Middle Class and Welfare State

Making Sense of an Ambivalent Relationship

Marlon Barbehön, Ruprecht-Karls-Universität Heidelberg, Germany, **Marilena Geugjes**, Ruprecht-Karls-Universität Heidelberg, Germany and **Michael Haus**, Ruprecht-Karls-Universität Heidelberg, Germany

Series: Routledge Studies in Governance and Public Policy

This book examines the relationship between the middle class and the welfare state. Taking an interpretive approach which understands the middle class as a socially constructed category, it combines discourse analysis, welfare state theory, and interpretive policy analysis in an innovative way to investigate how the middle class becomes a meaningful object of public debates and policy-making.
