List of Government, Special Libraries and Public Libraries in the Philippines

Asian Development Bank Library

ADB's community of practice, the library focuses on the organization's priority sectors and themes, which include education, energy, environment, finance and trade, gender and social development, governance, health, regional cooperation, and integration, transport, urban, and water.

☰ Bangko Sentral ng Pilipinas Library.

Bangko Sentral ng Pilipinas library or The Economic and Financial Learning Center (EFLC) of the BSP is providing public information concerning economic and financial matters. The researchers may visit the EFLC for their information requirements As a special public service, the BSP publications are available to the public.

Department of Labor and Employment Library.

Department of Labor and Employment (DOLE) Library is a special government library that focuses on building a comprehensive collection of reading materials on labor and employment and other labor-related issues. The DOLE Library operates primarily to service the research and information needs of the DOLE officials and employees. It is also open and accessible to the general public in their special needs on specialized topics (e.g. labor standards, labor statistics, OFWs, workers benefits, wages, and other labor-related information).

Filipinas Heritage Library.

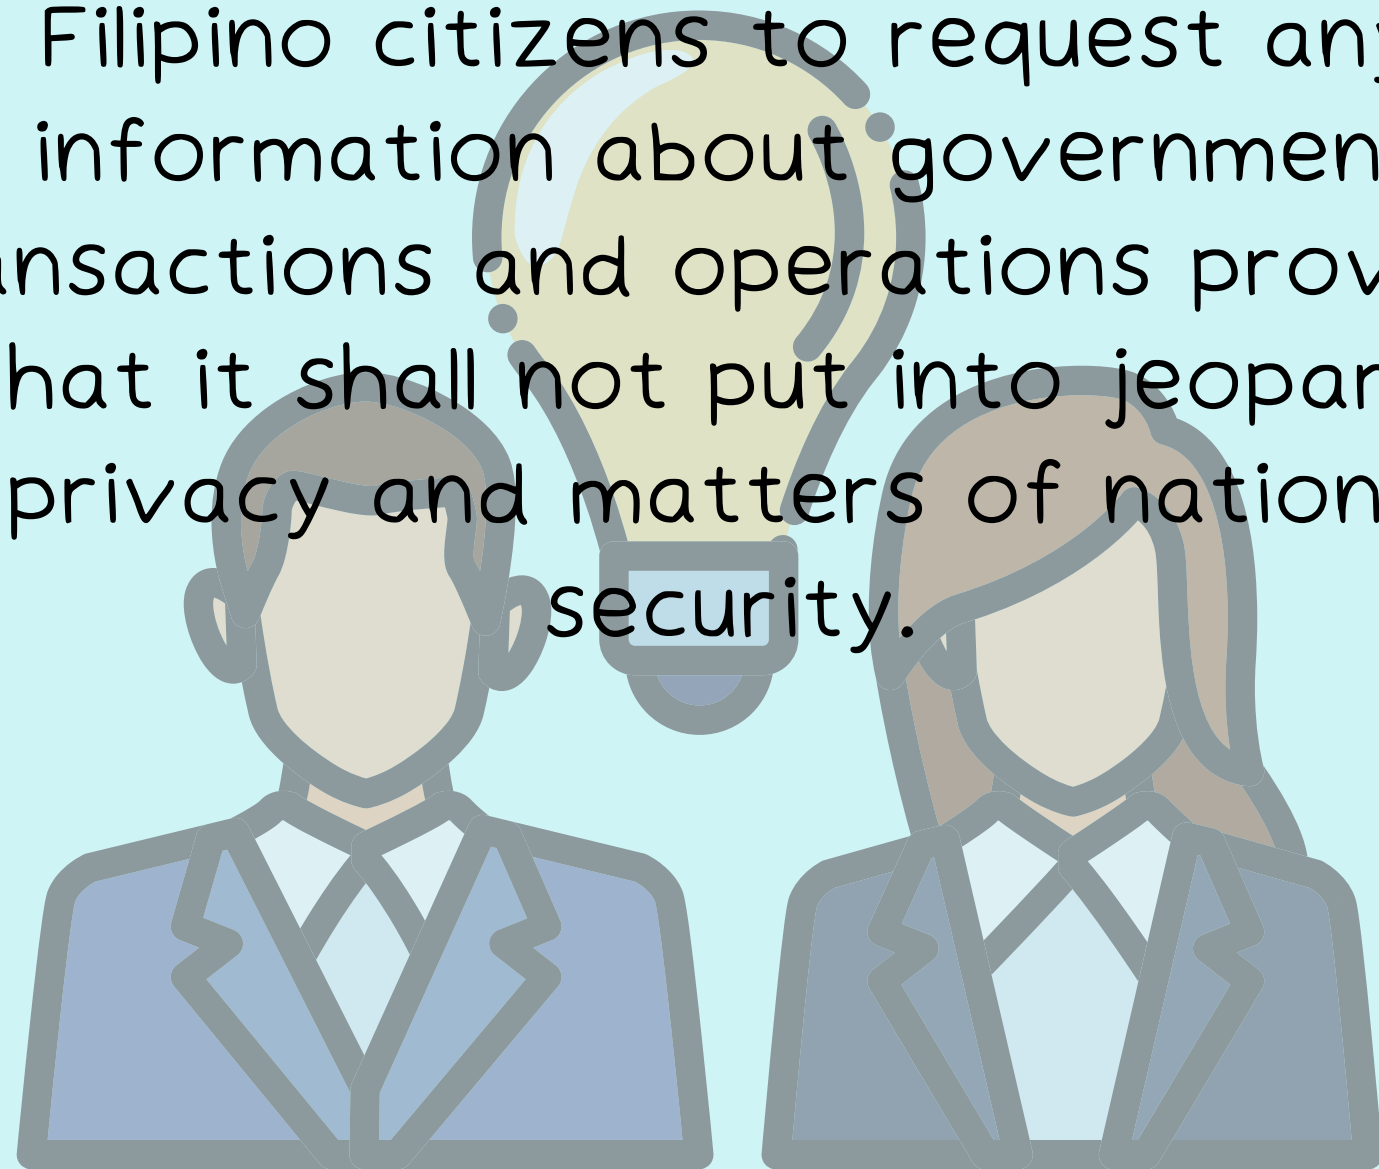

Filipinas Heritage Library is the other half of Ayala Foundation's Arts and Culture Division. As a one-stop digital research center on the Philippines, its mission is to spark and stoke interest in the visual, aural, and printed story of the Filipino. Our Filipiniana collections are shared with the public onsite (on the sixth floor of the Ayala Museum complex), virtually (through our online public access catalogue), and through public programs (exhibitions, lectures, and educational activities).

Freedom of Information

The Freedom of Information (FOI) Program is the Government's response to the call for transparency and full public disclosure of information. FOI is a government mechanism, which allows Filipino citizens to request any information about government transactions and operations provided that it shall not put into jeopardy privacy and matters of national security.

≡ International Monetary Fund eLibrary.

