. Seventh edition. Illustrated with 16 plates, octavo, pp xii, 412, David Hawksworth's copy completely interleaved, but not annotated. Kew 1983 £7.50
395. **HAWKSWORTH, D.L. & WELLS, H.** Ornamentation on the Terminal Hairs in Chaetomium Kunze ex Fr and Some Allied Genera. Illustrated with black and white photographs, slim octavo, pp 24, paperback, a very good copy. [*Mycological Papers 134*] Kew 1973 £3.50
396. **HAY, William Delisle.** An Elementary Text-Book of British Fungi. Illustrated with 69 plates of line drawings, 5 plates of outlines, large octavo, pp viii, 238, binding broken and repaired with sellotape, the

- front hinge badly cracked and the front endpaper detached, a duplicate from Birmingham Botanical Garden Library. [*In this book it is generally agreed that the author was the first person to use the term 'fungophobia' to identify the superstitious hate of 'toadstools'.*] 1887 £10.00
397. **HAY, William Delisle.** The Fungus-Hunter's Guide, and Field Memorandum-Book, with analytical keys to the orders and genera, and notes of important species. Illustrated with small line drawings throughout, a little used and dog-eared, front hinge cracked, an ex-library copy with stamps. 1908 £13.50
398. **HAYWARD, P.J.** Antarctic Cheilostomatous Bryozoa. Illustrated with black and white photographs and line drawings within the text, large octavo, pp x, 355, very clean internally, red cloth, lower corner slightly bruised, otherwise a very good copy. Oxford 1995 £65.00
399. **HEALD, Frederick Deforest.** Manual of Plant Diseases. Illustrated with small photographs and line drawings, large octavo, pp xii, 953, brown cloth, rubbed, slightly used throughout. [*From the library of the Kew botanist Gerald Wickens, with his signature on the front endpaper.*] New York 1933 £4.00
400. **HEDENAS, Lars.** Flora of Madeiran Pleurocarpous Mosses (Isobryales, Hypnobryales, Hookeriales). Illustrated with line drawings, small octavo, pp165, an exceptionally clean copy internally, paperback, a very good copy. Berlin 1992 £15.00
401. **HEDWIG, Johannes.** Species Muscorum Frondosorium (1801). Facsimile reprint, with introduction by P.A. Florschütz. Illustrated with 77 monochrome plates, small octavo, pp xxxii, vi, 355, one folding table, a very good copy. [*From the library of William T. Stearn, with his bookplate on the front endpaper and a presentation inscription from Florschütz.*] Weinheim 1960 £85.00
402. **HEDWIG, Johannes.** Fundamentum Historiae Naturalis Muscorum Frondosorum concernes eorum flores, fructus, seminalem propagationem adiecta generum dispositione methodica iconibus illustratis. First edition. Two volumes bound in one, quarto, pp xxiv, 112; xii, 108, some age-toning, foxing and spotting throughout, illustrated with 20 fine hand coloured plates [each one stamped with the discrete oval stamp of the Yorkshire Philosophical Society], endpapers a little stained, otherwise very sound internally, contemporary half calf and marbled boards, age-toned and a bit worn, the spine darkened, the front joint professionally repaired, the corners repaired and stabilized. [*With the contemporary signature of the botanist and bryologist James Dalton and the date February 15th 1817 on the front endpaper, but with his address erased.*] Leipzig 1782 £650.00
403. **HEIM, Roger.** Les Champignons Toxiques et Hallucinogenes. Illustrated with 8 colour plates, 7 plain plates, some line drawings in the text, large octavo, pp 247, very clean internally, brown cloth in very good condition, the dustwrapper is slightly worn and chipped. RARE Paris 1978 £135.00
404. **HEIN, Burghard.** Revision der Gattung Laetinaevia Nannf. (Ascomycetes) und Neuordnung der Naevioideae. Illustrated with line drawings in the text, large octavo, pp 136, an immaculate copy bound in red cloth. Very good indeed. [*Wildenowia beiheft 9*] Berlin-Dahlem 1976 £35.00
405. **HEINEMANN, P.** Les Psallioties. Five illustrations in the text, slim octavo, pp 26, bottom corner bumped, paperback, still a good copy. [*Ted Batten's copy, with his signature.*] Bruxelles 1977 £10.00
406. **HENDERSON, D.M.; ORTON, P.D. & WATLING, R.** British Fungus Flora. Agarics and Boleti : Introduction. Illustrated with four pages of outline drawings, octavo, pp (2), 58, slightly worn, paperback, covers slightly used. With Colour Identification Chart in rear pocket. [*The scarce first edition. From the library of the botanists Victoria and Brinsley Burbridge.*] Edinburgh 1969 £8.50
407. **HENNEBERT, G.L. (editor).** Aspects of African Mycology; Proceedings of the First Regional Conference on Mycology in Africa, Mauritius, June, 1990. Large octavo, pp vi, 190, corners bumped, paperback, very slightly worn. Louvain-la-Neuve 1992 £25.00
408. **HENNIPMAN, E.** De Nederlandse Cladonia's (Lichenes). Illustrated with 22 plates of line drawings, slim octavo, pp 52, paperback, a very good copy. Hoogwoud 1969 £5.00
409. **HERRING, Peter J.; CAMPBELL, Anthony K.; WHITFIELD, Michael & MADDOCK, Linda (editors).** Light and Life in the Sea – a volume arising from the Symposium, Plymouth, April 1989. A very few illustrations, plus charts and diagrams, octavo, pp (6), 357, very clean internally, pictorial boards in very good condition. Cambridge 1990 £55.00
410. **HILL, M.O. (revised and updated by N.G. Hodgetts & A.G. Payne).** Sphagnum: a field guide. Illustrated with simple line drawings, small thin octavo, pp 32, very slightly worn, the covers a little age-toned. Peterborough 1992 £12.50
411. **HILL, M.O.; PRESTON, C.D. & SMITH, A.J.E.** Atlas of the Bryophytes of Britain and Ireland – Volume

- 1: Liverworts. Many distribution maps, but no further illustrations, octavo, pp 351, very clean internally, pictorial boards very good. Colchester 1991 £15.00
412. **HILL, Mark O.** Mosses and Liverworts of Dorset. Not illustrated, but many distribution maps, small octavo, pp 176, paperback, a very good copy. Dorchester 2003 £20.00
413. **HILLIS-COLINVAUX, Llewelya.** Ecology and Taxonomy of Halimeda: Primary Producer of Coral Reefs. Illustrated, octavo, pp (328), very clean internally, blue cloth with only the slightest signs of use. [A major article contained in *Advances in Marine Biology, Volume 17.*] London 1980 £40.00
414. **HINGLEY, Marjorie.** Microscopic Life in Sphagnum. Illustrated with 4 colour plates and many small line drawings, small slim octavo, pp 64, upper corners very slightly bruised, paperback, covers very slightly faded, otherwise a very good copy. Slough 1993 £20.00
415. **HISCOCK, Sue.** A Field Key to the British Brown Seaweeds. Illustrated with line drawings in the text, large slim octavo, pp 44, paperback, slightly worn. various dates 1970's £3.50
416. **HOBKIRK, Chas P.** A Synopsis of the British Mosses, containing descriptions of all the genera and species (with localities of the rarer ones), found in Great Britain and Ireland. First edition. Very small octavo, pp viii, 196, + publisher's catalogue of 17 pages, a square corner cut from the half-title, otherwise extremely clean internally, green cloth decorated in gilt, very slightly worn. 1873 £8.50
417. **HODGETTS, N.G.** Cladonia : A Field Guide. Illustrated with simple line drawings, small slim octavo, pp 39, very clean internally, paperback, covers slightly age-toned. Peterborough 1992 £15.00
418. **HOLDEN, Margaret.** Guide to the Literature for the Identification of British Fungi. Fourth edition. Small slim octavo, pp (40), paperback, a very good copy. [Reprinted from *Bulletin of the British Mycological Society*]. 1981 £3.50
419. **HOLLIDAY, Paul.** A Dictionary of Plant Pathology. Octavo, pp xvi, 369, fore-edge thumbled, a bit used throughout, paperback, covers slightly worn and creased. Cambridge 1992 £3.00
420. **HOLM, Kerstin & HOLM, Lennart.** Nordic Junipericolous Ascomycetes. Illustrated with black and white photographs, large octavo, pp 70, very clean internally, paperback, very good. [Ted Batten's copy, with his signature, and a long letter signed by both authors.] Uppsala 1977 £16.50
421. **HOLM, Kerstin & HOLM, Lennart.** Nordic Junipericolous Ascomycetes. Illustrated with black and white photographs, large octavo, pp 70, very clean internally, paperback, very good. [Sheila Francis copy, signed by both authors.] Uppsala 1977 £15.00
422. **HOLM, Kerstin & HOLM, Lennart.** Ascomycetes on Myrica gale in Sweden. Illustrated, pp (13), large slim octavo, unbound, an offprint from Nord. J. Bot. [Sheila & Ted's copy, initialed by authors] 1991 £2.00
423. **HOLM, L. & RYMAN, S.** Fungi Exsiccati Suecici Praesertim Upsalienses. Fascicles 61 – 74, a very few illustrations, small slim octavo, paperbacks, good copies. [From the library of Sheila Francis and Ted Batten, several parts initialed by Holm.] Uppsala 1981-2003 £10.00
424. **HOLMES, E.M. & GRAY, Peter.** British Fungi, Lichens and Mosses, including Scale-Mosses and Liverworts. Illustrated with small line drawings in the text, small octavo, pp 32; 30; 32, slightly worn internally, a signature and date on the front endpaper, soft cloth slightly worn & creased. 1910 £12.00
425. **HOLMES, Sandra.** Handbook of Plant Types. Illustrated with line drawings, octavo, pp 176, slightly used internally, a few bruised corners, paperback, covers slightly worn. 1987 £5.00
426. **de HOOG, G.S. (editor).** Fungi of the Antarctic: Evolution under Extreme Conditions. Illustrated with black and white photographs, line drawings and maps, slim tall quarto, pp viii, 79, paperback, a very good copy. Utrecht 2005 £30.00
427. **HOOKER, William Jackson.** The English Flora of Sir James Edward Smith. Class XXIV – Cryptogamia. Octavo, pp x, 4, 432, edges untrimmed, very clean but binding completely broken, the book in two halves and loose, upper cover detached, original boards worn, lacking the spine. [The book also forms Volume II of Hooker's British Flora] 1833 £6.50
428. **HORA, F.B.** A Field Key to Four Hundred Common Mushrooms and Toadstools. Small octavo, pp 74, paperback, only slight signs of wear. [The Reading Naturalist, Volume 1 number 2] 1950 £4.50
429. **HORAK, Egon.** Rohrlinge und Blatterpilze in Europa. Large octavo, not illustrated, pp xviii, 555, errata slip loosely inserted, stout pictorial boards, a very good clean copy. Munchen 2005 £135.00
430. **HORRELL, E. Charles.** The European Sphagnaceae (after Warnstorff). Octavo, pp 87, not illustrated,

- lacking the front endpaper, otherwise very clean and sound internally, green cloth, very slightly worn and frayed. 1901 £35.00
431. **HOSFORD, David; PILZ, David; MOLINA, Randy & AMARANTHUS, M.** Ecology and Management of the Commercially Harvested American Matsutake Mushroom. Illustrated, small slim quarto, pp 68, very clean internally, paperback, covers with very slight wear. Portland 1997 £15.00
432. **HOWIE, Charles.** The Moss Flora of Fife and Kinross. 12mo, pp (2), 116, (10), age-toned and slightly worn internally, a tear to the rear endpaper, a heavy erasure on the front endpaper, red cloth a bit marked and faded, slightly worn. [*Apparently from the library of the botanist J.E. Bagnall, as there is a note from the author addressed to him and pasted on the front endpaper. Bagnall appears in the List of Subscribers, which accounts for only 97 copies. There are pencilled notes internally which may well be by Bagnall, who wrote on mosses himself*] Cupar 1889 £35.00
433. **HUDLAR, George W.** Magical Mushrooms, Mischievous Molds. Illustrated with 8 plates of colour photographs, octavo, pp xvi, 248, a very bright copy in dustwrapper. Princeton 1998 £15.00
434. **HUDSON, Harry J.** Fungal Biology. Illustrated with line drawings and a few photographs in the text, octavo, pp (4), 298, an owners small label on the title page and initials on the upper cover, otherwise a very good copy. 1986 £6.50
435. **HUDSON, Harry J.** Fungal Saprophytism. Illustrated with line drawings and black and white photographs, small slim octavo, pp (2), 68, an owner's neat name on cover, otherwise clean internally, paperback, covers slightly worn and frayed. 1972 £2.75
436. **HUHTINEN, S.** A Monograph of Hyaloscypha and Allied Genera. Illustrated with line drawings, large octavo, pp (207), very clean internally, paperback, a slight tear to the upper cover, otherwise a very good copy. [*Presentation copy from author*] {*Karstenia Volume 29 number 2*} Helsinki 1990 £20.00
437. **HUHTINEN, S.** A Monograph of Hyaloscypha and Allied Genera. Illustrated with line drawings, large octavo, pp (207), very clean internally, a very good copy bound in red cloth. {*Karstenia Volume 29 number 2*} Helsinki 1990 £30.00
438. **HUMM, Harold J. & WICKS, Susanne R.** Introduction and Guide to the Marine Bluegreen Algae. Illustrated with a few line drawings, octavo, pp xii, 194, very clean internally, blue cloth in very good condition, the dustwrapper is just a little frayed around the edges. New York 1980 £25.00
439. **HYDE, K.D. & CANNON, P.F.** Fungi Causing Tar Spots on Palms. Illustrated with black and white photographs, large octavo, pp viii, 114, paperback, slightly worn throughout. Wallingford 1999 £15.00
440. **ING, Bruce.** Provisional Atlas of the Myxomycetes of the British Isles. Illustrated with maps, pp (108), 12mo, a neat signature on the title page, paperback, stapled, a good copy. Monks Wood 1982 £10.00
441. **ING, Bruce.** A Census Catalogue of British Myxomycetes. Slim octavo, pp 24, paperback, slightly worn. 1968 £9.00
442. **INGOLD, C.T.** The Biology of Fungi. Fourth edition. Illustrated with line drawings, large octavo, pp 176, paperback, a neat date on the half-title, otherwise a good copy. 1981 £3.75
443. **INGOLD, C.T.** The Biology of Fungi. Fifth edition. Illustrated with line drawings, large octavo, pp 150, paperback, a large unsightly label partially removed from the upper cover, otherwise just slightly worn overall. 1984 £4.00
444. **INGOLD, C.T.** An Illustrated Guide to Aquatic and Water-borne Hyphomycetes (Fungi Imperfecti) with notes on their biology. Illustrated with line drawings, small octavo, pp 96, paperback, a good clean copy. [*Sheila Francis' copy with her signature*] Ambleside 1975 £15.00
445. **INGOLD, C.T.** Spore Liberation. Illustrated with line drawings, small octavo, pp x, 210, a neat signature on the front endpaper, otherwise clean internally, blue cloth slightly worn and rubbed. Oxford 1965 £5.00
446. **INGOLD, C.T.** Convergent Evolution in Aquatic Fungi : the tetra-radiate spore. A 26 page article in the complete Biological Journal of the Linnean Society, Volume 7 number 1. 1975 £2.50
447. **INSTITUTE OF TERRESTRIAL ECOLOGY.** Overlays of Environmental and other Factors for use with Biological Record Centre Distribution Maps. 12 acetate overlays, in descriptive printed folder, very slight wear. Cambridge 1978 £10.00
448. **IRELAND, Robert R.** Moss Flora of the Maritime Provinces. Extensively illustrated with line drawings throughout, small thick quarto, pp 738, very clean internally, brown cloth decorated gilt, very slightly

