

The British Fuchsia Society

FAR SOUTH WEST SHOW

Tuesday 1st August 2017

Open 12noon - 4pm

Held at Tamar View Nurseries, Callington Road,
Carkeel, Saltash PL12 6PH

FAR SOUTH WEST SHOW

To be held in the Tamar View Nurseries, Callington Road,
Carkeel, Saltash PL12 6PH
Tuesday 1st August 2017

Open to the public from 12 noon to 4pm

Staging of Exhibits:

Will be allowed from 8:00am until 9.45am on the morning of the show.

Note: Raising of exhibits is **not** allowed, except in Multi-Pot classes where they may be lifted using saucers or pots to a maximum height of the pot being shown. However, plants with flowers that trail below the bottom of the pot may be lifted sufficiently so that the flowers hang freely.

Removal of Exhibits: Exhibits may be removed from the hall after the presentation of awards.

Judging: Will start at 10:00am. and will be to the rules and guidelines in the schedule and the 2013 (*Duck Egg Blue*) BFS Rulebook. Up to date Show Bench Lists are on pages 10 - 13.

Awards will be presented at 4pm.

Entries, on the official form attached, should be sent to the Show Organiser, Mr Mike Shopland, 51 Wier Road, Plymouth, Devon PL6 8RR

You may telephone your entry to 01752 782611 or email your entry to: freewill@live.co.uk .
If you do not receive a return confirmation email please telephone.

Entries to reach him no later than 10pm, Saturday 29th July.

National Judges:	Mr Ray Burns and Mr Peter Holloway
-------------------------	------------------------------------

National Stewards:	Mr Keith Pursey and Mr Brian Carlson
---------------------------	--------------------------------------

Trophies and Special Awards

Trophy	Awarded For	Winner 2016
The Beacon Fuchsia Trophy and BFS Enamelled Medal*	Best in Show – Pot, Exhibit or part of an Exhibit	Keith Bush
The Devon & Cornwall Trophy and BFS Silver Medal*	Runner Up to Best in Show	Steve Andrews
The BFS Salver*	Winner of most First Prizes	Alan Richards
The BFS Blue Rosette	Awarded at Judges Discretion	Alan Richards
The BFS Crested Spoon*	Best in Classes 13 and 14	Alex Bond
The Exotic Fuchsia Trophy	Best Multi Pot Exhibit in the show	Alan Richards
Island Garden Nursery Trophy	Best Standard in the show	Marie Hall
Far South West Championship The Lady Troutbeck Memorial Trophy	Winner of most points in Classes 3, 6, 12, 15, 18, 22 and 27 Points - 1st = 5, 2nd = 3, 3rd = 1	Alan Richards
The Troy Trophy	First Prize Winner of Class 1	Not Awarded
The Fowey Cup	First Prize Winner of Class 2	Not Awarded
The Marjorie & Ken Dymond Trophy	Best Pot or Exhibit in Classes 3, 4 & 5	Alan Richards
The Bell Trophy	Best pot or Exhibit in Classes 6,7 & 21	Alan Richards
The Silver Dale Nurseries Trophy	Best Pot or exhibit In Classes 8,9,10,22 & 23	Keith Bush
The Kernow Trophy	Best pot or Exhibit in Classes 15, 25 & 26	Nick Bryant
The Fenwick-Raven Cup	Best Pot or Exhibit in Classes 16, 17 & 34	Keith Bush
The North Devon Fuchsia Cup	Best Exhibit in Classes 27 & 28	John Nicholass
The Stilwell Cup	Best Exhibit in Classes 20, 31 & 32	Steve Andrews
Hilary's Trophy	First Prize Winner of Class 33	Steve Andrews
The Camborne – Redruth Trophy	First Prize Winner of Class 36	Camborne & Redruth FS

- Trophies marked * remain the property of the winning Exhibitor.
- **All other trophies are held for one year and must be returned in a good and clean condition before the next Far South West Show.**

