

Dear Parents,

This month our theme is “Me and My Family.” We will discuss the people in our family, and find out who lives with us; mom, dad, sisters, brothers, grandparents, aunts, uncles, cousins, or pets. The family questionnaire we received from some of our Dolphin families has helped us become better acquainted with the people in your child’s life. It will also be helpful in the family project for this month (“Family tree”) that we will send with your child home and do it together.

The color we are learning this month is **BROWN**. **Brown Day** will be **Wednesday, November 10**. The shape we are working on is **a rectangle**. We will be looking around our room and finding different objects that are brown and rectangular.

Just a reminder that, we go outside **every day**, so please be sure your child has gloves, hat, and eventually a scarf, boots, and snow pants.

Ms.Bobbi & Ms.Kylie

## Brown song (tune: "Old MacDonald")

Brown is a color I can spell.

B-r-o-w-n.

Brown is a color I can spell.

B-r-o-w-n.

There's a brown dog here,  
and a brown bear there...

Brown horse, brown cow-  
everything is brown now!

Brown is a color I can spell.

B-r-o-w-n.

## Rectangle song (tune: "The Farmer in the Dell")

Rectangles everywhere!  
Rectangles everywhere!  
Two sides are short.  
Two sides are long.  
Rectangles everywhere!

The shape of a door,  
the rug on the floor,  
the shape of a painting...  
and ever so much more!