- rubbed, but a good sound copy. Ottawa 1982 £165.00
449. **IRVINE, D.E.G. & JOHN, D.M.(editors)**. Systematics of the Green Algae. A few illustrations, octavo, pp xii, 449, very clean internally, green cloth leaning slightly. [*Systematics Association Special Volume 27.*] 1984 £65.00
450. **ITZIGSOHN, Hermann**. Phykologische Studien. With three coloured litho plates, quarto, pp [29] partially unopened, rather dusty and marked internally, corners turned, original green printed covers, marked and slightly worn, a number on the upper cover. Breslau und Bonn 1857 £15.00
451. **IWATSUKI, Zennoske & MIZUTANI, Masami**. Coloured Illustrations of Bryophytes of Japan. Well illustrated with 48 colour plates from watercolours, many small line illustrations, small thick octavo, pp viii, 405, very clean internally, pictorial cloth in very good condition, with original clear protective cover, in original cardboard slipcase. [*Japanese text with English and Latin captions, and English and Japanese index.*] Osaka 1984 £85.00
452. **JAHN, Hermann**. Pilze die an Holz Wachsen. Very well illustrated with colour photographs, large octavo, pp 268, very clean internally, pictorial boards in very good condition. [*With two small offprints by the author loosely inserted.*] Herford 1979 £65.00
453. **JALINK, Leo M.** De Aardsterren van Nederland en Belgie. Illustrated with a few colour photographs and small line drawings, small slim octavo, pp 64, a slight bruise to the upper corners, otherwise a very good copy, paperback. [*Coolia 38 Supplement.*] Leiden 1995 £15.00
454. **JAMES, P.W.** A New Check-List of British Lichens. Octavo, not illustrated, pp [57], interleaved, paperback, a very good clean copy. [*From the library of the botanist Eric Groves, with his stamp on both covers*] Reprinted from the Lichenologist Volume 3 1965 (but probably later) £10.00
455. **JAMONI, Pier Giovanni**. Reperti Rari e Nuovi della Zona Montana e Subapina della Valsesia. [*Fara Novarese 1.*] Illustrated with colour photographs and line drawings, octavo, pp 60, paperback, a very good copy. [*David Hawksworth's copy, with his blindstamp on the title page*] Alassio 2001 £17.50
456. **JANSEN, Anna Elise & LAWRYNOWICZ, Maria**. Conservation of Fungi and Other Cryptogams in Europe. Octavo, pp 120, not illustrated, paperback, corners slightly bruised. Lodz 1991 £7.50
457. **JARVA, L. & PARMASTO, E.** Eesti Seente Koondnimestik. Not illustrated, tall quarto, pp 331, slightly age-toned but otherwise very clean and sound, paperback. Tartu 1980 £16.50
458. **JENNINGS, O.E.** A Manual of the Mosses of Western Pennsylvania and Adjacent Regions. Second edition. Illustrated with 72 plates of small line drawings, octavo, pp xii, 396, very clean internally, blue cloth with very slight signs of use. [*From the library of the bryologist J.C. Gardiner, with his stamp on the front endpaper.*] Notre Dame, Indiana 1951 £20.00
459. **JENSEN, C.** Skandinaviens Bladmossflora. Large octavo, pp (2), 533, uncut, not illustrated, very clean internally, paperback, covers a bit worn and chipped, the spine creased and torn at the head, [*From the library of the Cambridge botanist David Coombe, with his signature on the front endpaper.*] Copenhagen 1939 £50.00
460. **JEWELL, Arthur L.** The Observer's Book of Mosses and Liverworts. Illustrated, 12mo pp 128, with dustwrapper. [*Various copies and conditions available*] 1955 £15.00
461. **JOHNSTONE, James; SCOTT, Andrew & CHADWICK, Herbert C.** The Marine Plankton – A Handbook for Students and Amateur Workers, with special reference to investigations made at Port Erin, Isle of Man, during 1907-1914. Illustrated with a photographic frontispiece and 19 plates of line drawings, octavo, pp xvi, 194, a neat signature and date on the front endpaper, brown cloth, a very bright copy in dustwrapper. Liverpool and London 1924 £35.00
462. **JONES, W. Eifion**. A Key to the Genera of the British Seaweeds. A few tiny illustrations, small slim octavo, pp 32, paperback with cloth spine, slightly used and marked. [*Printed, in advance, for Field Studies Number 4.*] 1962 £3.00
463. **JONES, Eustace W.** African Hepatics Parts I, II, III & IV. Contained in the complete issues of Transactions of the British Bryological Society Volume 2 parts 1 & 2. Paperback, slightly worn, the first part has the signature of P.J. Wanstall on the upper cover. 1952 – 1953 £8.50

552. **LUCAS, Suzanne.** In Praise of Toadstools. Two volumes, large quarto, pp 142; 175, illustrated with full-size watercolours throughout, clothbound with dustwrappers, a slight mark to the front endpaper of the first volume, otherwise a good set. [*Private printing*] Mere 1992-997 £75.00
553. **LUIJT-VERHEIJ, J.W.M.V.** Overzicht van de Nederlandse Soorten van Dasyscyphus (Ascomycetes, Hyaloscyphaceae). Illustrated with line drawings, quarto, pp 57 + plates, slightly used, paperback with cloth spine, the covers slightly worn. [*A doctoral thesis under the supervision of Dr Maas Geesteranus. Ted Batten's copy with his stamp on the upper cover.*] Leiden 1973 £6.50
554. **LUNDQVIST, Nils.** Nordic Sordariaceae S. Lat. Well illustrated with line drawings and photographs, large octavo, pp 374, very clean internally, paperback, the covers with just very slight signs of wear, and slight spotting to the spine. Uppsala 1972 £50.00
555. **LUNDQVIST, Nils & PERSSON, Oile.** Svenska Svampnamn. Octavo, pp 88, very clean internally, paperback, the covers very slightly worn. [*David Hawksworth's copy, with a typed letter from the first author.*] Stockholm 1981 £10.00
556. **M'ALPINE, D.** The Botanical Atlas – A Guide to the Practical Study of Plants, containing representatives of the leading forms of life. Volume II – Cryptogams. Illustrated with 26 colour plates, very large quarto (small folio ?), the verso of one plate marked, a neat signature on the title page, otherwise clean internally, lacking the front endpaper, the front and rear hinges weak, decorated beveled cloth, a little worn and marked, the corners scuffed. [*From the library of the nurserymen Walter and Will Ingwersen, with their bookplate*] Edinburgh 1883 £40.00
557. **MACVICAR, Symers M.** A Revised Key to the Hepatics of the British Islands. Small slender octavo, (not illustrated), pp 20, clean internally, paperback, covers slightly age-toned, a tiny number label on the upper cover. RARE. Eastbourne 1906 £10.00
558. **MACVICAR, Symers M.** A Revised Key to the Hepatics of the British Islands. Small slender octavo, (not illustrated), pp 20, slightly used internally, paperback, covers slightly worn and age-toned. RARE. [*From the library of the botanist Eric Groves, with his signature on the upper cover.*] Eastbourne 1906 £9.00
559. **MACVICAR, Symers M.** The Distribution of Hepaticae in Scotland. Octavo, pp vi, 336, the last page slightly soiled, otherwise a beautifully clean copy, rebound in green cloth, very slightly rubbed and marked. VERY SCARCE {*Transactions and Proceedings of the Botanical Society of Edinburgh, Volume XXX*} Edinburgh 1910 £45.00
560. **MACVICAR, Symers M. & JAMESON, H.G.** The Student's Handbook of British Hepatics. First edition. Illustrated with many small line drawings throughout, octavo, pp xxiv, 463, fore-edge foxed, front and rear hinges cracking, a little used throughout, cloth slightly rubbed. [*From the library of the botanist Alan Leslie, with his bookplate.*] Eastbourne 1912 £25.00
561. **MACVICAR, Symers M. & JAMESON, H.G.** The Student's Handbook of British Hepatics. Second edition. Illustrated with many small line drawings throughout, octavo, pp xxx, 464, (viii), very clean internally, cloth very slightly rubbed. [*From the library of the botanist Frank White, with his signature on the front endpaper.*] Eastbourne 1926 £20.00
562. **MACVICAR, Symers M. & JAMESON, H.G.** The Student's Handbook of British Hepatics. Second

- edition. Illustrated with many small line drawings throughout, octavo, pp xxx, 464, (viii), slightly used internally, cloth rubbed, the spine wrinkled, recased. Eastbourne 1926 £15.00
563. **MACVICAR, Symers M. & JAMESON, H.G.** The Student's Handbook of British Hepatics. Second edition. Illustrated with many small line drawings throughout, octavo, pp xxx, 464, (viii), rather weak internally, the rear hinge cracking, the spine rubbed and frayed. Eastbourne 1926 £10.00
564. **MACVICAR, Symers M. & JAMESON, H.G.** The Student's Handbook of British Hepatics. Second edition, reprinted. Illustrated with many small line drawings throughout, octavo, pp xxx, 464, (viii), very clean internally, cloth slightly rubbed. [*With A Key to the British Species of Scapania loosely inserted*]. Codicote 1964 £15.00
565. **MACVICAR, Symers M. & JAMESON, H.G.** The Student's Handbook of British Hepatics. Second edition, reprinted. Illustrated with many small line drawings throughout, octavo, pp xxx, 464, (viii), very clean internally, a very bright copy. [*With A Key to the British Species of Scapania loosely inserted*]. Hitchin 1971 £16.50
566. **McClintock, David.** The Natural History of Buckingham Palace. A few illustrations, small octavo, pp iv, 140, slightly used internally, paperback, covers slightly curled. SIGNED BY AUTHOR. [A very extensive survey. Includes 3 pages on bryophytes & fungi.]. {*Proceedings and Transactions of the South London Entomological Society, 1963, Part II.*} 1964 £7.50
567. **MAAS GEESTERANUS, R.A.** Revision of the Lichens of the Netherlands – I : Parmeliaceae. A few illustrations, octavo, pp viii, 198, slight foxing to the fore-edge, otherwise very clean internally, paperback, the spine age-toned and a little wrinkled. Leiden, [1948] £15.00
568. **MAAS GEESTERANUS, R.A.** De Fungi van Nederland. II – Pezizales – deel I – discinaceae, helvellaceae, morchellaceae, pezizaceae, rhizinaceae.; deel II – ascobolaceae, humariaceae, pyronemataceae, sarcoscyphaceae, thelebolaceae. Illustrated with line drawings, small octavo, pp 64; 84, paperback, only very slight signs of wear. [*Ted Batten's copies*]. Leiden 1967-1969 £12.00
569. **MAAS GEESTERANUS, R.A.** De Fungi van Nederland. I – Geoglosaceae – aardtongen. Illustrated with a few line drawings, small slim octavo, pp 24, paperback, a very good copy. [*Ted Batten's copy*]. Leiden 1964 £4.00
570. **MAAS GEESTERANUS, R.A.** Gasteromyceten van Nederland. Illustrated with line drawings, small slender octavo, pp [43], paperback, a good copy. [*Coolia Volume 15 num 3*] 1971 £8.50
571. **MAAS GEESTERANUS, R.A.** Index Fungus 21 – 28. Slim octavo, pp 28, paperback, v.g. 1964 £3.00
572. **MADLENER, Judith Cooper.** The Seavegetable Book – foraging and cooking seaweed. Illustrated with line drawings, large horizontal octavo, pp 288, slightly used internally, a little foxing, the first few pages lightly turned corners, paperback, the covers curled and creased. New York 1977 £20.00
573. **MAGNES, Martin & HAFELLNER, Josef.** Ascomyceten auf Gefasspflanzen an Ufern von Gebirgsseen in den Ostalpen. Illustrated with line drawings, small octavo, pp 1182, paperback, a very good copy. [*Ted Batten's copy*]. Berlin & Stuttgart 1991 £25.00
574. **MAGNUSSON, A.H.** Lichens from Torne Lappmark. Large octavo, pp [204], rather thumbled and dog-eared, paperback, turned corners and a small tear to the spine. {*Arkiv fur Botanik, Serie 2, Band 2, Nr 2*}. [*From the library of the lichenologist Dr Walter Watson, inscribed "with the author's compliments".*] Stockholm 1952 £20.00
575. **MAJOR, Alan.** Collecting and Studying Mushrooms, Toadstools and Fungi. Illustrated with line drawings and colour photographs, small octavo, pp 268, extremely clean internally, a very good copy in dustwrapper. Edinburgh & London 1975 £6.00
576. **MAJOR, Alan.** The Book of Seaweed. Illustrated with line drawings, octavo, pp 234, very clean internally, green cloth in very good condition, the dustwrapper is very slightly faded on its spine, otherwise an excellent copy. 1977 £15.00
577. **MALENCON, G. & BERTAULT, R.** Champignons de la Peninsule Iberique. Parts I, II, III, IV & V. Octavo, pp 97; 64; 68; paperback, very good condition. Barcelona 1971-1976 £15.00
578. **MANTON, S.M.** Ecological Surveys of Coral Reefs [Great Barrier Reef Expedition, 1928-29, Scientific Reports]. Illustrated with 16 plates, quarto, pp [39], paperback, an exceptionally good copy. [*From the library of the marine biologist and broadcaster Geoffrey Tandy, with his signature on the upper cover.*] 1935 £22.50

579. **MARGADANT, Wim C.** Mossentabel. Determinatietabel van de Nederlandse bladmossen, levermossen en de groote korstmossen, voornamelijk op grondslag van veldkenmerken. Illustrated with small line drawings, small slim octavo, pp 74, age-toned but otherwise sound, printed boards, the upper cover wrinkled. [Bibl. Nederl. Jeugdb. Natuurst., 8.]. {*Ted Batten's copy, with his signature, a very few notes and an original drawing.*} Graveland 1944 £6.50
580. **MARSHALL, S.M.; NEWTON, L. & ORR, A.P.** A Study of Certain British Seaweeds and their utilisation in the preparation of agar. Illustrated with 12 plates at the rear, several maps (one of which is large and folding), small quarto, pp (6), 184, clean internally, green cloth very slightly worn and faded, a little bowed. HMSO London 1949 £30.00
581. **MARTIN, G.W.** The Genera of Myxomycetes. Not illustrated, slender octavo, pp 32, paperback with clear protective cover, very good. The University of Iowa Studies in Natural History Volume XX Number 8. Iowa 1966 £7.50
582. **MARTIN, G.W. & ALEXOPOULOS, C.J.** The Myxomycetes. Illustrated with 41 colour plates, large thick octavo, pp x, 560, a small marginal blemish to pages 350/351, otherwise very clean internally, blue and brown cloth in very good condition. Iowa City 1969 £120.00
583. **MARTIN, G.W. & ALEXOPOULOS, C.J. & FARR, M.L.** The Genera of Myxomycetes. Illustrated with 41 coloured plates, octavo, pp xii, 102, [61], very clean internally, brown and blue cloth, the very slightest signs of wear, but really a very good copy. Iowa City 1983 £50.00
584. **MASON, E.W.** Annotated Account of Fungi Received at the Imperial Mycological Institute, List II, (fascicle 3 – Special Part). Illustrated with line drawings, slender octavo, pp [43], paperback, damp-wrinkled. [Monotospora Sacc. & Corda, Torula, Gliomastix, Sporocybe, Zygosporium. Sheila Francis' copy with her signature on the upper cover.] Kew 1941 £4.00
585. **MASON, F.A. & GRAINGER, John.** A Catalogue of Yorkshire Fungi. A double-page simple map, small octavo, pp xii, 110, blue cloth, a splendid copy with the compliments slip of R.C. Fowler Jones (the sponsor of the work), and still in the original opaque dustwrapper. 1937 £12.50
586. **MASON, F.A. & GRAINGER, John.** A Catalogue of Yorkshire Fungi. A double-page simple map, small octavo, pp xii, 110, a bit weak with one inner hinge cracking, blue cloth, slightly rubbed, with the compliments slip of R.C. Fowler Jones (the sponsor of the work), and the signatures of W.S. Bramley & L.R.A. Grove. 1937 £7.50
587. **MASSEE, George.** British Fungi, with a Chapter on Lichens. Illustrated with 40 colour plates, thick octavo, pp vi, 551, slightly weak internally, decorated green cloth, slightly worn, a crease to the spine. [With the signature of the Cambridge botanist David Coombe, when a young man !] [1911] £30.00
588. **MASSEE, George.** British Fungi – Phycomycetes and Ustilaginae. Illustrated with 8 plain plates, small octavo, pp xvi, 232, scattered foxing, red cloth, spine faded & slightly worn. [With the bookplate of the notable mycologist T.F.G.W. Dunston, and his extensive pencilled notes, mainly on or facing the plates, but some in the text.] 1891 £45.00
589. **MASSEE, George.** The Fungus Flora of New Zealand. 2 plain plates, small slender octavo, pp 49, paperback, stapled, original paper covers, slightly worn and with two numbers on the upper cover. [Transactions of the New Zealand Institute, Volume XXXIX.] Wellington 1907 £50.00
590. **MASSEE, George.** Mildews, rusts, and smuts - A synopsis of the families, Peronosporaceae, Erysiphaceae, Uredinaceae and Ustilaginaceae. Illustrated with a colour frontispiece and 4 plain plates, small octavo, pp (4), 229, clean internally, green cloth, a small tear at the base of the spine, otherwise good. [Sheila Francis' copy, with her signature on the front endpaper]. 1913 £25.00
591. **MASSEE, George & Masee, Ivy.** Edible and Poisonous Fungi. Illustrated with 25 colour plates, small octavo, pp 28, a bit used and age-toned internally, paperback, the covers extremely worn. RARE. [The first edition of this longstanding Government publication] HMSO 1910 £20.00
592. **MAYER, Adolf. IVANOWSKI, Dmitri.** Concerning the Mosaic Disease of Tobacco. Illustrated with 6 plates, slender octavo, pp 62, paperback, a very good clean copy. [Phytopathological Classics Number 7 – also includes two further papers by Beijerinck and Baur.]. {From the library of the biologist Sir John Burnett, with his signature on the upper cover.} Ithaca 1968 £10.00
593. **MAYRHOFER, Helmut.** Monographie der Flechtengattung Thelenella. Illustrated with photographs, maps and simple line drawings, small octavo, pp 106, paperback, a very good copy. SCARCE Berlin and Stuttgart 1987 £30.00