The British Fuchsia Society Show Definitions

- A. Bush:** A bush is a plant which must be seen to have developed on a single stem not less than 1cm and not exceeding 4cm. The entire plant should be covered with an abundance of healthy foliage and flower. The plant should present a balanced shape when viewed from all sides.
- B. Shrub:** A shrub is an exhibit with more than one shoot emerging from below compost level. It can also be grown from more than one plant. The entire shrub should be covered with an abundance of healthy foliage and flower. The exhibit should present a balanced shape when viewed from all sides.
- C. A Full Basket** is to be top planted only and may contain more than one plant. Growth should fill the centre and top of the basket and surge over the edge in a sweeping cascade. Uniform growth with an abundance of healthy foliage and flower should continue to at least the depth of the basket, and be evenly distributed from the crown to the end of the trailing growths. The exhibit is to be viewed from the top and sides when displayed in an elevated position. The container should not be visible when viewed at eye level.
- A full basket must be **commercially manufactured** as a hanging basket. The top must be circular in shape, should be not less than **30cm** and not exceed **41cm**, the maximum depth allowed is **25cm**.
- NB Full baskets may have flat bottoms, solid bases and straight sides.
- A **Half Basket** is to be top planted only and may contain more than one plant. Growth should fill the centre and top of the half basket and surge over the edge in a sweeping cascade. Uniform growth with an abundance of healthy foliage and flower should continue to at least the depth of the basket, and be evenly distributed from the crown to the end of the trailing growths. The exhibit is to be viewed from the top, front and sides when displayed in an elevated position. The container should not be visible when viewed at eye level.
- The basket must be commercially manufactured as a half basket. The top must be semi-circular in shape with the rear not exceeding 41cm in width; the maximum depth allowed is 25cm.
- NB Half baskets may have flat bottoms, solid bases and flat sides.
- D.** Stakes and ties are allowed but should be inconspicuous.
- A framework**, however fashioned, is **not** allowed for Bush, Shrub, Baskets (full or half). Hanging pots, Small Pot Culture Baskets and all Standards. A framework however, may be used to support or train other shapes, e.g. Fans, Espaliers, Rings etc. – *as in the current rule book classification.*
- E** A **Full Standard** must not be less than **76cm**, nor more than **107cm**.
A **Half Standard** must not be less than **46cm**, nor more than **76cm**.
A **Quarter Standard** must not be less than **25cm**, nor more than **46cm**.
A **Mini Standard** must not be less than **15cm**, nor more than **25cm**.
These dimensions refer to the length of clear stem between the compost level and the underside of first branch on the stem.

- F. Plant pots:** The vertical height of pots up to 18cm **must not** exceed the diameter at the top and the pot must have a distinct taper. The diameter of a pot is the inside, measurement as near to the top as possible. The colour of the pots **must** be terracotta. The more straight sided “containers” or “shrub” pots are excluded. **NB** The vertical height of pots over 18cm diameter may exceed the diameter at the top and may have a rolled top rim and/or surface decoration. Clay pots will be measured across the internal diameter at the top of the pot allowing for “out of shape”.
- G. Hanging pots:** A hanging pot must be one which is **commercially manufactured** as a hanging pot. Ordinary plant pots with hangers are prohibited. Any colour hanging pot may be used.
NB (a) Hanging pots must have solid sides, **(b)** Refer to the Schedule for sizes.
- H. Triphylla Type:** See the current BFS Show Bench Triphylla List on page 11.
NB Any other Triphylla type not included in the list may be exhibited in either the singles/semi double classes, any cultivar class or the more unusual cultivar class.
- I. Encliandra Types** are those sometimes referred to as Breviflorae and have their origins in the Section Encliandra. Encliandra types cannot be exhibited in Species classes.
- J. A Fuchsia Flower** normally has four sepals. It is, however, appreciated that some cultivars habitually throw blooms with more or less than four sepals. This **must not** be treated as a cultural fault.
NB Flowers in flower board classes must have four sepals.
- K. A Single Flower** has four petals.
A **Semi Double Flower** has five to seven petals.
A **Double Flower** has eight or more petals.
NB Semi double flowered fuchsias **must** be exhibited in single flowered or any cultivar classes.
- L. Small Pot Culture** allows any type of growth **other than** Bush, Shrub or Single Stemmed Standard. E.g. Baskets, Espalier, Fan, Pillar, Conical, Pyramid, Ring, Decorative Standard or any other shape.
Pot size for all classes except baskets should not exceed **13cm**. **Baskets** should not exceed **15.4cm (6”)** diameter at the top, **9cm (3½”)** in depth, be circular in shape, of open mesh construction and may have a flat bottom.
NB In this class the exhibitor may use their own stand, but these must not be taken into account when judging.
- M. Unusual Cultivar Class:** This class is designed to allow what are considered the more unusual cultivars e.g. Interspecific types and cultivars that show uncommon characteristics. The good spirit of the exhibitor and the judge will make this possible.
NB This class is not intended for plants that can be exhibited elsewhere in the show, no matter how difficult they are to grow or shape.
- N. A Beginner** is an exhibitor who has not won a First, Second or Third Prize at any previous years BFS show.
- O. A Novice** is an exhibitor who has not won a First Prize, with the exception of the Beginners Class at any previous years BFS show.

