

# Deep Sea Activity

How many creatures of the deep sea you can find?  
You can use the field guide on the next page to help identify them.

- |                     |                              |
|---------------------|------------------------------|
| Big skate           | Longspine thornyhead         |
| Blue shark          | Market squid                 |
| Cockatoo squid      | Midwater eelpout             |
| Cold seep clam      | Mushroom soft coral          |
| Deep sea sun star   | Pacific dreamer (anglerfish) |
| Dinner plate medusa | Pom-pom anemone              |
| Dumbo octopus       | Predatory tunicate           |
| Fangtooth           | Spotted ratfish              |
| Giant siphonophore  | Squat lobster                |
| Hatchetfish         | Vampire squid                |
| Longnose skate      |                              |

1. **Blue shark**  
*Prionace glauca*
2. **Hatchetfish**  
*Argyropelecus* sp.
3. **Fangtooth**  
*Anoplogaster cornuta*
4. **Bristlemouth**  
*Cyclothone signata*
5. **Midwater eelpout**  
*Melanostigma pammelas*
6. **Cockatoo squid**  
*Galiteuthis phyllura*
7. **Black-eyed squid**  
*Gonatus onyx*
8. **Sword-tail squid**  
*Chiroteuthis calyx*
9. **Cock-eyed squid**  
*Histioteuthis heteropsis*
10. **Dragonfish**  
*Tactostoma macropus*
11. **Pacific dreamer**  
*Oneirodes acanthias*
12. **Pallid eelpout**  
*Lycodapus mandibularis*
13. **Nemertean worm**  
*Nectonemertes* spp.
14. **Arrowworm**  
*Pseudosagitta* spp.
15. **Vampire squid**  
*Vampyroteuthis infernalis*
16. **Giant siphonophore**  
*Praya* sp.
17. **Cooper's barrel amphipod**  
*Phronima sedentaria*
18. **Scallop comb jelly**  
*Bathocyroe fosteri*
19. **Shining tubeshoulder**  
*Sagamicthys abei*
20. **Transparent octopus**  
*Japetella diaphana*
21. **Rabbit-eared comb jelly**  
*Kiyohimea usagi*
22. **Midwater jelly**  
*Atolla vanhoeffeni*
23. **Dinner plate medusa**  
*Solmissus marshalli*
24. **Midwater jelly**  
*Colobonema sericeum*
25. **Market squid**  
*Loligo opalescens*
26. **Giant ostracod**  
*Gigantocypris agassizii*
27. **Sea fan**  
*Psammogorgia* sp.
28. **Sedentary sea cucumber**  
*Psolus squamatus*
29. **Peppermint gorgonian**  
*Paragorgia* sp.
30. **Longnose skate**  
*Raja rhina*
31. **Red licorice gorgonian**  
*Euplexaura marki*
32. **Club-tipped anemone**  
*Corynactis californica*
33. **Cold seep clam**  
*Calyptogena kilmeri*
34. **Mushroom soft coral**  
*Anthomastus Ritteri*
35. **Sea whip**  
*Halpteria californica*
36. **Big skate**  
*Raja binoculata*
37. **Fish-eating star**  
*Stylasterias forreri*
38. **Basket star**  
*Gorgonocephalus eucnemis*
39. **Apple anemone**  
*Stomphia didemon*
40. **Longspine thornyhead**  
*Sebastolobus altivelis*
41. **Squat lobster**  
*Munida hispid*
42. **Pom-pom anemone**  
*Liponema brevicornis*
43. **Fragile pink sea urchin**  
*Allocentrotus fragilis*
44. **Filetail catshark**  
*Parmaturus xanthurus*
45. **Deep sea sun star**  
*Rathbunaster californicus*
46. **Spotted ratfish**  
*Hydrolagus colliiei*
47. **Dumbo octopus**  
*Grimpoteuthis* sp.
48. **Feather star**  
*Florometra serratissima*
49. **Predatory tunicate**  
*Megalodiscopia hians*
50. **Spiny red sea star**  
*Hippasteria* sp.