594. **MCLAUGHLIN, D.J. & E.G.; LEMKE, P.A. (editors).** The Mycota – a comprehensive treatise on fungi as experimental systems for basic applied research. Volume VII A & B – Systematics and Evolution. Two volumes, illustrated with photographs and line drawings, quarto, pp xx, 366; xxii, 259, very clean internally, green cloth in very good condition. Berlin 2001 £135.00
595. **MEAKIN, S.H. & SWATMAN, C.C.** Mounting Diatoms, with notes on cleaning material. A few illustrations, small slender octavo, pp [36], very clean internally, paperback, the covers slightly age-toned. "The Microscope" 1949 £10.00
596. **MEYLAN, Ch.** Les Hepatiques de la Suisse. Illustrated with over 200 small line drawings, large octavo, pp 318, exceptionally clean internally, later blue cloth with original paper covers bound in. A very good copy indeed. [*From the library of the Kew botanist Chris Townsend, with his signature on the front endpaper.*] Zurich 1924 £25.00
597. **MICOLOGIA 2000 [DUEMILA].** Well illustrated, thick octavo, pp 711, very clean internally, paperback, the upper cover creased. VERY SCARCE. [*Ted Batten's copy, with his signature on the front endpaper.*] Vicenza 2000 £50.00
598. **MIGULA, W.** Kryptogamen-Flora von Deutschland, Deutsch-Osterreich und der Schweiz. Band III – PILZE. 3 Teil, 1 Abteilung – Ascomycetes : Hemiasci, Saccharomycetinae, Protodiscinae, Plectascinae, Pyrenomycetes (Perisporiales und Sphaeriales). Illustrated with 100 litho plates (of which about seven are coloured), thick octavo, pp 683, slightly used and age-toned internally, original publisher's half calf, faded and rubbed on the spine, but otherwise sound. [*Sheila Francis' copy, with her signature and a few notes.*] Gera 1913 £75.00
599. **MILDE, J.** Zur Entwicklungsgeschichte der Equiseten und Rhizokarpen. Mit vier Steindrucktafeln. With three plain litho plates (of which two are folding) and one partially coloured plate, quarto, pp [31], uncut and unopened, foxed, stitching broken so very loose, original plain paper covers, worn. Ubergeben 1851 £16.50
600. **MILLARDET, Pierre Marie Alexis,** The Discovery of Bordeaux Mixture – three papers. With one portrait plate, small slim octavo, pp 25, very slightly worn, paperback, the covers slightly age-toned. [*Phytopathological Classics Number 3.*] [*From the library of the biologist Sir John Burnett, with his signature on the upper cover.*] Ithaca (?) 1966 £6.50
601. **MILLER, Orson K.** Mushrooms of North America. Well illustrated with colour photographs, small thick octavo, pp 368, very slightly used internally, soft cloth, covers curling a little. [*David Hawksworth's copy, with his blindstamp on the title page.*] New York 1977 £6.00
602. **MINISTRY OF HEALTH.** The Bacteriological Examination of Water Supplies. Slim octavo, pp viii, 59, slightly used throughout, paperback, covers slightly worn. [*From the library of the botanist Eric Groves, with his signature on the upper cover.*] 1940 £5.00
603. **MINTER, D.W.** Lophodermium on Pines. Illustrated with black and white photographs, slim octavo, pp 54, paperback, covers very slightly age-toned, otherwise a very good copy. [*Sheila Francis' copy with her signature, and inscription from the author.*] SCARCE. Kew 1981 £20.00
604. **MITCHELL, David W.** A Key to the Corticolous Myxomycetes. Small octavo, illustrated with 21 plates of line drawings, pp 63, paperback, a very good copy. *Reprinted from Bulletin of the British Mycological Journal.* [*With inscription from the author.*] 1981 ? £10.00
605. **MITCHELL, M.E.** Irish Lichenology 1858 -1880 : Selected Letters of Isaac Carroll, Theobald Jones, Charles Lembaliester and William Nylander. Illustrated with 3 portraits, large slim octavo, pp 64, paperback, covers very slightly worn. Glasnevin, Dublin 1996 £12.50
606. **MITTEN, William.** An Enumeration of all the Species of Musci and Hepaticae Recorded from Japan. With one plain litho plate, quarto, pp [53], very clean internally with the bookplate of the South London Botanical Institute, paperback, very good. Linnean Society 1891 £20.00
607. **MOBERG, Roland & HOLMASEN, Ingmar.** Flechten von Nord- und Mitteleuropa: ein Bestimmungsbuch. Well illustrated with colour photographs, tall octavo, pp 237, (2), very clean internally, pictorial boards with very slight signs of use. Stuttgart 1992 £17.50
608. **MONEY, Nicholas P.** Mr. Bloomfield's Orchard : The Mysterious World of Mushrooms, Molds, and Mycologists. Illustrations within the text, small octavo, pp xii, 208, paperback, the covers slightly curved, otherwise as new. Oxford 2002 £8.50
609. **MONTARNAL, Pierre.** Champignons – Espèces Europeennes. Colour illustrations by Michelle Saint-

- Aubin, 12mo, pp 160, paperback, covers age-toned. Geneva 1964 £2.00
610. **MONTARNAL, Pierre.** Funghi. Colour illustrations by Michelle Saint-Aubin, 12mo, pp 160, paperback, covers age-toned. (*Italian edition of the preceeding item*) Milan 1964 £2.00
611. **MOORE, J.A.** Charophytes of Great Britain. Illustrated with line drawings and maps throughout, 12mo, pp 140, an owner's tiny label inside the front cover, otherwise very clean internally, paperback, covers very slightly used and faded. 1986 £11.50
612. **MOORE, J.A. & GREENE, D.M.** Provisional Atlas and Catalogue of British Museum (Natural History) Specimens of the Characeae. Comprises 46 distribution maps and computer printout of species, pp 121, (printed on one side of sheet only), corners bruised, slightly marked and worn, quareto, ringbound paperback, the covers a little worn. SCARCE. Abbots Ripton 1983 £10.00
613. **MORAVEC, Jiri.** A World Monograph of the Genus Cheilymenia (Discomycetes, Pezizales, Pyronemataceae). Well illustrated with line drawings and colour photographs, large octavo, pp 256, paperback, a very good copy. [*Libri Botanici Volume 21*] Munchen 2005 £50.00
614. **MORDUE, J. Elizabeth M., and AINSWORTH, G.C.** Ustilaginales of the British Isles. Illustrated with black and white photographs, large octavo, pp viii, 96, very clean internally, paperback, the upper cover very lightly creased. Kew 1984 £20.00
615. **MORRIS, Ian.** An Introduction to the Algae. Illustrated with small line drawings in the text, small octavo, pp 189, brown cloth with very slight signs of wear, the dustwrapper is a bit worn and frayed. [*Richard Fitter's copy, with his stamp on the front endpaper and one other signature.*] 1967 £4.00
616. **MOSER, Meinhard.** Ascomyceten (Schlauchpilze) [Gams Kleine Kryptogamenflora Band IIa]. Seven plates with many small line drawings, tall 12mo, pp (4), 147, green cloth, very good. [*Ted Batten's copy with signature on the title page.*] Stuttgart 1963 £15.00
617. **MOSER, Meinhard.** Die Rohrlinge und Blatterpilze (Polyporales, Boletales, Agaricales, Russulales). [Gams Kleine Kryptogamenflora Band IIb/2 Basifiomyceten – 2 Teil]. Fourth edition. Illustrated with 13 plates of tiny line drawings, small tall octavo, pp xiv, 532, with the colour chart in the rear pocket, slight sellotape marks on the endpapers, otherwise a very good copy. [*Ted Batten's copy.*] Stuttgart 1978 £25.00
618. **MOSER, Meinhard.** Keys to Agarics and Boleti (Polyporales, Boletales, Agaricales, Russulales). Illustrated with 13 plates showing 429 tiny line drawings, octavo, pp 535, green cloth, a very good copy, as new. SCARCE. [The work comprises, in English, a complete set of keys to all genera of the larger fungi to be found within Europe. An essential work.] 1983 £15.00
619. **MOSER, Meinhard.** Die Gattung Phlegmacium (Schleimkopfe). Illustrated with 6 plates (one being a short colour chart), large octavo, pp 440, exceptionally clean internally, cloth-backed boards, a very good copy. Bad Heilbrunn 1960 £65.00
620. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 1 (& 2 ?) Farbatlas der Basidiomyceten. Large octavo, pp viii, 88 + 152 detailed colour photographic plates, ringbound in green plastic case, a very good copy. [I believe that Parts 1 & 2 were published together, and following this each part was issued seperately.] 1985 £25.00
621. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 3 Farbatlas der Basidiomyceten. Octavo, pp (30) + 76 colour photographic plates, looseleaf, unbound as issued. 1986 £15.00
622. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 4 Farbatlas der Basidiomyceten. Large octavo, pp (26) + 74 colour photographic plates, looseleaf and ringbound in the original plastic folder. 1987 £25.00
623. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 5 Farbatlas der Basidiomyceten. Octavo, pp (26) + 67 loose colour photographic plates, unbound as issued, in a torn and frayed sleeve. 1988 £15.00
624. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 6 Farbatlas der Basidiomyceten. Octavo, pp (20) + 73 loose colour photographic plates, unbound as issued, in a torn and frayed sleeve. 1988 £15.00
625. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 7 Farbatlas der Basidiomyceten. Large octavo, pp [32] + 84 detailed colour photographic plates, ringbound in green plastic case, a very good copy. 1989 £25.00

626. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 8 Farbatlas der Basidiomyceten. Octavo, pp (36) + 70 loose colour photographic plates, unbound as issued, in a very torn and frayed sleeve. 1990 £15.00
627. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 10 Farbatlas der Basidiomyceten. Octavo, pp (84) + 55 loose colour photographic plates, unbound as issued, in a slightly torn and frayed sleeve. 1992 £15.00
628. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 11 Farbatlas der Basidiomyceten. Octavo, pp (58) + 58 loose colour photographic plates, unbound as issued, in a slightly torn and frayed sleeve. 1993 £15.00
629. **MOSER, Meinhard.** Colour Atlas of Basidiomycetes. Lieferung 12. Farbatlas der Basidiomyceten. Large octavo, pp [20] + 84 detailed colour photographic plates, ringbound in green plastic case, a very good copy. 1994 £25.00
630. **MOSTERT, Lizel; GROENEWALD, Richard C. Summerbell; GAMS, Walter & CROUS, Pedro W.** Taxonomy and Pathology of Togninia (Diaporthales) and its Phaeoacremonium anamorphs. Well illustrated with colour photographs, tall quarto, pp viii, 115, very clean internally, paperback, corners slightly curled throughout, otherwise a very good copy. Utrecht 2006 £35.00
631. **MULLER, Emil.** Zur Pilzflora des Aletschwaldreservats (Kt. Wallis, Schweiz): Liste der im Reservat vorkommenden niederen Pilze, Ascomyceten, Deuteromyceten und parasitischen Basidiomyceten. Illustrated with a few line drawings in the text, large octavo, pp 126, paperback, a very good copy. [*Sheila Francis' copy, inscribed by the author on the upper cover.*] Wetzikon 1977 £27.50
632. **MUNK, Anders.** Danish Pyrenomycetes – a preliminary flora. Illustrated with small line drawings in the text, large thick octavo, pp 491, slightly used internally, paperback, covers rather worn and creased. [*With the signature of the mycologist J.P. Blunt on the title page*] Copenhagen 1966 £45.00
633. **MURRAY, George.** On a New Species of Rhipilia (R. Andersonii) from Mergui Archipelago; and On Two New Species of Lentinus, One of Them Growing on a Large Sclerotium. With two colour litho plates, quarto, pp [7], very clean internally with the bookplate of the South London Botanical Institute, paperback, a very good copy. Linnean Society 1886 £10.00
634. **MURRAY, George.** On New Species of Caulerpa, with Observations on the Position of the Genus. With two tinted plates, quarto, pp [6], very clean internally, with the bookplate of the South London Botanical Institute, paperback, the covers very slightly age-toned. Linnean Society 1891 £10.00
635. **MURRAY, J.S.** Rusts of British Forest Trees. Illustrated, slim octavo, pp 15, paperback, very slightly worn. [*Forestry Commission booklet 4.*] 1955 £6.00
636. **MYCOLOGICAL PAPERS.** Numbers 1 – 141 [lacking just two parts : 55 and 140], the first 25 are bound in one volume, blue cloth, the rest in paper covers as issued. In very good condition. [*From the library of Sheila Francis, with just the odd signature*] 1925 – 1971 £350.00
637. **MYXOMYCETES.** A major collection of about 200 offprints and reprints, mainly 1980-2000, but a few earlier. Comprises additions to floras, new species, taxonomic revisions and some monographs. Various sources and languages. A fair number are photocopies, but if so these are neatly bound in card covers. A great treasure-trove for the specialist ! £45.00
638. **NANNENGA-BREMEKAMP, N.E.** De Nederlandse Myxomyceten. Illustrated with line drawings throughout, large octavo, pp 440, very clean internally, decorated green cloth in very good condition, the dustwrapper is very slightly faded on the spine. (With the 1979 correction booklet loosely inserted – paginated 441-46). [*Richard Batten's copy, though not signed, but with a brief note from the author*] Zutphen 1974 £60.00
639. **NANNFELDT, J.A.** Pirottaea (Discomycetes inoperculati), A Critical Review. Illustrated, large octavo, pp 41, very clean internally, bound in blue cloth. [*Richard Batten's copy.*] {Symbolae Botanicae Upsaliensis XXV:1, which also contains Mats Thulin's Revision of Taverniera (Leguminosae-Papilionoideae), pp 42-95}. Uppsala 1985 £20.00
640. **NANNFELDT, J.A.** Studien ueber die Morphologie und Systematik der nicht-lichenisierten inoperculaten Discomyceten. Illustrated with 20 plates at the rear, line drawings throughout the text, quarto, pp 368, slight waving to the upper corners, smartly bound in green cloth, the lower cover very slightly marked, original paper covers bound in at the rear. [*With Richard Batten's surname pencilled on the title page.*]{*Nova Acta Regiae Societatis Scientiarum Upsaliensis Ser. IV, Vol 8, No 2*}

