Ferndale, WA 98248
(360) 383-0777

8:00 Welcome & Introductions

8:30 Indian Health Service (IHS) Tribal Self-Governance Program and Office of Tribal Self Governance

Review of the legislative history of the ISDEAA and the Tribal Self-Governance Program.

9:15 Eligibility for the Tribal Self-Governance: Planning, Requests and Audit

Overview of the Tribal Self-Governance program eligibility requirements including the planning phase, requesting participation, and demonstrating financial stability and financial management capability.

9:45 Planning and Preparing for the Tribal Assumption of Healthcare Programs, Services, Functions or Activities - Developing an Action Plan or Project Plan

Examples of how Tribes can prepare for Self-Governance, including examples of best practices for program evaluation, internal management capabilities, legal and budgetary research, and internal government planning.

- Acquiring Technical Assistance through Limited competition ISDEAA grants and cooperative agreements
- Building an Action Project Plan
 - Letter of intent required by ISDEAA Title I
 - Timelines
 - Human Resources

10:30 Break

10:45 Identifying Programs, Services, Functions, and Activities

Review PSFA options for Self-Governance Tribes, best practices in choosing PSFAs, and how to access information available from OTSG.

- System Conversion
- Identifying ISDEAA 106(a)(1) program funding in Federal Contracts (P/RC, services, etc.)

12:00 Lunch (Provided)

1:00 Financial Tables

Tribes have a number of opportunities to maintain capacity during a Self-Governance Transition by retaining talent after assumption of health programs.

- Terminology – Understanding financial terms of art used within the IHS and the financial terms of art used in ISDEAA negotiations.
- Review of funding levels – HQ, Area, Program
- Tribal Shares – calculation
- Types of Funding – Recurring, Non-recurring, x-year
- Table 4F

2:30 Break

2:45 Self-Governance Negotiation Process and Best Practices

Describe the negotiations process and discuss best practices for preparation.

- Negotiation teams
- Common schedule
- Items for negotiation
- Tribal best practices

4:00 Contract Support Costs Overview and Calculation

Understanding Contract Support Costs (CSC) start-up costs, Direct CSC and Indirect CSC; introduction to the annual CSC Calculation (ACC) tool to estimate full CSC requirements, and identifying pass-through and exclusions.
