

SPECIES LIST - TAPUTERANGA ISLAND

N = Native Species

* = from species list by Duncan Cunningham 1980

FILICALES

- | | |
|----------------------------------|--------------------------|
| N Asplenium terrestre maritimum* | N Polystichum richardii* |
| N Microsorium diversifolium* | N Pyrrosia serpens* |

GYMNOSPERMAE

Pinus radiata

ANGIOSPERMAE

Monotyledones:

- | | |
|------------------------|-----------------------|
| Agropyron scabrum* | Lagurus ovatus |
| Allium triquetrum* | Lolium perenne |
| Bromus diandrus | N Luzula banksiana* |
| Bromus willdenowii | Parapholis incurva |
| N Carex flagellifera* | N Phormium cookianum |
| N Cordyline australis* | N Poa laevis* |
| N Cyperus ustulatus* | Poa pratensis* |
| Dactylis glomerata | Puccinellia stricta |
| Ehrharta erecta* | N Scirpus cernuus* |
| N Einadia triandra | N Scirpus nodosus* |
| Hordeum murinum* | N Triglochin striata* |

Dicotyledones:

- | | |
|--------------------------------|--------------------------------|
| N Aciphylla squarrosa* | Medicago lupulina |
| N Achillea millefolium | Medicago polymorpha |
| Anagallis arvensis | N Melicytus crassifolia* |
| N Apium australe* | N Melicytus sp. (c.f. obovata) |
| Apteria cordifolia* | Melilotus indica |
| N Atriplex prostrata | N Metrosideros excelsa* |
| Barbarea spp.* | N Muehlenbeckia complexa |
| Brassica fruticulosa | Myoporum insulare* |
| mauritanica* | N Myoporum laetum* |
| Callendula officinalis* | Orobanche minor |
| N Calystegia soldanella | Parietaria diffusa |
| Carduus tenuiflorus* | N Pimelea prostrata* |
| N Cassinia leptophylla* | N Pittosporum crassifolium* |
| Centranthus ruber | N Pittosporum ralphii* |
| Cheiranthus cheiri | N Plagianthus divaricatus* |
| Chrysanthemoides moniliferum | Plantago coronopus |
| Cirsium vulgare | Plantago lanceolata |
| N Colobanthus muelleri* | Plantago major |
| N Coprosma propinqua* | Polycarpon tetraphyllum |
| N Coprosma repens* | N Pseudopanax lessonii* |
| Coronopus didymus* | Raphanus raphanistrum |
| Cotula coronopifolia | Rumex crispus |
| N Craspedia uniflora maritima* | Sambucus nigra* |

Dicotyledones:

- | | |
|-----------------------------------|-----------------------------------|
| N <i>Crassula moschata</i> * | N <i>Samolus repens</i> * |
| N <i>Crassula sieberiana</i> * | N <i>Sarcocornia quinqueflora</i> |
| <i>Crepis capillaris</i> * | N <i>Selliera radicans</i> * |
| N <i>Dichondra repens</i> * | N <i>Senecio glastifolius</i> * |
| N <i>Disphyma australe</i> * | <i>Senecio jacobea</i> * |
| <i>Euonymus japonica</i> * | N <i>Senecio lautus</i> * |
| <i>Freesia ssp.</i> * | <i>Silene gallica</i> * |
| <i>Fumaria muralis</i> | <i>Sonchus asper</i> * |
| <i>Geranium molle</i> | <i>Sonchus oleraceus</i> * |
| <i>Glaucium flavum</i> | <i>Solanum nigrum</i> * |
| N <i>Gnaphalium luteo-album</i> * | <i>Spergularia rubra</i> * |
| N <i>Griselinia littoralis</i> * | N <i>Sueda NZ</i> * |
| N <i>Haloragis erecta</i> | N <i>Tetragonia trigyna</i> |
| N <i>Hymenanchera crassifolia</i> | <i>Trifolium arvense</i> |
| <i>Hypochaeris radicata</i> | <i>Trifolium dubium</i> |
| <i>Lavatera arborea</i> | <i>Ulex europaeus</i> |
| <i>Linum monogynum</i> | <i>Vicia hirsuta</i> |
| <i>Lupinus arboreus</i> | <i>Vicia sativa</i> |
| <i>Matthiola incana</i> | <i>Wahlenbergia gracilis</i> * |
| <i>Medicago arabica</i> | |