Uppsala 1932 £22.50

641. **NANFELDT, J.A.** Stray Studies in the Coronophorales (Pyrenomycetes) 1 – 8. In two parts, a few illustrations. slim paperbacks, octavo, pp [17; 46], very good. [Svensk. Botanisk Tidskrift] 1975 £6.00
642. **NATARAJAN, K. & KOLANDAVELU, K.** Resupinate Aphyllophorales of Tamil Nadu, India. Illustrated with line drawings, octavo, pp (2), 133, paperback, very slight signs of use. [*Presentation copy to David Hawksworth, and with his blind-stamp on the title page.*] Chennai 1998 £10.00
643. **NBS MICROSCOPY BOOKLETS.** Eleven slender booklets, small octavo, each of 8 – 12 pages, very good condition. [*Looking at Everyday Things. Making Mounts in Glycerine Jelly. Making simple Mounts in Canada Balsam. Staining Handcut Botanical Sections. Collecting, Examining and Preserving Freshwater Organisms. Making Fluid Mounts. Dissecting and Mounting Parts of Honey Bee, Worker and Drone. Dissecting and Mounting Arthropod Parts. Making Mounts of Whole Insects and Insect Stages. Staining Whole Mounts and Dissecting Stained Freshwater Shrimps. An Introduction to the Identification of Algae.*] Northern Biological Supplies 1971 – 1974 £5.00
644. **NEARING, G.G.** The Lichen Book – Handbook of the Lichens of Northeastern United States. Illustrated with small line drawings throughout, large thick octavo, pp (4), 648, fore-edge very slightly marked, front endpaper slightly marked, red cloth slightly worn, the upper cover very scuffed. Ashton 1962 £25.00
645. **NEERGAARD, Paul.** Danish Species of Alternaria and Stemphylium – Taxonomy, Parasitism, Economical Significance. Illustrated with a few small charts, line drawings and photographs, large thick octavo, pp 560, uncut and unopened, with the accompanying bookplate loosely inserted and also the single page addition slip, paperback, covers a little rubbed and chipped, the spine creased, and ex-library copy with a stamp on the upper cover and a label on the spine, but no other markings. Copenhagen & Oxford, 1945 £8.50
646. **NEUHOFF, Walther.** Die Milchlinge (Lactarii). Octavo, not illustrated, pp 248, fore-edge very slightly marked otherwise very clean internally, cloth-backed boards, very good. Bad Heilbrunn 1956 £30.00
647. **NEWTON, Lily.** A Handbook of the British Seaweeds. Illustrated with line drawings throughout, octavo, pp xiv, 478, slight signs of use internally, green cloth very slightly worn and marked, joints lightly rubbed, a slight crease to the spine. British Museum 1931 £10.00
648. **NEWTON, Lily.** A Handbook of the British Seaweeds. Illustrated with line drawings throughout, octavo, pp xiv, 478, slightly used internally, a small sellotape repair to the front endpaper, green cloth slightly worn and marked, joints lightly rubbed. [*Richard Fitter's copy, with his signature on the front endpaper, and a very few pencil notes in the text.*] British Museum 1931 £11.50
649. **NEWTON, M.E.; WANSTALL, P.J. & JURY, S.L. (editors).** Bryology: Modern Research and the Ways Forward. [A tribute to the Bicentenary of the Linnean Society of London]. Illustrated with a few maps, large octavo, pp [92], paperback, a very good copy. 1988 £7.00
650. **NIENHUIS, P.H.** Zeewieren Determineertabellen voor de Meest Opvallende Nederlandse zee- und Brakwaterwieren. Illustrated with line drawings, small thin octavo, pp 35, paperback, a very good copy. Goes 1969 £4.50
651. **NOBLE, Mary & RICHARDSON, M.J.** An Annotated List of Seed-borne Diseases. Second edition. Octavo, pp viii, 191, paperback, a bright clean copy. Kew 1968 £15.00
652. **NOGRASEK, Andrea.** Ascomyceten auf Gefasfpflanzen der Polsterseggenrasen in den Ostalpen. Illustrated with line drawings within the text, octavo, pp (2), 271, with the corrigenda slip loosely inserted, very clean internally, paperback, a slight crease to the spine. Berlin & Stuttgart 1990 £25.00
653. **NOORDELOOS, Machiel E.** Enteloma s.l. (Fungi Europaei Volume s 5 & 5a). Two volumes, pp 1378 (including 88 coloured plates from watercolours, three plates from photographs and 342 other illustrations), a tiny abrasion to the endpaper of the first volume otherwise immaculate internally, pictorial boards in excellent condition. Saronna 1992 – 2004 £185.00
654. **NORRIS, Richard E.** The Marine Red Algae of Natal, South Africa : Order Gelidiales (Rhodophyta). Illustrated with line drawings, slim quarto, pp 43, very clean internally, paperback, the covers very slightly age-toned. Cape Town 1992 £10.00
655. **NORSKE SOPPNAVN – Utgitt av den Norske Soppnavnkomiteen av 1968.** Small octavo, pp (4), 83, a good clean copy. Trykkeri 1976 £15.00
656. **NUNEZ, M. & RYVARDEN, L.** The Genus Aleurodiscus (Basidiomycotina). Illustrated with line

- drawings, small octavo, pp 164, very clean internally, paperback, the upper cover slightly creased.
Oslo 1997 £25.00
657. **NYHOLM, Elsa & ARNELL, Sigfrid.** Illustrated Moss Flora of Fennoscandia (in 7 parts). Second edition. Comprising Volume 1 – Hepaticae, and Volume II Musci (in 6 fascicles). Illustrated with line drawings, slightly used internally, large octavo, paperback, covers slightly rubbed, but a good set.
Lund 1974 – 1979 £110.00
658. **NYHOLM, Elsa & ARNELL, Sigfrid.** Illustrated Moss Flora of Fennoscandia (in 7 parts). A mixed edition set: Volume 1 –Hepaticae and Volume 2 fasc 1, 2 & 3 are first editions, the others are all second edition. Illustrated with line drawings, Hepaticae is uncut and unopened, Musci Fasc 5 is completely broken with loose pages, otherwise the paperback covers are just a little faded and worn.
Lund 1954 – 1974 £65.00
659. **OLTMANN, Friedrich,** Morphologie und Biologie der Algen. Erster Band, Spezieller Teil. Illustrated with line drawings in the text, large octavo, pp vi, 733, a very clean duplicate from Royal Holloway College. *[In a superb binding by Bickers & Son – full tree calf, ornate gilt decorated spine, Holloway gilt stamp on the upper cover, inner dentelles gilt, fine marbled endpapers, marbled edges.]*
Jena 1904 £25.00
660. **ONIONS, A.H.S.; ALLSOPP, D. & EGGINS, O.W.** Smith's Introduction to Industrial Mycology. Seventh edition. Large octavo, pp viii, 398, very slightly used internally, paperback, covers very slightly worn. [Prtricia Wiltshire's copy, with her label inside the front cover.
1986 £25.00
661. **ORANGE, Alan.** Lichens on Trees – a guide to some of the commonest species. Well illustrated, small slender octavo, pp 48, paperback, a good clean copy.
Cardiff 1994 £20.00
662. **ORANGE, Alan, JAMES, P.W. & WHITE, F.J.** Microchemical Methods for the Identification of Lichens. Quarto, pp 101, paperback, the slightest signs of use.
2001 £25.00
663. **OSTENFELD, C.H.** The Sea Grasses of West Australia. A few small line drawings within the text, slim octavo, pp 44, age-toned, paperback, covers detached and chipped. *[Dansk Botanisk Arkiv Bind 2 nr 6]. {From the library of the botanist Eric Groves with his stamp on cover.}* Copenhagen 1916 £6.50
664. **OUDEMANS, C.A.J.A.** Enumeratio systematica fungorum in omnium herbarum Europaeorum organis diversis hucusque observatorum mentione facta fontium litterariorum diagnoses eorum figurasque proferentium. Five volumes, large thick octavo, pp cxxvi, 1230; xx, 1069; xvi, 1313; xiv, 1231; viii, 999, occasional slight marking internally but otherwise extremely tight and clean, newly bound in blue cloth with the original covers and spines laid down. [With a preface in English, French, German and Dutch]
1919-1924 £55.00
665. **OZENDA, Paul & CLAUZADE, Georges.** Les Lichens – Etude Biologique et Flore Illustree. Well illustrated with black and white photographs and line drawings, large thick quarto, pp 801, very clean internally, decorated cloth very slightly worn, the lower corner bruised.
Paris 1970 £150.00
666. **PAGE, Frederick.** The Culture and Use of Free-Living Protozoa in Teaching. Illustrated with black and white photographs, small slim octavo, pp 54, paperback, very good copy. Cambridge 1981 £10.00
667. **PAPERS AND OFFPRINTS.** A collection of about 90 mycological papers, c.1920 – 1990, taxonomic, additions to floras, a few small monographs, mainly in English. Some are photocopies but if so they are usually neatly bound in cards.
£15.00
668. **PARIHAR, N.S.** An Introduction to Embryophyta : Volume 1 – Bryophyta. Illustrated with line drawings, octavo, pp viii, 377, slightly used internally, green cloth a bit worn and marked, in a very poor dustwrapper.
Allahabad 1969 £5.00
669. **PARKINSON, D. & WAID, J.S. (editors).** The Ecology of Soil Fungi – an international symposium. Octavo, not illustrated, pp xiv, 324, clean internally, green cloth, corners slightly bruised. *[David Hawksworth's copy, with his stamp and blindstamp.]*
Liverpool 1960 £10.00
670. **PARMASTO, Erast.** Distribution Maps of Estonian Fungi 3.[Eeste Seentle Levikuatlas 3]. Large octavo, pp (c.200), bilingual text English/Estonian, fore-edge slightly bruised, paperback, covers very slightly worn. *[David Hawksworth's copy, with his blindstamp on the title page]* Tartu 2004 £20.00
671. **PATON, J.A.** Census Catalogue of British Hepatics. Fourth edition. Small slim octavo, pp 50, paperback, covers a little age-toned, otherwise very good.
1965 £3.50
672. **PATON, Jean A.** The Liverwort Flora of the British Isles. Illustrated with many line drawings, quarto, pp 626, very clean internally, pictorial laminated boards with very slight signs of use. *[With the*

- laminated symbols slip and the original invoice loosely inserted.]* Great Horkesley 1999 £185.00
673. **PATTERSON, D.J. & HEDLEY, S.** Free-Living Freshwater Protozoa – A Colour Guide. Well illustrated, small quarto, pp 223, pictorial boards, a very good copy. 1992 £50.00
674. **PATTERSON, David J. & LARSEN, Jacob (editors).** The Biology of Free-Living Heterotrophic Flagellates. Illustrated with line drawings and black and white photographs, octavo, pp xvi, 505, a neat signature on the front endpaper, otherwise very clean internally, blue cloth, very good. [*Systematics Association Special Volume 45*] Oxford 1991 £75.00
675. **PEARSON, A.A.** British Boleti. A colour frontispiece, pp 19, age-toned, small slender octavo, a name and stamp on the upper cover, paperback, covers a little used and marked. Leeds 1950 £4.00
676. **PEARSON, A.A.** The Genus Lactarius. A plain frontispiece, small slender octavo, pp (18), age-toned, paperback, covers slightly worn and marked. [Reprinted from 'The Naturalist'] Leeds 1950 £5.00
677. **PEARSON, A.A.** The Genus Russula. Second revised edition. Frontispiece of spore deposits, small slender octavo, pp 24, age-toned, paperback, covers rather marked, a name and stamp on the upper cover. Leeds 1950 £5.00
678. **PEARSON, A.A.** A Key to the Genera of the Agarics and Boleti. Illustrated with one line drawing, 12mo, pp 32, paperback, slight signs of use. [*From the collection of the naturalist E.W. Swanton.*] [1950 ?] £5.00
679. **PEARSON, A.A. & DENNIS, R.W.G.** Revised List of British Agarics and Boleti. Octavo, pp [45], paperback, a very good copy. Reprint from Trans. Br. Mycol. Soc. Vol XXXI. 1948 £10.00
680. **PEGLER, David N.** Agaric Flora of the Lesser Antilles. Illustrated with line drawings and 27 plates of colour photographs, large thick octavo, pp (2), 668, very clean internally, paperback, covers slightly faded and very slightly worn. 1983 £70.00
681. **PEGLER, David N.** The Polypores. First edition, two line drawings, small slim octavo, pp 33, paperback, a very clean copy. [*Comprises very useful keys*] 1966 £3.50
682. **PEGLER, David N.** The Polypores. Second edition, two line drawings, small slim octavo, pp 43, paperback, a very clean copy. [*Comprises very useful keys*] 1973 £6.50
683. **PEGLER, David N.** The Concise Illustrated Book of Mushrooms and other Fungi. Horizontal octavo, pp 46, pictorial boards, very slightly worn. [*With RBG Kew slip signed by author*] 1989 £3.50
684. **PEGLER, David N.** Field Guide to the Mushrooms and Toadstools of Britain and Europe. Well illustrated with colour drawings, small tall octavo, pp 192, soft covers, very good. [*With RBG Kew slip signed by author*] 1990 £4.00
685. **PEGLER, David N.** The Agarics of Sao Paulo, Brazil – an account of the agaricoid fungi (Holobasidiomycetes). Octavo, pp (2), 68, not illustrated, soft cover, a very good copy. Kew 1997 £18.50
686. **PEGLER, David N.; BODDY, L.; ING, B. & KIRK, P.M. (editors).** Fungi of Europe – Investigating, Recording and Mapping. Illustrated with charts and maps, octavo, pp (6), 322, paperback, a very good copy. Kew 1993 £12.50
687. **PEGLER, David N.; ROBERTS, P.J. & SPOONER, B.M.** British Chanterelles and Tooth Fungi – an account of the British Cantharelloid and Stipitate Hydroid Fungi. Illustrated with colour photographs and line drawings, octavo, pp (4), 114, soft covers, a very good copy. [*Signed by all three authors*] Kew 1997 £30.00
688. **PEGLER, David N.; SPOONER, B.M. & YOUNG, T.W.K.** British Truffles – A Revision of British Hypogeous Fungi. Illustrated with line drawings and colour plates, octavo, pp (4), 216, soft cover, very slightly used. Kew 1993 £22.50
689. **PENTECOST, Allan.** Introduction to Freshwater Algae. Illustrated with line drawings, octavo, pp 247, errata slip loosely inserted, very clean internally, paperback, a very good copy. Richmond 1984 £12.50
690. **PERRY, A. Roy.** Mosses and Liverworts of Woodland – a guide to some of the commonest species. Illustrated, pp 40, small slender octavo, a very good copy. Cardiff 1992 £8.50
691. **PETCH, T.** British Hypocreales. Illustrated with a few small text drawings, octavo, pp [62], very clean internally, paperback, covers a little worn, the spine slightly torn. [*Reprinted from the Transactions of the British Mycological Society, Vol XXI, parts III & IV*] Cambridge 1938 £10.00

692. **PETCH, T.** A collection of reprints from Annals of the Royal Botanic Gardens, Peradeniya, comprising The Pseudo-Sclerotia of *Lentinus Similis* & *Infundibuliformis*. The Phalloideae of Ceylon. Further Notes on the Phalloideae of Ceylon. Papers and Records Relating to Ceylon Mycology and Plant Pathology 1783-1901. A Preliminary List of Ceylon Polypori. The Black Termite of Ceylon. White Ants and Fungi. Termite Fungi : A Resume. Ceylon Lentini. The Genus *Chitoniella*. Ustilagineae and Uredineae of Ceylon. Revisions of Ceylon Fungi parts I, II, III & V. Paperbacks, covers a bit worn, two parts are broken and loose, the rest fairly firm. 1907 – 1917 £45.00
693. **PETRINI, L.E. & MULLER, E.** Teleomorphs and Anamorphs of European Species of Hypoxylon (*Xylariaceae*, *Sphaeriales*) and Allied Genera. Illustrated with line drawings, large octavo, pp [127], paperback, a very good copy. Initialled by the first author on the title page. [*Mycologia Helvetica Volume 1 number 7*] Bern 1986 £15.00
694. **PETRINI, Orlando & LAURSEN, Gary A. (eds).** Arctic and Alpine Mycology 304 : Proceedings of the Third and Fourth International Symposium on Arcto-Alpine Mycology. A few illustrations and charts, small octavo, pp xii, 269, paperback, a very bright copy. [Bibliotheca Mycologica Band 150]. Berlin & Stuttgart 1993 £45.00
695. **PETRINI, Orlando & PETRINI Liliane E.** Schimmelpilze und deren Bestimmung. Illustrated, small octavo, pp viii, 147, unbound in original signatures, a good copy. [*From the library of David Hawksworth, with his embossed stamp on the title page.*] Berlin & Stuttgart 2002 £10.00
696. **PETRINI-KLIEBER, Liliane.** Untersuchungen über die Gattung *Hypoxylon* und verwandte Pilze. Illustrated with line drawings, quarto, pp 185, very clean internally, paperback, in protective grey card folder. [*A Doctoral Thesis*] Zurich 1985
697. **PFISTER, Donald H.** A Nomenclatural Revision of F.J. Seaver's North American Cup-Fungi (Operculates). Small slim octavo, pp 32, paperback, a very good copy. [Occasional Papers of the Farlow Herbarium of Cryptogamic Botany, Number 17] Harvard 1982 £8.50
698. **PHILLIPS, Roger.** The Photographic Guide to Identify Common and Important Mushrooms. Well illustrated, 12mo, pp 160, very slightly age-toned, soft covers, a good copy. 1986 £6.00
699. **PHILLIPS, Roger.** The Photographic Guide to Identify Seashells and Seaweeds. Well illustrated, 12mo, pp 160, soft covers, slightly age-toned, the upper cover lightly creased. 1987 £7.50
700. **PHILLIPS, Roger.** Mushrooms and Other Fungi of Great Britain and Europe. Very well illustrated, quarto, pp 287, paperback, very slightly worn throughout. [*From the library of the Cambridge botanist David Coombe, with his signature on the upper cover and a page of notes regarding Honey Fungus inserted.*] 1981 £10.00
701. **PHILLIPS, Roger.** Mushrooms and Other Fungi of Great Britain and Europe. Very well illustrated, quarto, pp 287, paperback, very slightly worn throughout, with two articles loosely inserted. 1981 £8.50
702. **PHILLIPS, Roger.** Mushrooms and Other Fungi of Great Britain and Europe. Very well illustrated, quarto, pp 287, very clean internally, hardback in green cloth, very slightly marked, in a slightly age-toned dustwrapper. Book Club Associates 1981 £15.00
703. **PHILLIPS, William.** A Manual of the British Discomycetes, with descriptions of all the species of the fungi hitherto found in Britain, included in the family and illustrations of the genera. First edition. Illustrated with 12 litho plates, very small thick octavo, pp xii, 462, + 44 page publisher's catalogue, contents slightly age-toned, a neat tape repair to the hinge at the title page, otherwise a very bright copy internally, very neatly re-cased, with the original spine and covers laid down. [*Sheila Francis' copy, with her maiden name on the title page.*] 1887 £50.00
704. **PHILLIPS, William.** A Manual of the British Discomycetes, with descriptions of all the species of the fungi hitherto found in Britain, included in the family and illustrations of the genera. Second edition. Illustrated with 12 litho plates, pp xii, 462, slightly age-toned and very slightly dusty internally, red cloth a little marked and faded, the spine slightly dull. 1893 £40.00
705. **PICKETT-HEAPS, Jeremy D.** Green Algae : Structure Reproduction and Evolution in Selected Genera. Illustrated with black and white photographs, large quarto, pp viii, 606, a neat signature otherwise very clean internally, pictorial cloth slightly worn. Sunderland, Mass. 1975 £25.00
706. **PILAT, Albert.** Ceske Druhy Zampionu (*Agaricus*) – The Bohemian Species of the Genus *Agaricus*. Illustrated with 14 photographic plates and 3 colour plates from watercolours, large octavo, pp 142, paperback, a very good copy. Prague 1951 £16.50