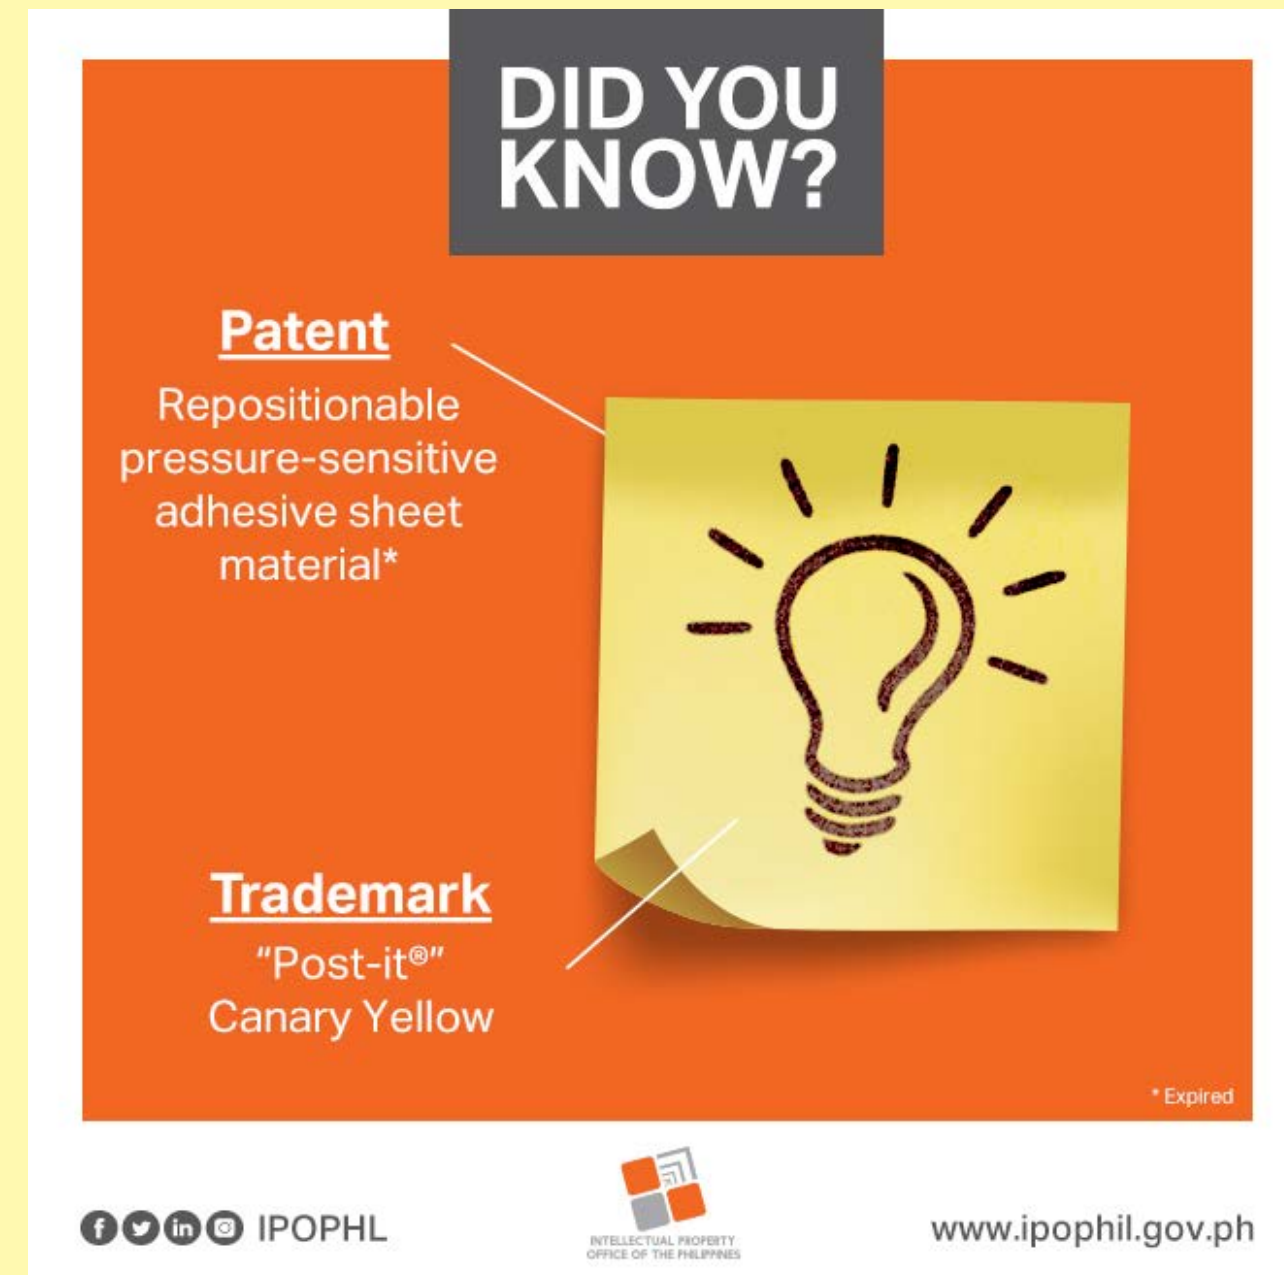

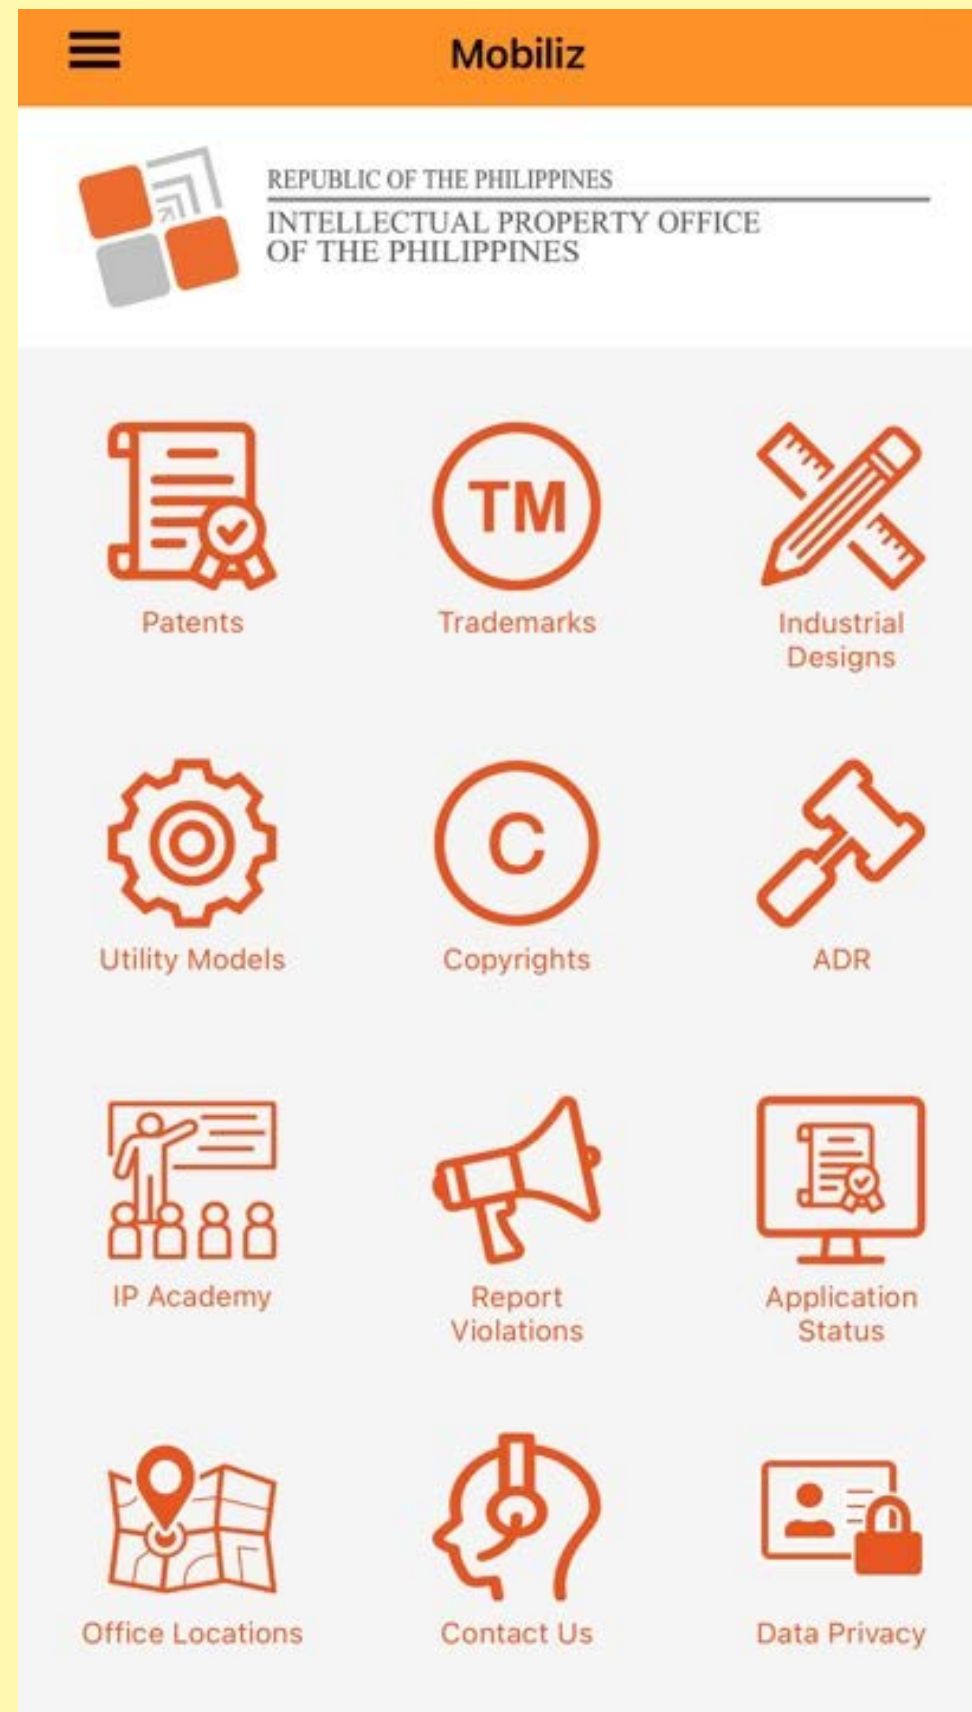

The International Monetary Fund's (IMF) eLibrary simplifies analysis and research with direct access to the IMF's periodicals, books, working papers and studies, and data and statistical tools. You will find information and perspective on macroeconomics, globalization, development, trade and aid, technical assistance, demographics, emerging markets, policy advice, poverty reduction, and so much more.

