### An explanation of some of the abbreviations shown on the catalogue

HM	Honourable Mention	AM	Award of Merit
SSM	Stout Silver Medal	Dip	Diploid
Tet	Tetraploid	Dor	Dormant in Winter
Sev	Semi Evergreen in Winter	Ev	Evergreen in Winter

Early, Mid, Late refers to the bloom season. In this country early is usually mid to late June, and the season goes on until at least the end of August. Re means repeat bloom, if the weather is favourable your plants could rebloom. The ones marked in this way are bred for and do reliably repeat in this garden.