707. **PILZ, David & Molina, Randy (editors).** Managing Forest Ecosystems to Conserve Fungus Diversity and Sustain Wild Mushroom Harvests. Quarto, pp (6), 104, paperback, lower corners with very faint bruising, otherwise a very good copy. Portland 1996 £15.00
708. **PILZ, David; NORVELL, Lorelei; DANELL, Eric & MOLINA, Randy.** Ecology and management of Commercially Harvested Chanterelle Mushrooms. A few illustrations, quarto, pp 83, lower corner slightly bruised, paperback, a good copy. Portland 2003 £15.00
709. **PITT, L.J. & TAYLOR, P.D.** Cretaceous Bryozoa from the Faringdon Sponge Gravel (Aptian) of Oxfordshire. An illustrated 91 page article contained in the complete issue of Bulletin British Museum (NH), Geology Series Volume 46 number 1, clean internally, paperback, covers rubbed and slightly worn. 1990 £6.50
710. **PLANAS, Dolores.** Estudio al Microscopio Electronico de Algunas Diatomeas Centrales del Genero Cyclotella. Illustrated with 5 plates, large slender octavo, pp (20), paperback, a very good copy. Barcelona 1972 £3.50
711. **PLOWRIGHT, Charles B.** A Monograph of the British Uredineae and Ustilagineae, with an account of their biology including the methods of observing the germination of their spores and of their experimental culture. Illustrated with 8 litho plates and a few line drawings in the text, octavo, pp x, 347, a spectacularly clean copy internally, original orange cloth, just lightly rubbed and dull. [*Duplicate from The Chelsea Physick Garden, with their bookplate.*] 1889 £20.00
712. **PLOWRIGHT, Charles B.** A Monograph of the British Uredineae and Ustilagineae, with an account of their biology including the methods of observing the germination of their spores and of their experimental culture. Illustrated with 8 litho plates and a few line drawings, a little age-toned and slightly weak internally, orange cloth slightly dull and marked, spine faded and faintly spotted. *With the bookplate of E.E. Turner, and various manuscript notes, possibly by him, loosely inserted.*] 1889 £17.50
713. **PLYMOUTH MARINE FAUNA – being notes on the local distribution of species occurring in the neighbourhood of Plymouth, including some other records of species found on the south coasts of Devon and Cornwall and the adjacent offshore waters of the English Channel.** Third edition. A folding map frontispiece, large octavo, pp xlv, 457, very clean internally, cloth-backed boards a little age-toned, otherwise a sound copy. [*From the library of the marine biologist Mary Parke, with her signature on the front endpaper.*] 1957 £10.00
714. **POCS, T. & LUKE, Q.** East African Bryophytes XXV – Bryological Records from the Chyulu Range, Kenya. An illustrated 20 page article contained in the complete issue of Journal of East African Natural History, Volume 96 part 1. Paperback, a very good copy. 2007 £5.00
715. **PORLEY, Ron & HODGETTS, Nick.** Mosses and Liverworts. First edition. NEW. Illustrated, thick octavo, pp xiv, 495, extremely clean internally, green cloth in fine condition, the dustwrapper is not price-clipped and very good. NEW COPY [New Naturalist series] 2005 £35.00
716. **PORLEY, Ron & HODGETTS, Nick.** Mosses and Liverworts. First edition. Illustrated, thick octavo, pp xiv, 495, extremely clean internally, green cloth in very good condition, the dustwrapper is not price-clipped, it is slightly rubbed and soiled on the rear cover. [*New Naturalist series*] 2005 £30.00
717. **PORLEY, Ron & HODGETTS, Nick.** Mosses and Liverworts. Illustrated, thick octavo, pp xiv, 495, very clean internally, paperback, a very good copy. [*New Naturalist series*] 2005 £25.00
718. **POTIER DE LA VARDE, M.R.** Mousses de Gabon. Illustrated with a few line drawings in the text, large octavo, pp 271, uncut edges, clean and sound internally. [*Forms the main part of Memoires de la Societe Nationale des Sciences Naturelles et Mathematiques de Cherbourg, Tome XLII, Cinquieme series – Tome II.*] Paperback, covers worn, chipped and marked, lacking part of the spine. Saint-Lo 1933 – 1936 £65.00
719. **PREMIO GALICIA DE MICOLOXIA.** Resumen de Trabajos Premiados (1983-1991). Illustrated, octavo, pp 143, paperback, a good clean copy. Vigo £7.00
720. **PRESCOTT, G.W.** The Algae: A Review. Illustrated, pp xii, 436, very clean internally, green cloth, corners slightly bruised, in a slightly worn dustwrapper. 1969 £7.50
721. **PREVOST, Benedict.** Memoir on the Immediate Cause of Bunt or Smut of Wheat, and of several other diseases of plants, and on preventives of bunt. Octavo, illustrated with 3 plates, pp 95, paperback, a very good copy. [*Phytopathological Classics Number 6. From the library of the biologist Sir John Burnett, with his signature on the upper cover.*] Menasha 1970 £10.00

722. **PUNITHALINGAM, E.** Graminicolous Ascochyta Species. Illustrated with small line drawings within the text, octavo, pp 214, paperback, a very good copy. [*A review copy for Sheila Francis, though not signed, but with a few notes loosely inserted.*] Kew 1979 £15.00
723. **PURVIS, O.W.; COPPINS, B.J.; HAWKSWORTH, D.L.; JAMES, P.W. & MOORE, D.M.** The Lichen Flora of Great Britain and Ireland. Illustrated with a few line drawings within the text, large thick octavo, pp x, 710, very clean internally, red cloth in very good condition, in a very good dustwrapper. 1992 £50.00
724. **PURVIS, O.W.; COPPINS, B.J.; HAWKSWORTH, D.L.; JAMES, P.W. & MOORE, D.M.** The Lichen Flora of Great Britain and Ireland. Illustrated with a few line drawings within the text, large thick octavo, pp x, 710, very clean internally, red cloth in very good condition, the dustwrapper is faded on the spine, otherwise a very good copy. 1992 £46.50
725. **PURVIS, O.W.; COPPINS, B.J.; HAWKSWORTH, D.L.; JAMES, P.W. & MOORE, D.M.** The Lichen Flora of Great Britain and Ireland. Illustrated with a few line drawings within the text, large thick octavo, pp x, 710, fore-edge slightly thumbed and marked, otherwise very clean internally, red cloth in very good condition, the dustwrapper is torn on the upper cover, and lightly faded on the spine. 1992 £45.00
726. **RABENHORST, Ludovico.** Flora Europaea Algarum Dulcis et Submarinae. Three volumes, portrait frontispiece, numerous line drawings in the text, octavo, three title pages + cumulative title page at front, pp 359; 319; 461, a little foxing to the title pages and preliminaries. This is a reference library copy, and was originally in C.N. Peals's library in Walpole Park, Ealing, London. The binding is a clean library cloth, and there is a library bookplate on each front endpaper. Each title page has a neat category number, and apart from this the only other markings are the original small stamps of the Walpole Park library on title pages and a few other internal pages. The contents are much cleaner than many copies of this very scarce taxonomic work. Leipzig 1864 – 1868 £70.00
727. **RAITVIIR, A.** Synopsis of the Hyaloscyphaceae. Small octavo, pp 116, a folding chart at the rear, a few neat pencilled notes, otherwise very clean internally, neatly bound in brown cloth, the original front cover bound in, a very good copy. RARE Tapy 1970 £35.00
728. **RAMSBOTTOM, John.** Mushrooms and Toadstools – a study of the activities of fungi. New edition. Illustrated, octavo, pp xiv, 306, endpapers slightly foxed, otherwise clean and sound internally, green cloth, a slight bruise at the head of the spine otherwise bright, the dustwrapper is not price-clipped but it is slightly foxed, chipped and with a closed tear on the upper cover. [*From the library of the Kew botanist Alan Radcliffe-Smith, with his signature on the front endpaper.*] New Naturalist 1954 £7.50
729. **RAMSBOTTOM, John.** Mushrooms and Toadstools – a study of the activities of fungi. Fourth impression, illustrated, octavo, pp xiv, 306, very clean internally, green cloth slightly faded. [*David Hawksworth's copy with his signature on the front endpaper.*] New Naturalist 1963 £5.00
730. **RAMSBOTTOM, John.** A Handbook of the Larger British Fungi. First edition. Illustrated with small line drawings, octavo, pp iv, 222, green cloth very slightly rubbed, otherwise very good copy. 1923 £4.00
731. **RAMSBOTTOM, John.** A Handbook of the Larger British Fungi. Illustrated with small line drawings, octavo, pp iv, 222, green cloth very slightly rubbed, otherwise a very good copy. [*From the library of the Kew botanist Gerald Wickens, with his signature on the front endpaper.*] 1949 £4.00
732. **RAMSBOTTOM, John.** A Handbook of the Larger British Fungi. Illustrated with small line drawings, octavo, pp iv, 222, green cloth very slightly rubbed, otherwise a very good copy. [*From the library of Alan Titchmarsh, with his bookplate on the front endpaper*] 1949 £4.00
733. **RAMSBOTTOM, John.** Dry Rot in Ships (Being a Presidential Address delivered on 20th March, 1937). Small slim octavo, pp [36], paperback, a very clean bright copy. [*Ted Batten's copy, Initialled by the author on the upper cover. Reprinted from Essex Naturalist Vol XXV*] £5.00
734. **RAMSBOTTOM, John.** Edible Fungi. Revised edition. Illustrated with 24 colour plates, 12mo, pp 45, pictorial boards, a good copy. King Penguin 1948 £7.50
735. **RAMSBOTTOM, John.** Edible Fungi. First edition. Illustrated with 24 colour plates, 12mo, pp 45, pictorial boards, a little worn throughout. King Penguin 1943 £4.00
736. **RAMSBOTTOM, John.** Poisonous Fungi. First edition. Illustrated with 16 colour plates, 12mo, pp 32, pictorial boards, slightly worn, lacking part of the spine. SCARCE. King Penguin 1945 £12.50
737. **RAMSBOTTOM, John.** The Expanding Knowledge of Mycology Since Linnaeus – A Presidential Address. Illustrated with three plates, small octavo, pp [88], paperback, a very good copy. Reprinted

- from Proceedings of the Linnean Society, Session 151 part 4. [*From the library of the botanist Eric Groves, initialed by the author "with kind regards".*] 1941 £12.00
738. **RAMSBOTTOM, John.** Orchid Mycorrhiza. Three plain photographic plates, large slender octavo, pp [xviii], clean internally, paperback, the covers very slightly worn. [*From the library of the botanist Eric Groves, with his stamp on both covers.*]{*Reprinted from Charlesworth & Co's Catalogue 1922*} £4.00
739. **RAMSBOTTOM, John.** Recent Published Results on the Cytology of Fungus Reproduction. Octavo, pp [37], very clean internally, paperback. Reprinted from Transactions of the British Mycological Society. [*From the library of the botanist Eric Groves, with his stamp on both covers. A presentation copy from the author, with his initials.*] Worcester 1912 £5.00
740. **RAMSBOTTOM, John & BALFOUR-BROWNE, F.L.** List of Discomycetes Recorded from the British Isles. Octavo, pp [100], unbound, slightly worn. [*Reprinted from Transactions of the British Mycological Society, Volume 34.*] 1951 £6.00
741. **RAPER, Kenneth B. & THOM, Charles.** A Manual of the Penicillia. First UK edition. Well illustrated, thick octavo, pp x, 875, fore-edge very much thumbed, rather used and slightly weak internally, blue cloth worn, joints cracked, the spine badly torn. London 1949 £15.00
742. **RASCHLE, Paul.** Taxonomische Untersuchungen an Ascomyceten aus der Familie der Hyaloscypha-cea Nanenfeldt. Illustrated with line drawings, octavo, pp [66], corners bruised, otherwise a good copy, paperback. [*Doctoral thesis – presentation copy to Dr L. Holm from the author*] Zurich 1977 £5.00
743. **RAYBAUD, Laurent.** Influence Du Milieu Sur Les Mucorinees. Illustrated with 4 plates, quarto, pp 256, uncut and unopened, becoming weak internally with spine beginning to split, original paper covers browned chipped and a little marked and worn. (*These Presentees a la Faculte des Sciences de Paris*) (*Without the Propositions donnees par la faculte.*) Marseille 1911 £10.00
744. **RAYNER, R.W. & BRAND, A.W.** A Tabulation of the Genera of the Agaricales (Gill Fungi and Boletes) Based Primarily on Macroscopic Characters. Not illustrated, small slender octavo, pp (14), paperback, very good. [*Reprinted by British Mycological Society*] 1979 £5.00
745. **REA, Carleton.** British Basidiomycetae – A Handbook to the Larger British Fungi. Thick octavo, not illustrated, pp xii, 799, a hinge at the rear cracking but quite sound, otherwise a very good copy, original cloth, the spine very slightly faded. Cambridge 1922 £18.00
746. **REHM, H.** Die Pilze Deutschlands, Österreichs und der Schweiz, 3. Abtheilung: Ascomyceten: Hysteriaceen und Discomyceten. 2 volumes, thick octavo, pp viii, 1275, slightly age-toned otherwise extremely clean and sound internally, bound in quarter cloth and boards, very good. [*Rabenhorst's Kryptogamen-Flora, Zweite Auflage.*] Johnson Reprint Corporation New York & Weinheim 1963 £65.00
747. **REID, Derek A.** Some Fungi from Spitzbergen. Large slender octavo, pp (7), unbound, very slightly worn. [*Reprint from Kevo Subarctic Res. Stat.*] 1979 £3.50
748. **REID, Derek A. & AUSTWICK, Peter K.C.** An Annotated List of the Less Common Scottish Basidio-mycetes (exclusive of rusts and smuts). Small octavo, not illustrated, pp [85], paperback, a good copy. [*The Glasgow Naturalist Volume XVIII part 6*] Glasgow 1963 £7.50
749. **REID, Derek A.; MOSER, Meinhard, BON, Marcel (et al).** Coloured Icones of Rare and Interesting Fungi [Fungorum Rariorum Icones Coloratae], Parts I – XII. With 96 coloured plates, 12 parts, slim octavo, 4 parts are a little bruised at the upper corner, otherwise all in good condition, paperbacks. RARE. Lehre & Vaduz 1966 – 1981 £135.00
750. **REID, Philip C.; TURLEY, Carol M. & BURKILL, Peter H. (editors).** Protozoa and Their Role in Marine Processes. A few illustrations, large octavo, pp x, 506, extremely clean internally, laminated boards with just the slightest signs of use. Berlin, Heidelberg, New York, London 1991 £50.00
751. **REVIEW OF APPLIED MYCOLOGY.** Plant Host – Pathogen Index to Volumes 1 – 40 (1922 – 1961). Thick octavo, pp(4), 820, very clean internally, large thick octavo, paperback, the covers slightly worn and creased. Kew 1968 £25.00
752. **RICHARDS, Paul.** A Book of Mosses, with plates from Johannes Hedwig's Descriptio Muscorum. Illustrated with 16 colour plates, 12mo, pp 40, slight age-toning, pictorial boards slightly worn, in a slightly worn and frayed dustwrapper. King Penguin 1950 £10.00
753. **RICHARDS, P.W. & WALLACE, E.C.** An Annotated List of British Mosses. With **JONES, Eustace W.** An Annotated List of British Hepatics. Octavo, pp xxxi, [21], good clean copies bound in plain paper covers. Offprints from Trans.Br.Bryol.Soc. [*The original owner has added a useful index of genera to*