Exhibitors Notes

- a. Classes marked with * must be bush or shrub trained – see definitions A & B.
- b. Classes marked ** should have a more natural appearance.
- c. All **Varieties** to be named and all **Seedlings** to be coded rather than named or called seedling and a BFS supplied variety or seedling card/code card must be used.
- d. The term **DISTINCT** shall mean – obviously visually different – in leaf and/or flower.
- e. An exhibitor may have **ONE ENTRY** only per class in section 1 (classes 3 to 20) and **THREE ENTRIES** in classes 1 – 2 and 21 – 41. Each entry **MUST** be distinctly different. However, entries in classes 31, 33 & 35 may be the same variety, but they **MUST** be a different shape.
- f. Classes marked with # form part of the **Far South Western Championship**.
- g. asp in the pot size column means Any Size Pot.
- h. Triphylla Classes – see current BFS Triphylla Show Bench List– see definition H.
NB Any Triphylla which is included on the BFS list CANNOT be exhibited in classes 3, 4, 5, 6, 7, 8, 10, 11, 21, 22, 24, 35, 37, 39 and 40.
- i. The colour of the plant pots (other than Hanging Pots) **must be** terracotta.

Exhibitors Rules

1. The competitive classes are open to all members of The British Fuchsia Society.
2. Exhibitors are advised that this schedule **does not** contain all the rules and regulations appertaining to the show. They should also obtain and be conversant with the contents of the current BFS Exhibitors, Judges and Stewards Rule book and Guidelines (2013)
3. Exhibitors and those visiting the Shows must comply with the regulations and conditions imposed by the owners of the venues.
4. Exhibitors should report to the Show Organiser immediately on arrival at the Show for their Class and Variety Name Cards. Class Cards must be placed face downwards with the appropriate entry in each class. Variety Name Cards should be placed face upward in front of each entry. Exhibitors will be responsible for writing their own variety name cards and only those issued by the Society are allowed.
5. The Show Organiser will expect that all plants staged will have an appropriate sized terracotta saucer under each pot.
6. All plants must be the property of the Exhibitor and have been in his/her possession for at least three months prior to the Show. This also applies to plants from which flowers are taken for the flower boards.
7. Plants must not be potted up or down for the purpose of exhibiting in the show, although changing from a dirty one to a clean one of the same size is allowed.
8. All exhibits must be correctly and legibly named where possible. Errors in naming will not disqualify an exhibit. If an exhibitor does not know the name of the cultivar it should be labelled “Name Unknown”.

9. All plants exhibited in the classes with Hardies, Triphyllas and Species, **MUST** be on the current BFS Show Bench Lists. All exhibited plants **MUST** be named correctly and **SHOULD** be correctly spelt. Any incorrect plant names **MUST** be corrected before judging or the exhibit **will be marked NAS**. Misspelt plant names will be down pointed. For 2017 lists see pages 10 - 13.

Notes:

- (a) Plants in the Section Encliandra may not be shown in the classes for Species.
(b) Also plants listed in nursery catalogues as Species are not necessarily correct.

10. Exhibits should be free of pests and diseases. Plants with an obvious infestation will not be permitted in the show, and if found will be reported to the Show Organiser to arrange their removal. NB Infestation means swarm or overrun with pests or eggs. Plants with a small amount of pests or eggs will be down pointed. Plants with a small amount of disease will also be down pointed, but in the case of RUST or FUCHSIA GALL MITE the show organiser WILL remove plants.
11. No exhibits or class cards may be removed before the end of the show without the special consent and in the presence of the Show Organiser.
12. Whilst Judging is in progress all persons, except the Judges, Stewards, Show Organiser and volunteers who record results and write cards, and any others given duties by the Show Organiser, must retire from the show area.
Exhibitors are not allowed to re-enter the show area until judging is complete.
13. Judges may withhold awarding any prize if the standard of the exhibit/s in a class is of exceptionally poor quality.
14. The BFS salver is to be awarded to the Exhibitor winning the most First prizes. In the case of a tie Second, then Third prizes will be taken into account. If an exhibitor gains more than one prize in classes permitting more than one entry, only the highest award will go towards the salver.
15. The Society reserves the right to disqualify any entry subsequently to found to be in breach of these regulations of those in the current rule book.
16. Any protest must be made in writing to the Show Organiser within one hour of the opening of the show. Complaints after this time, will be dealt with by the Show Sub-Committee or BFS Committee at a later date.
17. Whilst every reasonable precaution will be taken, The British Fuchsia Society does not hold itself responsible for the loss of, or damage to any exhibits before, during or after the show. All exhibits are shown at the exhibitor's own risk.
18. Any matter not provided for in the Society rules will be dealt with by the Committee whose decision will be final.

