

Nursing Quotes: Words of Wisdom for Nurses

A quote by Jean Watson, an American nurse theorist and nursing professor. The quote is centered in a white box with a blue border, set against a background of repeating heart and cross icons in shades of orange and yellow. A pair of scissors icon is located to the right of the quote box.

“
Nurses are a unique kind. They have this insatiable need to care for others, which is both their greatest strength and fatal flaw.

—
Jean Watson, *American nurse theorist and nursing professor*

A quote by Florence Nightingale, the founder of modern nursing. The quote is centered in a white box with a blue border, set against a background of repeating apple and cross icons in shades of gray. A pair of scissors icon is located to the left of the quote box.

“
Let us never consider ourselves finished, nurses. We must be learning all of our lives.

—
Florence Nightingale, *founder of modern nursing*

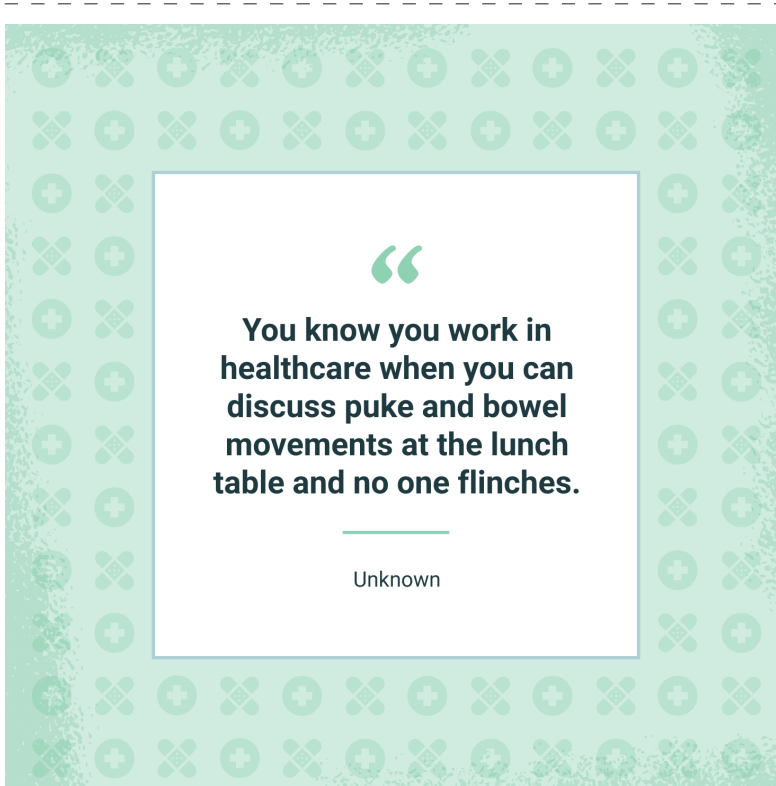

Nursing Quotes: Words of Wisdom for Nurses

“

The best way to find yourself is to lose yourself in the service of others.

Mahatma Gandhi

“

You know you work in healthcare when you can discuss puke and bowel movements at the lunch table and no one flinches.