- each part] 1950. 1958 £10.00
754. **RICHARDSON, David.** The Vanishing Lichens – their history, biology and importance. Illustrated with black and white photographs, octavo, pp 231, very clean internally, black cloth in very good condition, in a very good dustwrapper. 1975 £6.50
755. **RICHARDSON, D.H.S.** The Biology of Mosses. Illustrated with black and white photographs and line drawings, octavo, pp xii, 220, a neat signature on the half-title, otherwise very clean internally, paperback, covers age-toned and very slight signs of wear. Oxford 1981 £12.50
756. **RICHARDSON, D.H.S.** Pollution Monitoring with Lichens. Illustrated with line drawings (four of them colour plates), small slim octavo, pp 76, a small price sticker on the inner cover, otherwise very clean internally, paperback, a good copy. Slough 1981 £6.50
757. **RICHARDSON, M.J. & WATLING, Roy.** Keys to Fungi on Dung. Illustrated with a few small line drawings, pp 68, small octavo, a good clean copy. Stourbridge 1997 £12.50
758. **RICHARDSON, M.J. & WATLING, Roy.** Keys to Fungi on Dung. Illustrated with a few small line drawings, pp 68, small octavo, a good clean copy. [Sheila Francis' copy, with her signature on the front endpaper. Stourbridge 1997 £13.50
759. **RICHARDSON, M.J. & WATLING, Roy.** Keys to Fungi on Dung. Illustrated with a few small line drawings, pp 68, small octavo, a good clean copy. [From the library of Ted Batten and Sheila Francis, with a typed letter from the first author.] Stourbridge 1997 £15.00
760. **RIFAI, M.A.** The Australasian Pezizales in the Herbarium of the Royal Botanic Gardens, Kew. Illustrated with line drawings throughout, large octavo, pp 295, very clean internally, paperback, a very good copy with dustwrapper. Amsterdam 1968 £45.00
761. **RINALDI, Augusto & TYNDALO, Vassili.** Mushrooms and Other Fungi – an illustrated guide. Well illustrated with impressive watercolours, quarto, pp 333, an inscription on a front blank, fore-edge stained, otherwise just slightly used internally, orange cloth slightly worn, the dustwrapper is a bit worn and marked. [The scarce hardback edition. From the library of Alan Roger of Dundonnell House and Garden]. 1974 £25.00
762. **ROBERTS, Peter.** Rhizoctonia-forming Fungi – a taxonomic guide. Illustrated with line drawings and black and white photographs, octavo, pp viii, 239, soft covers, a very good copy. Kew 1999 £38.50
763. **ROMAGNESI, Henri.** Les Russules d'Europe et d'Afrique du Nord - essai sur la valeur taxinomique et specifique des caracteres morphologiques et microchimiques des spores et des revetements. First edition. Illustrated with line drawings throughout, large very thick octavo, pp 998 + single page colour chart at rear, fore-edge slightly thumbed, the front endpaper is slightly marked from the type of a document which had been stored there at one time, otherwise extremely clean internally, orange cloth in very good condition. VERY SCARCE 1967 £165.00
764. **ROSE, F.** A Bryophyte Flora of Kent. III – Musci. A 38-page article contained in the complete issue of Transactions of the British Bryological Society Volume 1 part 5. Paperback, good copy. 1951 £6.00
765. **ROSE, F.; STERN, R.C.; MATCHAM, H.W. & COPPINS, B.J.** Atlas of Sussex Mosses, Liverworts and Lichens. Illustrated with small distribution maps, quarto, pp (6), 135, with two small corrigenda slips mounted after the title page, paperback, ringbound, slightly worn. Brighton 1991 £20.00
766. **ROSE, F.; STERN, R.C.; MATCHAM, H.W. & COPPINS, B.J.** Atlas of Sussex Mosses, Liverworts and Lichens. Illustrated with small distribution maps, quarto, pp (6), 135, with a small corrigenda slip mounted after the contents page and with an interesting additional article inserted, paperback, ringbound, slightly worn. [Signed on the title page by the first three authors.] Brighton 1991 £23.50
767. **ROSE, Francis & WOLSELEY, Pat.** Nettlecombe Park – Its History and Its Epiphytic Lichens : an attempt at correlation. Octavo, pp (30), a folding map, unbound and stapled, a bit worn throughout. [Offprint from *Field Studies Volume 6*]. 1984 £3.50
768. **ROSS, R. & SIMS, Patricia.** Notes on Some Diatoms from the Isle of Mull, and other Scottish Localities. Illustrated with three photographic plates, slender octavo, pp (14), paperback, a very good copy, signed by first author on the cover. [Reprinted from *International Journal for Diatom Research*, Volume 1. Lehre 1978 £4.50
769. **ROSSMAN, Amy Y.; SAMUELS, Gary J.; ROGERSON, Clark T. & LOWEN, Rosalind.** Genera of Bionectriaceae, Hypocreaceae and Nectriaceae (Hypocreales, Ascomycetes). Illustrated with line drawings and photographs, quarto, pp 248, paperback, a very good copy. [Studies in Mycology 42]

- Baarn 1999 £35.00
770. **ROTHERO, Gordon P.** Mosses and Liverworts, Naturally Scottish. Well illustrated in colour photographs, small horizontal octavo, pp 39, paperback, very good. Perth 2005 £3.50
771. **ROUND, F.E.** The Biology of the Algae. Second edition, illustrated with line drawings and a few photographs, octavo, pp 278, very clean internally, paperback, a very good copy. 1973 £5.00
772. **RUBNER, Annemarthe.** Revision of Predacious Hyphomycetes in the Dactylella-Monacrosporium Complex. Illustrated with line drawings, octavo, pp 134, paperback, very bright copy. Baarn 1995 £25.00
773. **RUSSELL, T.H.** Mosses and Liverworts – an introduction to their study, with hints as to their collection and preservation. First edition. Illustrated with 10 plates, octavo, pp xiv, 200, a little foxing, (mainly on the last few pages), green decorated cloth, very slightly worn. 1908 £12.00
774. **RUSSELL, T.H.** Mosses and Liverworts – an introduction to their study, with hints as to their collection and preservation. New and revised edition. Illustrated with ten plates, octavo, pp xvi, 211, a little foxing at the last few pages, green decorated cloth, very slightly worn. [*With presentation inscription from the author.*] 1910 £15.00
775. **RYMAN, Svengunnar & HOLMASEN, Ingmar.** Svampar – en falthandbok. Extremely well illustrated with colour photographs, tall thick octavo, pp 718, very clean internally, pictorial boards, the spine is slightly faded, otherwise a very good copy. Stockholm 1986 £22.50
776. **RYMAN, Svengunnar & HOLMASEN, Ingmar.** Pilze – uber 1,500 pilzarten ausfuhrlich beschrieben und in naturolicher umgebung fotografiert. Very well illustrated, tall thick octavo, pp 718, very clean internally, pictorial boards, the spine is slightly faded, binding leaning very slightly. Braunschweig 1992 £95.00
777. **RYVARDEN, L. & GILBERTSON, R.L.** European Polypores, Volumes 1 & 2. Illustrated with line drawings throughout, octavo, pp 743, very clean internally, clothbound, a very bright set. Oslo 1993 - 1994 £120.00
778. **SACCAS, Athanase.** Etude Morphologique et Biologique des Fusicladium des Rosacees. Illustrated with line drawings within the text, large octavo, pp (2), 317, age-toned but otherwise clean and sound, neatly bound in green cloth, the original paper covers bound in at the end, a duplicate from East Malling Research Station with a stamp on the title page and the front endpaper and a shelf number on the spine. SCARCE Paris 1944 £25.00
779. **SAINSBURY, G.O.K.** A Handbook of the New Zealand Mosses. Illustrated with 76 plates of line drawings, large octavo, pp 490, slightly used internally, corners slightly bruised, paperback, the covers a little worn and marked. [*Royal Society of New Zealand Bulletin number 5*] Dunedin 1955 £30.00
780. **SAINSBURY, G.O.K.** A Handbook of the New Zealand Mosses. Illustrated with 76 plates of line drawings, octavo, pp 490, very clean internally, paperback, a very bright copy. [*Royal Society of New Zealand Bulletin number 5*] {This seems to be identical to the preceeding item, apart from size !!} Dunedin 1955 £35.00
781. **SAMPSON, Kathleen & WESTERN, J.H.** Diseases of British Grasses & Herbage Legumes. First edition, first reprint. Illustrated with line drawings and black and white photomicrographs, octavo, pp (4), 85, very slightly worn internally, paperback, the covers with very slight marks. [Sheila Francis' copy, with her signature]. Cambridge 1942 £9.00
782. **SAMPSON, Kathleen & WESTERN, J.H.** Diseases of British Grasses & Herbage Legumes. Second edition. Illustrated with line drawings and black and white photographs, large octavo, pp xiv, 118, green cloth, an immaculate copy in a very slightly worn dustwrapper. Cambridge 1954 £13.50
783. **SAMUELS, Gary J.; ROSSMAN, Amy Y.; CHAVERRI, Priseila; OVERTON, Barrie E. & POLDMAA, Kadri.** Hypocreales of the Southeastern United States : an identification guide. Well illustrated with colour photographs, tall quarto, pp x, 145, very clean internally, paperback, ringbound, in very good condition. [*David Hawksworth's copy, with his blindstamp on the endpaper*] Utrecht 2006 £40.00
784. **SANDGREN, Craig D.; SMOL, John P. & KRISTIANSEN, Jorgen (editors).** Chrysophyte Algae – ecology, phylogeny and development. Illustrated with charts and a few photographs, octavo, pp xiv, 399, very clean internally, black cloth in very good condition, the dustwrapper is just very slightly worn. Cambridge 1995 £35.00
785. **SANKARAN, K.V.; SUTTON, B.C. & MINTER, D.W.** A Checklist of Fungi Recorded on Eucalyptus. Large octavo, not illustrated, pp 376, very clean internally, paperback, the very slightest signs of use to

- the covers. Wallingford 1995 £20.00
786. **SANTESSON, Rolf.** Foliicolous Lichens I – a Revision of the Taxonomy of the Obligately Foliicolous Lichenized Fungi. Illustrated with small black and white photographs within the text, small thick quarto, pp 590, very slightly weak internally, paperback covers slightly worn and creased, the spine wrinkled. [From the library of the agricultural mycologist Dr C.A. Thorold, with signed inscription from the author on the cover.] Uppsala 1952 £30.00
787. **SAXENA, P.N.** Algae of India – 1. Chaetophorales. Illustrated with a few small line drawings, small octavo, pp 59, paperback, very slightly worn. Lucknow 1962 £5.00
788. **SAYRE, Geneva.** Cryptogamae Exsiccatae – An Annotated Bibliography of Exsiccatae of Algae, Lichenes, Hepaticae and Musci. Part V – Unpublished Exsiccatae I : Collectors. Large octavo, pp (146), paperback, a very good copy. [Memoirs of New York Botanical Garden, Volume 19, number 1. From the library of the botanist Eric Groves, with his stamp on both covers.] A most useful bibliographic tool. New York 1975 £20.00
789. **SCHEUER, Christian.** Ascomyceten auf Cyperaceen und Juncaceen im Ostalpenraum. Illustrated with 32 simple plates of line drawings, small octavo, pp (2), 274, paperback, a very good clean copy. Berlin 1988 £25.00
790. **SCHLEICHER, J.C.** Catalogus hucusque absolutus omnium plantarum in Helvetia cis et transalpina sponte nascentium. Third edition. Small slim 12mo, pp 48, very clean internally, original (?) dark brown paper covers, a slight scuff to the lower cover, otherwise in remarkable condition. An exceptional copy. [Schleicher was German - born, a botanist, bryologist, mycologist, pteridologist, and algologist and settled in Switzerland around 1790. He owned a firm selling living plants as well as herbarium specimens. There were four editions of this work. "The catalogues provide names without descriptions but with very abbreviated references to other authors. For this reason the names in these catalogues may be of nomenclatorial importance" - Stafleu.] Bex, Canton de Vaud, Switzerland 1815 £65.00
791. **SCHMID, I. & H.** Ascomyceten im Bild. Two volumes in one, comprises 100 colour photographic plates, with line drawings and descriptive text, ringbound in plastic folder. [From the library of Ted Batten, with an addressed card for the third series] Eching [1990-1991] £50.00
792. **SCHROERS, Hans-Josef.** A Monograph of Bionectria (Ascomycota, Hypocreales, Bionectriaceae) and its Clonostachys Anamorphs. Illustrated with line drawings and photographs, quarto, pp 214, paperback, a very good copy. [Studies in Mycology 46] Baarn 2001 £30.00
793. **SCHUSTER, Rudolf M.** Boreal Hepaticae – A Manual of the Liverworts of Minnesota and Adjacent Regions. Illustrated with many line drawings and distribution maps, octavo, pp [327], extremely clean internally, blue cloth, lower corners very slightly bumped. [The rare original printing of the first part, published as Volume 42 number 2 of The American Midland Naturalist] Notre Dame, Indiana 1953 £60.00
794. **SCHUSTER, Rudolf M.** Boreal Hepaticae – A Manual of the Liverworts of Minnesota and Adjacent Regions. Illustrated with many line drawings and distribution maps, octavo, pp [327]; [227, extremely clean internally, grey cloth, binding leaning very slightly, otherwise a very good copy. Very Scarce. [This Cramer reprint includes the second part, devoted to ecology, originally published in 1957.] Vaduz 1977 £100.00
795. **SCHUSTER, Rudolf M.** The Hepaticae and Anthocerotae of North America, East of the Hundredth Meridian. Six volumes. Well illustrated with over 1000 botanical line drawings, large thick octavo, one page in the second volume with a production fault (a corner crease – no loss of text), otherwise immaculate internally, green cloth in very good condition, volumes 5 & 6 have dustwrappers, a very fine set. [From the library of the bryologist W.D. Foster with his tiny label in each volume] New York and Chicago 1996 – 1992 £850.00
796. **SCHUSTER, Rudolf M.** The Hepaticae and Anthocerotae of North America, East of the Hundredth Meridian. Volume 2 only. Well illustrated, large thick octavo, pp xiv, 1062, fore-edge very faintly foxed, green cloth slightly worn, the joints a bit strained. New York 1969 £20.00
797. **SCHUSTER, Rudolf M.** New Manual of Bryology. 2 volumes, small quarto, illustrated with line drawings, pp viii, 1295, very clean internally, red cloth in very good condition, the dustwrappers have just very slight signs of use. Miyazaki 1983 -1984 £40.00
798. **SEA-WEED PRODUCTS.** A thick printed card folder (presumably made from seaweed), containing five pamphlets : Algae as Industrial Raw Material (by Dr N. Wille), Sea-weed Curative Health Bath Case-Book (by Dr J. Reinhardt Natvig), The Tangin Bath, Tangin Curative Health Bath – the opinion of