Schedule of Classes

Class	Description	Pot Size
BEGINNERS' CLASS see definition note (N)		
1*	One Pot - any fuchsia	Max 15cm
NOVICE CLASS see definition note (O)		
2*	One Pot - single, semi-double or double cultivar	15cm
OPEN CLASSES (Section 1) (Points awarded in the classes 3 to 20 will go towards the overall national championship)		
#3*	One Pot - any cultivar	9cm
4*	Three Pots - distinctly different cultivars	9cm
5*	One Pot - any cultivar	10cm
#6*	One Pot - any cultivar	13cm
7*	Three Pots - at least TWO distinctly different cultivars	13cm
8*	One Pot - any cultivar	15cm
9*	Two Pots - of the same cultivar to be judged as a matching pair of flowering plants	Min 13cm Max 15cm
10*	Three Pots - any cultivar/s, one in a 9/10cm pot, one in a 13cm pot and one in a 15cm pot	
11*	One Pot – Double cultivar	asp
#12**	One Pot - Hardy fuchsia (see BFS Hardy list on pages 10-11)	Min 13cm Max 25cm
13*	One Pot - Ornamental foliage excluding Tom West	Min 13cm Max 15cm
14*	One Pot - Tom West as Ornamental Foliage	Min 13cm Max 15cm
#15*	One Pot - Triphylla type (see exhibitors note h)	15cm
16**	One Pot - Encliandra type	Min 13cm Max 22cm
17**	One Pot - Species (see BFS Species list on pages 12-13)	15cm
#18	One Mini Standard	13cm
19*	Four Pots - One Triphylla (see BFS Triphylla List on page 11), One Hardy (see BFS Hardy list on pages 10-11), One Single/ Semi Double and One Double	Max 15cm
20	One Hanging Pot of fuchsias only	Min 13cm Max 25cm

Schedule of Classes continued

Class	Description	Pot Size
OPEN CLASSES (Section 2)		
21*	One Pot - double cultivar	13cm
#22*	One Pot - double cultivar	15cm
23*	One Pot – any cultivar trained as a bush Must be on a single stem Minimum 1cm, Maximum 4cm	Min 13cm Max 15cm
24*	One Pot - any cultivar	Min18cm
25*	One Pot - Triphylla type (see exhibitors note h and list on page 11)	13cm
26*	One Pot - Triphylla type (see exhibitors note h and list on page 11)	Min 18cm
#27	One Exhibit Small Pot Culture . (See definition L) Max diameter Basket	13cm 15cm
28	One Pot - any Fuchsia/s, any manner of training other than Bush/Shrub or Single stemmed Standard	asp
29	One Full or Half Standard	asp
30	One Quarter Standard	asp
31*	One Full Basket of fuchsias only. (see definition C) Diameter of basket	Min 30cm Max 41cm
32	One Half Basket of fuchsias only. (see definition C) Rear of basket not to exceed	41cm
33	A Fuchsia Bonsai Exhibit (<i>Must be in a Bonsai style container</i>). <i>Decorative top dressing is allowed.</i>	
34**	Catch-all Class: One Pot - of fuchsia/s of the more unusual cultivar (see definition M on page 5).	asp
35	One Pot, bush/shrub, any cultivar raised before 1914 must be named and dated (based on books by Eric Johns & Leo Boulemer)	asp
36**	One Pot - Species (see BFS Species list on pages 12-13)	asp
37	Inter Society Class Three Pots - Any Cultivars	Max 15cm
38**	One Pot - Hardy fuchsia (see BFS Hardy list on pages 10-11)	asp
39**	One Pot - Any fuchsia of a paniculate type	asp
40*	One Pot - Single cultivar	asp
41	Novelty Display – dressed with display to match the name of the fuchsia	2' x 2' max

National Championship points classes 3 to 20

1st=5, 2nd=3, 3rd=1: Classes 3, 5-6, 8, 11-18 and 20. 1st=8, 2nd=5, 3rd=2: Classes 4, 7, 9-10 and 19.