The Intellectual Property Office of the Philippines shortened as IPOPHL, is a government agency in charge of registration of intellectual property and conflict resolution of intellectual property rights in the Philippines

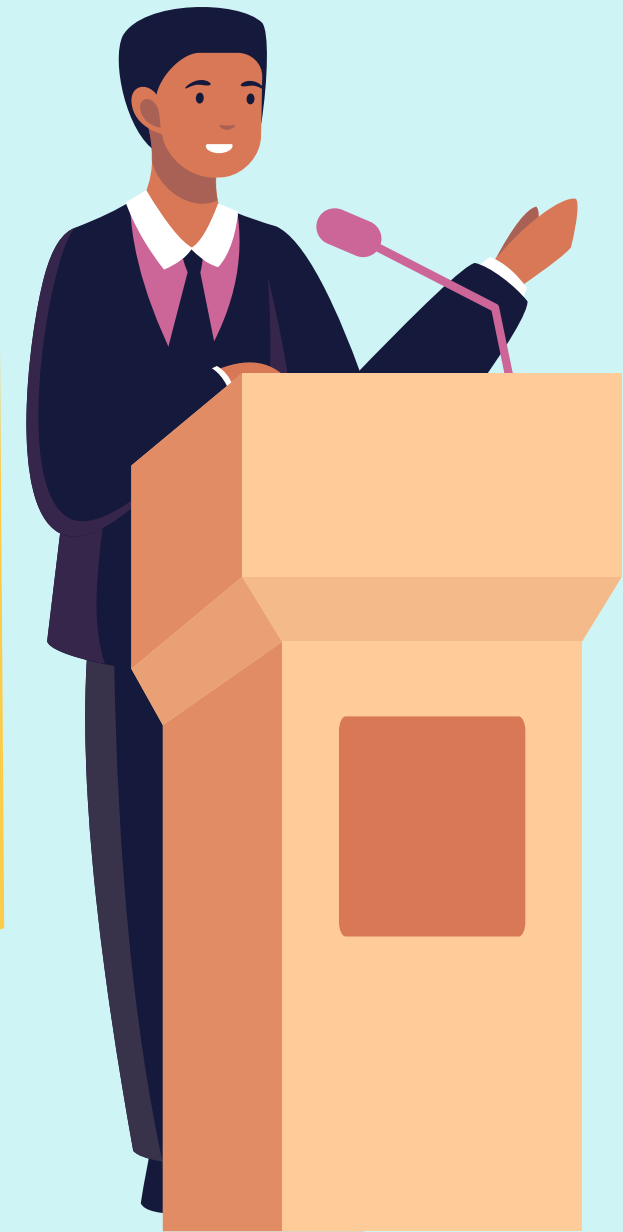

IPOPHL

Legislative Library Online

House of Representatives Legislative Library Service (now renamed as Legislative Library Management Service) which started in 2012 (15th Congress). The library provides information about the Library, its collection, online clippings of national issues related to or about the House of Representatives, its House Members, Philippine legislative history, legislation, bill drafting, laws, and other articles pertaining to Congress and to the creation of laws.

≡ National Archives of the Philippines

The task of guaranteeing that documents and records are preserved and accessible to the public lies with the National Archives of the Philippines. Its main responsibility is to preserve the primary sources of information on Philippine history, the basic components of cultural heritage and collective memory. These documentary sources are the embodiment of community identities as well as testaments to shared national experiences. The home of about 60 million documents from the centuries of Spanish rule in the Philippines, the American and Japanese occupations, as well as the years of the Republic. It is also the final repository for the voluminous notarized documents of the country.

≡ National Library of the Philippines

The National Library of the Philippines (NLP) originated from the Museo-Biblioteca de Filipinas which was established in 1887. It was inaugurated in 1891 with Don Pedro A. Paterno as its first Filipino director. NLP is the repository of the printed and recorded cultural heritage of the country and other intellectuals, literary, and information sources. The unique collection includes rare books, manuscripts, maps, photographs, and special collections. There are 14,722 volumes of rare books, 881,200 manuscripts, 11,240 volumes of special collection books, 3,779 sheets of maps, 53,193 sheets of photographs, and 19,424 articles of vertical files

Philippine eLib

The Philippine eLib project is one of the first eleven government funded projects through the Information Technology and E-Commerce Council (ITECC) now Commission on Information and Communication Technology (CICT). Conceptualized in the middle part of 2003 through the efforts of the Undersecretary of DOST, Hon. Fortunato T. dela Pena.

eLib: Cart Items – Send to email