- doctors, Norgin and its Use. [*From the library of the botanist Eric Groves, with his stamp on the covers*] RARE Kristiania 1918-1919 £30.00
799. **SEAVER, Fred J.** The North American Cup-Fungi (Inoperculates). Illustrated with 75 black and white plates, octavo, pp (2), x, 428, very clean internally, yellow cloth with very slight signs of use. [Originally published by the author in 1951]. Facsimile reprint, Monticello 1978 £45.00
800. **SEAVER, Fred J.** The North American Cup-Fungi : (Operculates). [Originally published by the author in 1928]. Illustrated with 74 black and white plates, tall octavo, pp (8), 377, very clean internally, yellow cloth in very good condition. Facsimile reprint, Monticello 1978 £40.00
801. **SEAWARD, M.R.D. & HITCH, C.J.B.** Atlas of the Lichens of the British Isles, Volume 1. Illustrated with 176 distribution maps, tall quarto, paperback, covers very slightly worn. Cambridge 1982 £10.00
802. **SEIFERT, Keith A.** A Monograph of Stilbella and some Allied Hyphomycetes. Illustrated with line drawings and a few photographs, octavo, pp 235, very clean internally, paperback, covers with very slight signs of use. [*David Hawksworth's copy with his stamp on the upper cover*] Baarn 1985 £30.00
803. **SETCHELL, William Albert.** Limu. Not illustrated, large slender octavo, pp [22], paperback, the covers very slightly worn. [University of California Publications, Botany, Volume 2 number 3]. [*From the library of the botanist Eric Groves, with his stamp on both covers.*] Berkeley 1905 £10.00
804. **SHAW, A. Jonathan & GOFFINET, Bernard. (editors).** Bryophyte Biology. A few illustrations within the text, thick octavo, pp x, 476, very slightly used internally, a neat signature on the half-title, otherwise very clean internally, paperback, very slight use to the covers. Cambridge 2000 £30.00
805. **SHERRIN, W.R.** Census Catalogue of British Sphagna. Small slender octavo, pp [7], printed on one side only, paperback, the upper corners a little folded throughout. [*From the library of the botanist Eric Groves, with his stamp on both covers.*] Berwick-upon-Tweed 1937 £3.50
806. **SHERWOOD, Martha A.** The Ostropalean Fungi. Illustrated with line drawings, octavo, pp 277, lower corners very slightly bruised, paperback, covers slightly age-toned. [*Reprinted from Mycotaxon Volume V, Number 1.*] 1977 £30.00
807. **SIDE, A.G.** An Atlas of the Bryophytes Found in Kent. Illustrated with many distribution maps, small octavo, pp 140, cloth-backed bds very slightly rubbed, but a good clean copy. Maidstone 1970 £10.00
808. **SINGER, Rolf.** Die Rohrlinge. Two volumes, slim octavo, not illustrated, pp 131; 151, very slight age-toning, otherwise very clean internally, cloth-backed boards, very good. [*Without the volumes of illustrations*] Bad Heilbrunn 1965-7 £30.00
809. **SINGH, Ajay.** Lichenology in Indian Subcontinent, 1966-1977. Large slim octavo, pp (4), 112, not illustrated, slightly age-toned but otherwise very clean internally, paperback, covers a little marked, otherwise a good sound copy. Lucknow 1980 £4.00
810. **SIVANESAN, A.** The Genus Venturia. Illustrated with line drawings and eight photographic plates, octavo, pp 138, pictorial cloth a very bright copy, signed by author. Vaduz 1977 £85.00
811. **SIVANESAN, A.** The Bitunicate Ascomycetes and their anamorphs. Illustrated with 376 line drawings, thick octavo, pp 701, pictorial cloth, a very bright copy. Vaduz 1984 £150.00
812. **SIVANESAN, A.** The Bitunicate Ascomycetes and their anamorphs. Illustrated with 376 line drawings, thick octavo, pp 701, pictorial cloth, very slightly worn. [Sheila Francis' copy with her signature on the front endpaper.] Vaduz 1984 £140.00
813. **SKUJA, H.** Taxonomie des Phytoplanktons Einiger Seen in Uppland, Schweden. Illustrated with 39 plates, large thick octavo, pp 399, corners a little bruised throughout, otherwise clean internally, paperback, covers slightly worn. A previous owner has written the publication date on the title page and on the upper cover. Uppsala 1948 £25.00
814. **SKUJA, H.** Grundzuge der Algenflora und Algenvegetation der Fjeldgegenden un Abisko in Schwedisch-Lappland. Illustrated with 69 plates of line drawings, thick quarto, pp 465, very clean internally, paperback, covers slightly worn. [*With an inscription from the author to the marine botanist Dr Mary Parke.*] Uppsala 1964 £35.00
815. **SKUJA, H.** Taxonomische und Biologische Studien über das Phytoplankton Schwedischer Binnengewässer. Illustrated with 63 plates of line drawings, quarto, pp 404, very slightly used internally, paperback, the covers a bit worn, chipped and frayed. [*With an inscription from the author to the marine botanist Dr Mary Parke.*] Uppsala 1956 £125.00

816. **SMALL, James.** Quantitative Evolution IX – XIII : Details of the History of Diatoms. Illustrated with a few diagrams, pp (85), rather dog-eared at the corners, paperback, the covers creased and torn. A duplicate from Queen's University Belfast with their stamp, "with the author's compliments" on the upper cover. [*Proceedings of the Royal Irish Academy*] Dublin 1948 £10.00
817. **SMITH, Alexander H.** Puffballs and Their Allies in Michigan. Illustrated with 43 plates of black and white photographs, octavo, pp xii, 131, (i), extremely clean internally, brown cloth in very good condition. [*Sheila Francis' copy, with her signature*] Michigan 1951 £25.00
818. **SMITH, Alexander H.** The North American Species of Psathyrella. Illustrated with 95 plates of black and white photographs, many line drawings, large thick octavo, pp (2), 525,(i), extremely clean internally, paperback, a very bright copy. [*Memoirs of the New York Botanical Garden, Volume 24.*] New York 1972 £85.00
819. **SMITH, A.J.E.** The Moss Flora of Britain and Ireland. Illustrated with line drawings throughout, thick octavo, pp (4), 706, very clean internally, green cloth in excellent condition, the dustwrapper shows only the slightest signs of use. Cambridge 1978 £35.00
820. **SMITH, A.J.E.** The Moss Flora of Britain and Ireland. Illustrated with line drawings throughout, thick octavo, pp (4), 706, very slightly used internally, green cloth very slightly faded, the dustwrapper is a little worn and scuffed, with a tear at its spine head. [*Signed by artist and illustrator on the title page.*] Cambridge 1978 £32.00
821. **SMITH, A.J.E.** The Moss Flora of Britain and Ireland. Illustrated with line drawings throughout, thick octavo, pp (4), 706, rather used internally, the hinge at the half-title weak, green cloth slightly worn, an owner's small label on the front endpaper and a bookseller's small label on the half-title, the dustwrapper is VERY worn. Cambridge 1978 £15.00
822. **SMITH, A.J.E.** The Moss Flora of Britain and Ireland. Illustrated with line drawings throughout, thick octavo, pp (4), 706, upper corners slightly bruised throughout, otherwise very clean internally, paperback, very slightly creased and used. Cambridge 1980. £24.00
823. **SMITH, A.J.E.** The Moss Flora of Britain and Ireland. Illustrated with line drawings throughout, thick octavo, pp (4), 706, the last sixty pages lightly creased at the upper corner and fore-edge, otherwise very clean internally, paperback, the lower cover creased and a bit marked. Cambridge 1980 £22.50
824. **SMITH, A.J.E.** The Moss Flora of Britain and Ireland. Illustrated with line drawings throughout, thick octavo, pp (4), 706, age-toned, lower corners very slightly bumped, otherwise very clean internally, paperback, covers very slightly worn and toned. Cambridge 1990 £21.50
825. **SMITH, A.J.E.** The Liverworts of Britain and Ireland. Illustrated with line drawings throughout, octavo, pp x, 362, very clean internally, blue cloth in excellent condition, in a very good dustwrapper. Cambridge 1990 £30.00
826. **SMITH, A.J.E.** The Liverworts of Britain and Ireland. Illustrated with line drawings throughout, octavo, pp x, 362, very clean internally, paperback, a very good copy. Cambridge 1991 £25.00
827. **SMITH, A.J.E.** The Liverworts of Britain and Ireland. Illustrated with line drawings throughout, octavo, pp x, 362, a bit used internally, corners slightly bruised, paperback, covers a little worn and creased. Cambridge 1991 £15.00
828. **SMITH, A.J.E.** Provisional Atlas of the Bryophytes of the British Isles. Quarto, pp (iv) + 105 full page maps, very slightly worn internally, ringbound paperback, the spine slightly worn. 1978 £7.50
829. **SMITH, A.J.E. (editor).** Bryophyte Ecology. A few illustrations, large octavo, pp x, 511, very clean internally, red cloth, a tiny crease to the spine otherwise very good, in a very slightly worn dustwrapper. 1982 £60.00
830. **SMITH, Annie Lorrain.** A Monograph of the British Lichens – a descriptive catalogue of the species in the British Museum. Second edition. Two volumes, pp xxiv, 520 +71 plates; viii, (ii), 448 + 63 plates, a few lightly pencilled notes in the margins, slightly used internally, green cloth, slightly rubbed, the second volume leaning slightly and with base of spine bruised. 1918 - 1926 £60.00
831. **SMITH, Annie Lorrain.** A Monograph of the British Lichens – a descriptive catalogue of the species in the British Museum. Second edition. Volume two only, pp viii, (ii), 448 + 63 plates, very clean internally, green cloth with the slightest of wear. 1926 £18.00
832. **SMITH, Annie Lorrain.** Lichens (1921) facsimile reprint with new introductory matter and supplementary index by David Hawksworth. Illustrated with line drawings and a few photographs

- throughout the text, very clean internally, blue cloth in very good condition. Richmond 1975 £20.00
833. **SMITH, Annie Lorrain.** A Handbook of the British Lichens. Illustrated with small line drawings in the text, 12mo, pp (4), 158, a neat name and address on the front endpaper, otherwise very clean internally, green cloth, very good. 1921 £7.50
834. **SMITH, Gilbert M.** Marine Algae of the Monterey Peninsula California. Second edition (including the 1966 Supplement by George Hollenberg and Isabella Abbott). Illustrated with 98 plates and 53 text figures, large octavo, pp x, 752, fore-edge slightly thumbed otherwise clean internally, an ex-library copy, withdrawn stamps on front endpaper, a ticket on the rear endpaper, stamps on top, bottom and fore-edges, a shelf number on the spine, olive cloth, slightly worn, a bar-code label on the rear cover. Stanford 1969 £28.50
835. **SMITH, Gilbert M. (editor).** Manual of Phycology – an introduction to the algae and their biology. Illustrated, large octavo, pp xii, 375, fore-edge very slightly marked, a neat name and address on the front endpaper, otherwise clean internally, blue cloth, very slightly rubbed. Waltham 1951 £15.00
836. **SMITH, Gilbert M.** Cryptogamic Botany. Two volumes, illustrated with line drawings, large octavo, pp viii, 545; viii, 380, slightly used throughout, with neat ink notes and some underlining in the second volume, brown cloth, rubbed and slightly worn. New York 1938 £5.00
837. **SMITH, Gilbert M.** Cryptogamic Botany. Second edition. Two volumes, illustrated with line drawings, octavo, pp x, 546; viii, 399, clean internally, paperback, covers very slightly worn. c.1960? £10.00
838. **SMITH, Gilbert M.** Cryptogamic Botany. Second edition. Volume 2 only – Bryophytes and Pteridophytes. Illustrated with line drawings, octavo, pp viii, 399, paperback, a bit used throughout. 1960? £3.00
839. **SMITH, Gilbert M.** Cryptogamic Botany. Second edition. Volume 2 only – Bryophytes and Pteridophytes. Illustrated with line drawings, octavo, pp viii, 399, very clean internally, brown cloth a little faded, corners bumped, in a slightly worn and frayed dustwrapper. New Delhi 1974 £5.00
840. **SMITH, Ian & LYLE, Alex.** Distribution of Freshwaters in Great Britain. Illustrated, small slender octavo, pp 44, paperback, a very good copy. Edinburgh 1979 £10.00
841. **SMITH, John & BERRY, David R. (editors).** The Filamentous Fungi. Volume 3 – Developmental Mycology. A few illustrations, octavo, pp xvi, 464, very clean internally, black cloth in good condition, a duplicate from East Malling Research Station, with a stamp on the front endpaper and a shelf label on the spine. 1978 £10.00
842. **SMITH, John; BERRY, David R. & KRISTIANSON, Bjorn. (editors).** The Filamentous Fungi. Volume 4 – Fungal Technology. A few illustrations, octavo, pp xiv, 401, very clean internally, brown cloth in good condition, a duplicate from East Malling Research Station, with a stamp on the front endpaper and a shelf label on the spine. 1983 £10.00
843. **SMITH, Worthington George.** Synopsis of the British Basidiomycetes – a descriptive catalogue of the drawings and specimens in the Department of Botany, British Museum. A few simple line drawings in the text, five plates of outlines at the rear, thick octavo, pp (ii), 521, very clean internally, green cloth very good, a duplicate from Imperial College with a stamp on the title page but no other markings. [*Originally from the library of the eminent botanist Percy Groom, with his small stamp on the title page.*] 1908 £6.00
844. **SMITHSON, T. Spencer.** Pond-Life : Algae and Allied Forms. Third edition. Illustrated with line drawings in the text, 12mo, pp 93, a contemporary signature and date on the title page, otherwise very clean internally, soft decorative cloth, very good. [*The Young Collector series*] 1908 £12.50
845. **SNELL, Walter H. & DICK, Esther A.** A Glossary of Mycology. Revised edition. Illustrated with 15 plates of simple outlines, large octavo, pp xxxiv, 181, very clean internally, brown cloth in very good condition. [*Ted Batten's copy, with his signature on the title page.*] Harvard 1971 £25.00
846. **SO, M.L.** Mosses and Liverworts of Hong Kong. Well illus, small octavo, pp xi, 162, paperback, a slight crease to the upper cover, otherwise a bright copy. Hong Kong 1972 £20.00
847. **SOCIETAT CATALANA DE MICOLOGIA.** Butleti Number 11 – Octubre 1987. Illustrated, small octavo, pp 122, paperback, very good. Barcelona 1987 £4.00
848. **SOCIETAT CATALANA DE MICOLOGIA.** Fichas Tecnicas Va Serie (Numbers 123 – 163) loose-leaf in file binder, paperback. Barcelona 1987 £6.00
849. **zu SOLMS-LAUBACH, Herman Graf.** Monograph of the Acetabularieae. With 4 plain litho plates,

- quarto, pp 39, unopened, very clean internally with the bookplate of the South London Botanical Society, paperback, the covers just very slightly creased. Linnean Society 1895 £22.50
850. **SOOTHILL, Eric & FAIRHURST, Alan.** The New Field Guide to Fungi. Well illustrated with colour photographs, large octavo, pp 191, very clean internally, green cloth very slightly faded, in a slightly age-toned dustwrapper. 1978 £3.50
851. **SOTHEBY & CO.** Catalogue of Mycological Books and Drawings – the property of Commander A Fountaine. Illustrated with 5 plates, octavo, pp 32, a few light annotations, paperback. 1971 £4.00
852. **SOUTH, G. Robin & TITTLE, Ian.** A Checklist and Distributional Index of the Benthic Marine Algae of the North Atlantic Ocean. Not illustrated, large slender octavo, pp 76, very clean internally, paperback, a very good copy. New Brunswick & London 1986 £20.00
853. **SOUTHORN, A.L.D.** Common Mosses and Liverworts – Gwydyr Forest, Coed y Brenin. Illustrated, small slender octavo, pp [16], paperback, a very good copy. [n.d. – 1995 ?] £3.75
854. **SPARROW, Frederick K.** Aquatic Phycomycetes, exclusive of the Saprolegniaceae and Pythium. Illustrated with line drawings, large thick octavo, pp xx, 785, slightly age-toned, a clean ex-library copy with a stamp on the front endpaper and a shelf number on the spine, green cloth, very slightly worn. Ann Arbor 1943 £45.00
855. **SPENCER, D.M. (editor).** The Downy Mildews. A few illustrations, large octavo, pp xxii, 636, extremely clean internally, green cloth in very good condition, in a dustwrapper with just slight signs of use. [*Sheila Francis' copy with her signature on the front endpaper*] 1981 £70.00
856. **SPOONER, B.M.** Helotiales of Australasia: Geoglossaceae, Orbiliaceae, Sclerotiniaceae, Hyaloscyphaceae. Illustrated with line drawings, very thick octavo, pp 711, very slightly used internally, paperback, covers slightly creased at the corners, the spine a little concave. Berlin 1987 £85.00
- 857.
858. **SPOONER, Brian & ROBERTS, Peter.** Fungi. First edition. Illustrated, large thick octavo, pp 594, fore-edge slightly marked, otherwise a very good copy in a dustwrapper which is slightly marked on its upper cover and with the faintest suggestion of fade to its spine, but now nicely protected in a removable plastic cover. New Naturalist 2005 £38.00
859. **SPOONER, Brian & ROBERTS, Peter.** Fungi. First edition. Illustrated, large thick octavo, pp 594, a very good new copy in a dustwrapper which is now nicely protected in a removable plastic cover. New Naturalist 2005 £48.00
860. **STALPERS, J.A.** The Aphyllorphoraceous Fungi I – Keys to the Species of the Thelephorales. Large octavo, pp 168, very clean internally, paperback, covers very slightly faded, otherwise a very good copy. Baarn & Delft 1993 £25.00
861. **STALPERS, J.A.** The Aphyllorphoraceous Fungi I – Keys to the Species of the Hericiales. Large octavo, pp 185, very clean internally, paperback, covers very slightly faded, a slight crease to the upper cover. Baarn & Delft 1996 £25.00
862. **STAMETS, Paul.** Mycelium Running – how mushrooms can help save the world. Well illustrated, large octavo, pp xii, 339, paperback, a very bright clean copy. [*David Hawksworth's copy with his embossed stamp on the front endpaper, and an inscription from the author*] Berkeley 2005 £13.50
863. **STEENTOFT, M.** A Revision of the Marine Algae of Sao Tome and Principe (Gulf of Guinea). 2 plates, pp (47), the pages have been gently folded across horizontally, contained in the complete issue of Journal Linnean Society, Botany, Vol 60 number 382, paperback. 1967 £6.00
864. **STEERE, William Campbell.** North American Muscology and Muscologists – A Brief History. Small octavo, pp (60), contained in the complete issue of The Botanical Review Vol 43 number 3, paperback, a very good copy. [*Also includes William Burger's "The Piperales and the Monocots – Alternate Hypotheses for the Origin of Monocotyledenous Flowers".*] New York 1977 £6.50
865. **STEERE, William Campbell.** Liverworts of Southern Michigan. Illustrated with 22 plates of line drawings, slim octavo, pp 97, an extremely clean copy, nicely bound in green cloth. 1940 £12.50
866. **STEERE, William Campbell & CRUM, Howard A.** New Combinations and New Taxa Proposed by Nils Conrad Kindberg. Large octavo, not illustrated, pp 220, very clean internally, paperback, covers slightly age-toned. [*Ghilleen Prance's copy, signed by the first author*] [Memoirs of The New York Botanical Garden, Volume 28 number 2.] 1977 £15.00

867. **STEPHENSON, T.A. & Anne; TANDY, Geoffrey & SPENDER, Michael.** The Structure and Ecology of Low Isles and Other Reefs; Great Barrier Reef Expedition, 1928-29 Scientific Reports. Illustrated with text figures and 27 plates, quarto, pp [94], very slight signs of use internally, paperback, covers slightly worn, the spine wrinkled. [*With the signature of Geoffrey Tandy, marine biologist and broadcaster, and a contributor to this work.*] 1931 £25.00
868. **STEPHENSON, W.A.** Seaweed in Agriculture and Horticulture. Second edition. A few photographic illustrations, octavo, pp 241, a signature on the front endpaper otherwise extremely clean internally, red cloth very slightly worn, in a dustwrapper with only very slight signs of use. 1973 £30.00
869. **STEVENS, F.L.** The Fungi Which Cause Plant Disease. Illustrated, large thick octavo, pp x, 754, slightly used internally, green cloth very slightly worn, a small tear to the spine head. [An embossed presentation stamp on the title page, and with the signature of the chemical fungologist Clara A Pratt on the front endpaper. New York 1913 £6.50
870. **STEVENSON, Greta B.** The Biology of Fungi, Bacteria and Viruses. Illustrated with line drawings and black and white photographs, octavo, pp xiv, 202, very clean internally, paperback, a very good copy. 1970 £4.00
871. **STEVENSON, Rev, John.** British Fungi (Hymenomycetes). Two volumes, illustrated with a few very small line drawings in the text, small thick octavo, pp viii, 372; 336, a signature on both half-titles, a neat manuscript index of genera has been written on a blank page in each volume, otherwise very clean internally, original green publisher's decorated cloth, a very bright copy indeed. 1886 £120.00
872. **STEVENSON, Rev, John.** Mycologia Scotica : The Fungi of Scotland and Their Geographical Distribution. A folding coloured map frontispiece, small octavo, pp xx, 443, extremely clean internally, original green publisher's decorated cloth, a very bright copy. 1879 £60.00
873. **STEVENSON, John A. & CASH, Edith K.** The New Fungus Names Proposed by C. G. Lloyd. Small quarto, pp 209, age-toned, corners bruised, omissions slip loosely inserted, paperback, covers a little worn and creased, the spine torn. [*Bulletin of the Lloyd Library and Museum of Botany, Pharmacy and Materia Medica Bulletin 35, Mycological Series number 8*] Cincinnati 1936 £20.00
874. **STIEPERAERE, H.; RAEYMAEKERS, G.; RAMELOO, J. (et al).** Mousses, Bonkei, Bonsai – Un secret seculaire du jardinier Japonais. Well illustrated, large quarto, pp xii, 137, very clean internally, paperback, the covers very slightly faded. [*Europalia 89 – Japan in Belgium*] Bruxelles 1989 £20.00
875. **STODDART, David R.** Reef Studies at Addu Atoll, Maldive Islands. With maps and illustrations, pp [122]; TOGETHER WITH **TSUDA, Roy T.** Marine Benthic Algae from the Leeward Hawaiian Group. 13pp. Contained in the complete issue of Atoll Research Bulletin numbers 114, 115, 116, 117, quarto, paperback, slightly worn. [*From the library of the botanist Eric Groves, with his stamp on both covers.*] Washington 1966 £15.00
876. **STOLK, Amelia C. & SAMSON, R.A.** The Genus Talaromyces – Studies on Talaromyces and Related Genera II. Illustrated with line drawings and two pages of photographs, octavo, pp 65, paperback, a very good copy. Baarn 1972 £12.50
877. **STOLK, Amelia C. & SAMSON, R.A.** The Ascomycete Genus Eupenicillium and Related Penicillium Anamorphs. Illustrated with line drawings and black and white photographs, octavo, pp 149, paperback, a very good copy. Baarn 1983 £20.00
878. **SUNESON, Svante.** Studien uber die Entwicklungsgeschichte der Corallinaceen. Illustrated with line drawings and four photographic plates, small quarto, pp 102, clean internally, paperback, the covers very chipped and frayed. [From the library of the marine botanist Dr Mary Parke, with her signature on the upper cover and inscribed "with the author's compliments".] Lund & Leipzig 1937 £12.50
879. **SUREY-GENT, Sonia & MORRIS, Gordon.** Seaweed – A User's Guide. Illustrated with line drawings, octavo, pp 160, paperback, a very good copy. Stowmarket 2000 £25.00
880. **SUTTON, B.C.** Cumulative Index, 1977-1988 to Volumes 68-91 of the Transactions of the British mycological Society. Large octavo, pp 420, very slightly used internally, paperback, upper cover slightly creased. Cambridge 1991 £15.00
881. **SVRCEK, Mirko.** A Taxonomic revision of Inoperculate Discomycetes Described by J. Velenovsky in the Genus Helotium, Preserved in the National Museum Prague. Illustrated with line drawings, large slim octavo, pp (114), smartly bound in green cloth, the original covers bound in. Vydava 1984 £20.00
882. **SVRCEK, Mirko.** A Field Guide in Colour to Mushrooms. Well illustrated with colour photographs,

- small octavo, pp 279, soft laminated cloth, a very good copy. 1999 £3.50
883. **SWANTON, E.W.** A List of the Fungi (Basidiomycetes) of the Haslemere District, including the forests of Woolmer, Verdley, Charleton & Singleton. Small slender octavo, pp 44, sewn and unbound as issued, a very bright copy. 1934 £8.50
884. **SWANTON, E.W.** A List of the Fungi (Basidiomycetes) of the Haslemere District, including the forests of Woolmer, Verdley, Charleton & Singleton. Small slender octavo, pp 44, slightly worn and marked, initials and date on the title page and one ink species addition, sewn and unbound as issued. 1934 £7.50
885. **SYSTEMA ASCOMYCETUM.** Volume 5 parts 1 & 2; 10 part 2; 11 part 1; 13 part 1; 14 parts 1 & 2; 16 parts 1-2. Paperbacks, in good condition. [*The first two parts with the signature of Sheila Francis. The last part with the faint stamp of David Hawksworth.*] Umea 1986 – 1988 £45.00
886. **TAYLOR, J.E. (editor).** Notes on Collecting and Preserving Natural History Objects. New edition. A few line drawings in the text, 12mo, pp viii, 215, a college bookplate and stamp on the front endpaper, otherwise clean internally, green cloth with gilt decoration, very slightly rubbed. [*Includes mosses, lichens, fungi and seaweeds.*] 1896 £15.00
887. **TAYLOR, Peter.** British Ferns and Mosses (Kew Series). Illustrated with colour plates and line drawings by Ann V. Webster, small octavo, pp 231, slightly used internally, the dustwrapper has been permanently sealed to the book. [*From the library of the botanist Alan Leslie, with his signature on the front endpaper.*] 1960 £3.75
888. **THOMPSON, John W.** Lichens of Arctic America I – Lichens from West of Hudson's Bay. Small slim octavo, pp (28), paperback, slightly worn. [*Reprinted from The Bryologist*] 1953 £2.50
889. **TILLET, M.** Dissertation on the Cause of the Corruption and Smutting of the Kernels of Wheat in the Head, and on the means of preventing these untoward circumstances. Originally published in French in 1755. Octavo, pp 191, signature and address of mycologist T.W. Tinsley on the front endpaper, otherwise very clean internally, paperback, slight wear to the covers. [*Phytopathological Classics Number 5*] Ithaca 1937 £15.00
890. **TJALLINGII-BEUKERS, Dien.** Het Geslacht Pholiota (Bundelzwammen). Illustrated with line drawings, slim octavo, pp 75, paperback, a very good copy. Hoogwoud 1987 £7.00
891. **TOBLER, Gertrud.** Die Synchronitrien – Studien zu einer Monographie der Gattung. Illustrated with four litho plates, large octavo, pp 98, slightly used internally, paperback, covers rather worn, the spine very worn and sellotaped. [*Sheila Francis' copy with her signature*] Jena 1913 £16.50
892. **TOZZETTI, Giovanni Targioni.** True Nature, Causes and Sad Effects of the Rust, the Bunt, the Smut, and other Maladies of Wheat, and of Oats in the Field. Originally published in Italian in 1767. A portrait frontispiece. Octavo, pp xxiv, 139, clean internally, grey cloth slightly worn and marked, the spine foxed. [*Phytopathological Classics Number 9*] Ithaca 1952 £18.50
893. **TRASS, H. & RANDLANE, T.** The Swedish Lichenologists and the Estonian Flora. Small, slender, octavo, pp 32, unbound as issued. Tartu 1991 £4.00
894. **TRIPP, F.E.** British Mosses, Their Homes, Aspects, Structure and Uses, with a coloured figure of each species etched from nature. Two volumes, illustrated with 39 coloured plates, two coloured title pages, large octavo, pp xxii, 235, a poor set, very weak and cracked internally, some loose pages, original cloth worn and marked, the spines cracked and becoming loose. [*The plates are apparently hand-coloured and printed by Benjamin Fawcett. With the Art Nouveau bookplate of E.S. Todd, a BSBI member in the 1920's and 1930's.*] 1874 £25.00
895. **[TULASNE].** Selecta Fungorum Carpologia of the brothers L. R. and C. Tulasne. Translated into English by W. B. Grove and edited by A.H. Reginald Buller & C.L. Shear. Three volumes, folio, pp xx, 248 + 5 plates; xxi, 302 + 34 plates; xvi, 206 + 22 plates, amazingly clean internally, black cloth with very slight marking, in the rare dustwrappers which are slightly worn and marked. [*The pages are uncut and partially unopened.*] An unusually fine set. Oxford 1931 £400.00
896. **[TULASNE].** Selecta Fungorum Carpologia of the brothers L. R. and C. Tulasne. Translated into English by W. B. Grove and edited by A.H. Reginald Buller & C.L. Shear. Three volumes, folio, pp xx, 248 + 5 plates; xxi, 302 + 34 plates; xvi, 206 + 22 plates, fore-edges slightly foxed, otherwise clean internally, green cloth with very slight marking, corners slightly bruised. Oxford 1931 £325.00
897. **TURNER, P.D.** Micro-organisms Associated with Oil Palm (*Elaeis guineensis* Jacq.). Octavo, not illustrated, pp 58, paperback, covers slightly age-toned. [*Sheila Francis' copy.*] Kew 1971 £5.00

898. **TUTIN, T.G.; ALLEN, G.O.** The Percy Sladen Trust Expedition to Lake Titicaca in 1937. Reports IX, X & XI – Charophyta, Macrophytic Vegetation, and Algae. Contained in a larger volume which includes three other reports, zoological. Quarto, a few illustrations, very clean internally, paperback, with just very slight wear to the covers. [*Linnean Society Transactions, Third series, Volume 1 part 2*] 1940 £30.00
899. **URBONAS, Vincentas.** Mycota Lithuaniae Volume 1 – Polyporales, Strobilomycetales, Boletales, Hygrophorales. Illustrated with 24 colour plates, large octavo, pp 200, very clean internally, green cloth in very good condition. [David Hawksworth's copy, with his tiny stamp] Vilnius 1997 £30.00
900. **VAN EYNDHOVEN, G.L.** De Geslachten der Agaricoles (Plaatjeszwammen en Boleten). Slim octavo, five plates of line drawings, small octavo, pp36, paperback, very good. Hoogwoud 1975 £3.50
901. **VANKY, Kalman.** Carpathian Ustilaginales. Illustrated with black and white photographs, a folding map, large octavo, pp (4), 309, very clean internally, paperback, covers very slightly worn. [Sheila Francis' copy with her signature on the upper cover]. Uppsala 1985 £15.00
902. **VELENOVSKY, Josef.** Novitates Mycologicae Novissimae. Large octavo, a portrait frontispiece, two folding plates at the rear, pp 158, (9), very clean internally, brown cloth, very slightly worn. [*Produced in a printing of only 400 copies.*] Prague 1947 £45.00
903. **VELENOVSKY, Josef.** Monographia Discomycetum Bohemiae. Two volumes, octavo and large horizontal quarto, pp 436 + 31 plates, slight age-toning of the text otherwise extremely clean internally, green cloth with original covers bound in at rear. The plates were originally folded, but in this rebinding they have been opened, making for very easy use. A unique copy. [*From the library of Ted Batten, with his signature, and also the bookplate of the mycologist Jack Nash-Wortham.*] Prague 1934 £85.00
904. **VERDOORN, Fr (editor).** Manual of Bryology. Illustrated, large octavo, pp x, 486, very clean internally, blue cloth rather marked and blotched and a bit worn. [*Presentation copy to Professor Holttum, signed by author on the title page.*] The Hague 1932 £12.50
905. **VERKLEY, G.J.M.** A Monograph of the Genus Pezicula and its Anamorphs. Illustrated with line drawings and photographs, quarto, pp 180, paperback, a very good copy. [*Studies in Mycology 44*] Baarn 1999 £25.00
906. **VOGELENZANG, L. (editor).** Guide to the Prices of Antiquarian and Secondhand Botanical Books (1970-1979) : Cryptogamic Literature. Large thick octavo, pp 517, clean internally, paperback, covers very slightly worn. [*An interesting record of book prices and availability from fifty years ago*] 1982 £12.50
907. **De VRIES, G.A.** De Fungi van Nederland III – Hypogaea (truffels en schijntruffels). Illustrated with line drawings, small slim octavo, pp 62, paperback, very slight signs of use. Hoogwoud 1971 £10.00
908. **WAKEFIELD, E M.** Edible and Poisonous Fungi. 27 colour plates, small slim octavo, pp 63, cloth-backed boards, slightly worn. HMSO 1947 £10.00
909. **WAKEFIELD, E M.** Edible and Poisonous Fungi. 24 colour plates, slim octavo, pp iv, 25, clean internally, cloth-backed boards, a little worn and marked. [*Alan Titchmarsh's copy, with his bookplate.*] HMSO 1934 £10.00
910. **WAKEFIELD, E M. & DENNIS, R.W.G.** Common British Fungi – a guide to the more common larger Basidiomycetes of the British Isles. First edition. Illustrated with 111 colour plates, large octavo, pp 290, very slightly used internally, cloth very slightly rubbed. 1950 £6.00
911. **WAKEFIELD, E M. & DENNIS, R.W.G.** Common British Fungi – a guide to the more common larger Basidiomycetes of the British Isles. First edition. Illustrated with 111 colour plates, large octavo, pp 290, a bit used and weak internally, a duplicate from East Malling Research Station with a stamp on the front endpaper and a shelf number on the spine. 1950 £3.50
912. **WAKEFIELD, E M. & DENNIS, R.W.G.** Common British Fungi – a guide to the more common larger Basidiomycetes of the British Isles. Second edition, revised. Illustrated with 111 colour plates, large octavo, pp 216, very clean internally, brown cloth in very good condition, in a very slightly worn and faded dustwrapper. Hindhead 1981 £7.50
913. **WAKSMAN, Selman A.** The Actinomycetes – their nature, occurrence, activities and importance. A few photographic illustrations, large octavo, pp xviii, 230, extremely clean internally, red cloth in good condition, a duplicate from East Malling Research Station, with a label on the front endpaper and a shelf number on the spine. Waltham 1950 £12.00
914. **WARBURG, E.F.** Census Catalogue of British Mosses. Third edition. Small octavo, pp 88, paperback,

- extremely clean throughout. 1963 £3.50
915. **WARBURG, E.F.** Census Catalogue of British Mosses. Third edition. Small octavo, pp 88, interleaved copy, fore-edge slightly foxed, paperback, a very good copy. 1963 £5.00
916. **WARD, H. Marshall.** On the Structure, Development and Life-history of a Tropical Epiphyllous Lichen (*Strigula complanata*). With four partly colour litho plates, quarto, pp [32], pages unopened, a few marks and marginal tears, the first page rather soiled, paperback but lacking the upper cover. Linnean Society 1883 £6.50
917. **WASSON, R. Gordon.** The Wondrous Mushroom – Mycolatry in Mesoamerica. Well illustrated, quarto, pp xxvi, 247, top edge gilt, finely bound in quarter green morocco and decorated cloth, the spine slightly faded, contained in the original slipcase.
